Committee Report from the Team Sports Committee (A)

Consider Soccer Postseason Bracketing Revisions

Staff has done extensive review of postseason format. It is the desire of the Commissioner to expand the number of teams in the state championship tournament, while at the same time, revising the early round format to create new matchup options at the level where travel is centralized to the state site. With the staff proposed format, travel can be contained within a four-region pod (similar to the former semi-state baseball plan), but then an-eight team state tournament created for both boys and girls. These changes can be accomplished within the current window of play and not require scheduling adjustments. While it would be highly desired to have each region at the state tournament, the rest necessary between soccer matches and travel considerations make this a very difficult consideration. Adoption of this plan for a six-year cycle ensures that every region plays every region in their semi-state twice during the period, and that each region hosts once in those matches during that period.

Motion Passed: The Board of Control approve the staff postseason plan for soccer for the 2012 through 2017 seasons passed with a motion by Ozz Jackson and a second by David Weedman. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Marvin Moore Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes.

Consider movement of Lawrence County High School from District 57 to District 59 and East Ridge to District 60.

This would alleviate a situation where there is a five-team district in the same region with two three team districts. This allows the composition to be three four team districts, and a single three team district.

Motion Passed: That staff, as part of the 2012-2013 alignment discussions for all team sports necessitated by the McCracken County consolidation, review alternatives to potentially alleviate the fact that there is a five-team district and two-three team districts in this region. Recommended action should include comprehensive review by all involved school systems passed with a motion by Ozz Jackson and a second by Marvin Moore. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes, David Weedman.

Review Final wording for adoption of running clock provisions for basketball per NFHS rules

The clock shall be stopped only for a charged time-out, an injury/blood or disqualification, and immediately following the reporting of a foul if free throws are to be administered.

- After reporting a shooting foul, the official will signal the timer to stop the clock. (This will be signaled by the official to the timer after reporting the foul)
- Once the official signals the timer to stop the clock, it will be started when the free throw ends if the last free throw is missed (when it is certain the try will not be successful or when the try touches the floor or any player, 4-20-3), or when the ball is at the disposal of the opponent if the last throw is successful (Available to a player after a goal and the official begins the throw-in count, 4-4-7.)

Motion Passed: Approve the adoption of a running clock rule at all levels of basketball (freshman, JV, Varsity) for the 2012-2013 school year, when one team is ahead by 35 or more points after halftime passed with a motion by Ozz Jackson and a second by Boyd Randolph. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Marvin Moore Yes, Lea Prewitt Yes, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes, David Weedman.

Discuss Three-Person Officiating in Basketball

No action taken. There was extensive discussion on training methods and evaluation of officials.

Review Game Manager Policy 2 Years After Implementation

This policy was adopted to be applied to all sports and as a practical matter, has been applied only to the sport of soccer. After a couple of years of implementation, it is good to review and ensure that it applies to all team sports in an equivalent manner.

Motion Passed: Staff will update and revise the policy and present to the Board for final adoption at the May meeting passed with a motion by Ozz Jackson and a second by David Weedman. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Marvin Moore Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes.

Consider Adoption of Field Specifications for Postseason Play for Fast Pitch Softball

There has been concern for a number of years about the lack of defined specs for hosting softball events. Baseball has had postseason field requirements since the mid-1990s, including a tarp requirement and it has resulted in not only improved playing conditions, but a list of items by which schools can project any future facility updates.

Motion Passed: Approve the draft field specs for softball to go into effect for regional play with the 2013 season passed with a motion by Ozz Jackson and a second by Boyd Randolph. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Art David Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Marvin Moore Yes, Lea Prewitt Yes, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes, David Weedman Yes.

Discuss Potential Team Squad Limits (number dressing) for State Championships (i.e. Football)

No recommendation at this time. Dialogue is be ongoing.

Review and Consider Possible Deadline dates for declaration of intent to play fall, winter and spring sports, particularly for seeded districts

There are problems that may exist for seeded districts in that schools must hold open slots for those teams, and then if the school does not field a team, there are very few scheduling alternatives remaining. A reasonable deadline each season would appear to be fair to all parties.

Motion Passed: Approve that each school in a district that has previously voted to seed, shall be considered to be contracted for the seeding requisite number of contests. If school representatives do not notify all schools in the district of their intent NOT to participate by the first day of practice, the contest shall be played or a forfeit declares. Where a fee is not specified, a \$1000 default forfeiture fee will be assessed for non-played contests passed with a motion by Ozz Jackson and a second by Boyd Randolph. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Art David Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Marvin Moore Yes, Lea Prewitt Yes, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes, David Weedman Yes.

Golf Range Finder Request from Advisory Committee

The Golf Advisory Committee remains concerned about the pace of play. For postseason, the committee is recommending that range finders (range finders only, not other more sophisticated devices) be allowed for region and state play. Such devices, if available to a player, must be made available to all members of the playing group (threesome, foursome, etc.)

Motion Passed: Staff to collect additional information to present to the Board passed with a motion by Stan Steidel and a second by Art Davis. John Barnes Yes, Bill Beasley Yes, Carrell Boyd Yes, Anita Burnette Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Ozz Jackson Yes, Marvin Moore Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, David Weedman Yes.

Committee Report from the Regulation Adoption and Legislative Committee (A)

Review and Discussion, Sport Activity Designation

Due to the fact that it would take possibly 9 years to phase in requirements for all rules, the Board concurred with the Commissioner's recommendation in April of 2011 that the new offerings of the KHSAA be considered Sport Activities. The intent was that the desire for more participation from a previously uninvolved group of students was more important than rigidly applying all rules immediately.

Motion Passed: Bylaw 5 would be added to the interpretation so that students in Sport Activities must comply with this Bylaw passed with a motion by Boyd Randolph and a second by John Barnes. Bill Beasley Yes, Yes, Carrell Boyd Yes, Anita Burnette Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff Yes, Dana Guyer Yes, Ozz Jackson Yes, Marvin Moore Yes, Lea Prewitt, Kelley Ransdell Yes, Steve Riley Yes, Stan Steidel Yes, David Weedman Yes.

Status Review - OHSAA Competitive Balance Proposal

Discussion of Bylaw 10 and allowances out of season. In particular, involvement with kids outside of defined feeder pattern

The spring and summer have long been issues for high school coaches involved in coaching AAU and other outside teams. The problem is compounded when the involved student-athletes are not under the defined feeder patten. Board discussion should be held on any possible proposal or bylaw change to tighten down this perceived issue, or just rely on the self-policing nature of the membership.
