

## EAST ELIGIBILITY COMMITTEE MEETING

November 22, 1993

Chairman Frank Welch convened the East Eligibility Committee at 10:05 with all members present. Commissioner Bill Wise informed the Board that the appeal of Eddie Brown, a student at Whitley County, would be deferred to the December 2-4 Board of Control meeting.

Chairman Welch then called on Principal Bill Lee of Cawood to present his appeal of Bylaw 6, Transfer Rule, in the case of Todd Jenkins who had come to Cawood from Cumberland.

Following discussion, Frank Welch moved, seconded by Claudia Hicks, that the Committee go into closed session to deliberate the case, which passed unanimously.

Stan Steidel then made the motion, seconded by Claudia Hicks, that the Committee return to open session, which passed unanimously. The Committee issued the following findings of fact in the case of Todd Jenkins--

- 1) The student did not qualify for a waiver of Bylaw 6, Sec. 1, parts (a) through (d);
- 2) Through the presentation, there was no evident injustice presented on behalf of this student athlete to justify a waiver.

Based on these findings, Claudia Hicks moved, seconded by Ken Cox, that the student be declared ineligible to represent Cawood High School, and such will be reported to the full Board.

Claudia Hicks moved, seconded by Stan Steidel, that the Committee adjourn, which passed unanimously at 11:05.
