### Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
The team has performed very well throughout the season. Pitching and defense were expected to be strengths and the offensive production has been consistent. It is a tremendous accomplishment to get to the Sweet 16 out of the 7th Region and these guys have been fortunate enough to make it happen for the third consecutive season.

### Coach's Comments

What are keys to your team's success in winning the tournament:
Austin Clemons has been the biggest producer on offense, but many other guys have had big hits for us in big games. Nate Stemle has been great at shortstop and numerous other players have made big defensive plays throughout the year. Sam Melchior and Ben Britt have been the top two pitchers.
