WOODFORD COUNTY GIRLS' SOCCER TEAM REMOVED FROM POSTSEASON

The girls' soccer program at Woodford County High School has been removed from postseason play for violation of Bylaw 25 – Limitation of Seasons KHSAA Commissioner Brigid DeVries announced. The program exceeded the maximum number of games played (17).

The KHSAA Bylaw states that *"a season will consist of a maximum of seventeen (17) games. A maximum of two (2) tournaments may be included in any manner other than counting each game played against the limit of seventeen (17) games. Single elimination tournaments in which every team in the tournament is finished playing upon their first loss are eligible to be counted as one game against the limit of seventeen (17) games. All other formats of tournaments are eligible to be counted as two games against the limit of seventeen (17) games. Any team playing more than four games in any one tournament shall have each additional game played over four counted against the limit of seventeen. Any game played over the limit of four in any one tournament shall be counted against the limit of seventeen (17) games."*

In addition, KHSAA Case BL25-3 states that *"a school exceeding the limitation of games / contests / meets shall be ineligible for postseason play per the provisions of Bylaw 25, Section 3. In order to allow consistent enforcement and adequate communication with managers and the verification of all facts involved, and to assist tournament managers once a tournament series has begun, the time of determination is established for all sports."*

For the determination to be made that the limit has been exceeded, it must be reported in writing and received by the KHSAA prior to 12:01 a.m. (midnight) ET on the first day of the postseason tournament series as defined by the KHSAA Memorandum Calendar. If detected and verified, the team exceeding the limit would be ineligible for postseason play and may be further penalized in accordance with Bylaw 33. If the report is made after that point, the team shall be penalized in accordance with Bylaw 33 but shall remain eligible for tournament play during the current season."

Woodford County participated in 16 regular season contests and three games in the Lexington Catholic Lady Knights Soccer Cup to put its games total at 18 (the tournament counted as two games due to its format). Due to the violation, the girls' soccer program will not be permitted to participate in postseason play this year.

Woodford County was scheduled to play the winner of Monday's Frankfort vs. Western Hills contest in the Girls' 25th District Tournament. Since the bracket was already set once the violation was reported, the schedule will remain with the Frankfort-Western Hills winner advancing to the district championship on Thursday.

Contact the Woodford County Administration for any further comment.
