

K.H.S.A.A. Eligibility Appeals Committee Meeting August 22, 1975

The K.H.S.A.A. Board of Control Eligibility Committee met in Louisville on August 22, 1975. Present were Chairman Frank Simpson, Arthur Hawkins, Ray Story and George Sauer. Also present was Assistant Commissioner Tom Mills and Commissioner J. B. Mansfield .

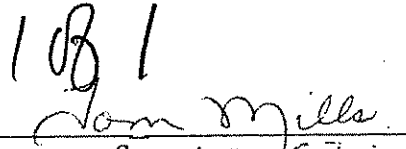

The following cases were heard:

(1) Ass't Prin. Gerald Gamble, Elizabethtown High School, requested that Tommy Lee Simpson's eligibility be restored in view of the fact that he has no place to live except with his sister, Nancy, who lives in the Elizabethtown School District. Tommy is ineligible by By-Law 6, Section 1. After studying the facts, Ray Story, moved that Nancy be allowed to stand in place of the parents and that Tommy be made eligible, inasmuch as both parents are deceased. The motion was seconded by Arthur Hawkins and passed unanimously.

(2) Ath. Dir. Raymond Ross and Coach Bill Fultz presented the case of Tracy Thompson and asked that his eligibility be restored at Madison Central High School. Tracy's parents reside in the Madison County School District. He competed as a varsity player for a high school in Virginia last season. There has been no change in the residence of his parents, so By-Law 6, Section 1, makes him ineligible. After considerable discussion, the Committee declined to restore Tracy's eligibility on a motion by Ray Story, seconded by Geroge Sauer. The vote was unanimous.

(3) Commissioner Mansfield presented the case of Mike Shirley whose parents live in the Harrison County School District. Mike played varsity football for Riverside Military Academy in Georgia last year, so he is ineligible under By-Law 6, Section 1. He will attend Harrison County High School this year. After discussion of the facts involved, George Sauer moved that Mike's eligibility not be restored. Ray Story seconded the motion and the vote was unanimous.
