KHSAA BASEBALL STATE RECORDS

As of August 22, 2016

The KHSAA is continuing its efforts to establish and update its state baseball records. If you know of an update, addition, or correction, please contact Joe Angolia, Communications Director, at (859) 299-5472 or by e-mail (jangolia@khsaa.org). As you can see, many categories are without any listings, so we desperately need the help of all coaches, players, administrators and fans from across the state to assist in this project. To submit a record, you may access the states records form through the KHSAA website (www.khsaa.org). Simply complete and return to the Association, along with some form of verification.
