Mr. Terry Gilreth
1303 Waddle Rice Road
Science Hill, KY 42553

Dear Mr. Gilreth:

Please pass this letter on to the committee that will choose the inductees to be added to Kentucky's High School Hall of Fame. As Tim Stephens's high school basketball coach at McCreary County High School, I am very proud to support his induction into this select few. Tim has always been a spiritual, moral, admirable person who has never hesitated to stand up for what he believed to be right and just. At the same time, he accepted correction and discipline gracefully; making whatever change was being asked of him, which was always minimal.

Tim was never selfish on the basletball court; sometimes he had to be reminded to shoot the ball instead of passing it to a teammate. He was a natural leader on the court as well as in his every day life. Tim's peers, his teachers, and all who know him all respected him and admired his attitude and his judgement. Needless to say, Tim was an excellent student.

Tim's statistics fully support his induction into the Kentucky High School Basketball Hall of Fame. He was named on both the All Distrect team and the All Region team of his Junior and his Senior years. Tim was the state's leading scorer the same two years (28 points per game and 36 points per game), as well as being the team's leading rebounder (averaging 18 rebounds per game). In 1976 Tim won the Ted Sanford Award. given to the outstanding student/basketball player of that year in the state tournament. He earned a basketball scholarship to the University of Kentucky, as well as offers from several other major universities.

In my opinion, Tim won the honor of being included in the elite group of Hall of Famers long ago. I am eagerly anticipating the pleasure of reading Tim's name on the updated Hall of Fame as soon as the committee anounces the decision.

Sincerely from Tim's
high school BB coach,

Ralph Roberts

The health department makes an initial inspection to determine if there are any violations of the regulation. If any are found, the store is given an amount of time to correct them.

Some of the most common violations the inspectors have found have been lack of rodent control, food products on the floor, toxic materials stored with food, inadequate garbage collection, food stored at improper temperatures and general deterioration of the buildings and equipment.

If the violations are not corrected, proceedings can be started to close a store as unsanitary and unsafe.

Bob Ping, district sanitarian for the Lake Cumberland Region Health Department, said about the regulations, "Everybody must go to the grocery store.

McCreary's All-Everything Signs UK Scholarship

McCreary County High School basketball star Tim Stephens, the state's leading scorer this past season with a 35.6 average, has signed a Southeastern Conference letter-of-intent with the University of Kentucky.

The 6-4, 170-pound Stephens was signed Sunday afternoon at his home in Revelo, by UK head coach Joe Hall and assistant coach Dick Parsons. Stephens is Kentucky's first basketball signee this year.

A four-year starter at McCreary, Stephens scored 3,211 points during his high school career for a 23.4 average. He also pulled down 2,157 rebounds for a 15.8 mark. During Stephens' four varsity seasons, the Indians chalked up a record of 112 victories and just 25 losses

This past season, when he averaged 18 rebounds per game in addition to his scoring, Stephens led the Indians to a 30-5 record, the 47th District championship and McCreary's first 12th

Region title in 12 years He scored 32 points last week in the Indians' state tournament loss to Paducah Tilghman

Stephens was honored with the state tournament's "Ted Sanford Award" this year, which annually goes to the state tourney player best exemplifying basketball ability, academic accomplishment, sportsmanship and citizenship He was also named to the all-state tournament team

"To be selected for the Ted Sanford Award is testimony of the class of this young man," said Hall. "I am extremely pleased Tim has chosen UK to pursue his athletic career. He's a young man of high quality, and an outstanding prospect with very exciting potential.

"Tim will be a great asset to the UK basketball program," Hall continued. "He is a player who has not had the recognition he deserves, but one who won the plaudits of all those who saw him play in the state tournament last week

Although he has been sought by numerous schools, Stephens has long been considered to be leaning toward Kentucky

"I've been following UK since I was 10 years old, and it has been my only thought to play at UK," he said. "Now that I've reached that level I'm as excited as can be."

Stephens said he had no preference as to which position he plays in college, guard or forward "It makes no difference all I want to do is play where I can best contribute," he said.

Stephens, whose single game high was 54 points this past season against Monticello, has accepted an invitation to play in the Derby Classic game in Louisville April 24. He is a four time all-district and all-region choice, and a two-time all-state selection. He was coached by Ralph Roberts his junior and senior years, and by Chuck Eckler (now at Somerset High) his freshman and sophomore years.

Boy's All-State Team

The Courier-Journal & Times' annual all-state basketball selection honored Tim Stephens, McCreary County High, on its all-state team. Teammate Dennis Tindle also received honorable mention in honoring 12th Region players.

Stephens averaged 25.3 points and 13.0 rebounds per game for the season just ended. Next season is his senior year with the Indians.

Coach Ralph Roberts was quoted in Sunday's Courier-Journal & Times as saying. "He's one of the finest boys I've ever been around

Tim's an A-B student, a religious boy and he pitches and plays first base in baseball."
