- The National Federation has made a strong effort in reminding all state associations of the importance of member schools understanding the necessity for adequate security
- Crowd control has become a major emphasis across the nation and though many schools have provisions in place, it is important to take every precaution to protect the athletes, fans and general public at contests
- While acknowledging the expense of security, it is noted that this should be an integral part of your athletic planning process
- Adequate security is a requirement at postseason contests

### **GAME DAY ADMINISTRATOR RESPONSIBILITIES**

- Prior to the start of the contest, identify yourself and establish a designated area where you can be reached in the event of an emergency
- The administrator should supervise fans, watching for inappropriate fan behavior
- During your sportsmanship announcements, remind fans that foul language and harassment of officials is inappropriate

### **MEDICAL COVERAGE**

- The host school is responsible for securing medical coverage for the event including alerting local ambulance service to serve in an on-call status if such cannot be present at the competition site
- It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3) (a) and the KHSAA Board of Control policies (Please refer to page 18 in the link for Medical Coverage provided at the end of this document)

- No member school can sign an exclusive agreement for a postseason round (district, region, sub-section, section) without agreement between the schools and approval of the KHSAA Office including full compliance with the restrictions of the NFHS Network and the KHSAA participation in the network
- The Commissioner is the manager of all rounds of other championship play, but in accordance with adopted Competition Rules, may designate a manager to assist at the local level
- No web streaming may be approved for any outlet without the payment of the requisite fee as mandated by the KHSAA/NFHS Network agreement, with the sole exception of a waiver for those schools participating in the School Broadcast Program of the NFHS Network
- The fee schedule will be published annually by the Commissioner's office
- At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA
- In general, the management of those rights may be assigned to the manager at the host KHSAA member school for the district and regional competition

- At all levels of competition, including district, regional, and state competition in KHSAA sponsored tournaments and meets, managers are encouraged to make allowances for members of the television media to tape the contests at no charge to the media outlet, as long as the taping is for the sole purpose of newscast highlights
- Entities desiring to tape the contest for delayed rebroadcast shall have the permission of the event manager
- At the discretion of the event manager, and if space is available and if such taping does not violate existing, acknowledged, written copyright protection or intellectual property agreements, participating teams in KHSAA events shall be allowed space, for the purpose of recording the contest
- Such broadcast may not be re-broadcast in any form including internet and social media
- If space is deemed to be available, the tournament manager has the right to designate a specific area for the purpose of taping, and allow taping only in that area
- It shall be solely the determination of the event manager as to space availability
- If the tournament manager deems that space is available, each participating school choosing to tape or film is required to sign a waiver indicating that the Association shall be held blameless for any and all liability to those parties involved in the taping, and that the school shall make no copies of the tape or film

#### **NFHS NETWORK INFORMATION AND MEDIA RESTRICTIONS**

- No web streaming may be approved for any outlet without the payment of the requisite fee as mandated by the KHSAA/NFHS Network agreement, with the sole exception of a waiver for those schools participating in the School Broadcast Program of the NFHS Network
- The fee schedule will be published annually by the Commissioner's office and is available by contacting the Communications Director

#### **INCLEMENT WEATHER**

- While it would be ideal if all parties could meet and agree on any re-scheduling of games necessitated by inclement weather or other natural events, this may not be practical
- It is the duty of the tournament manager, in consultation with the participating teams, to make decisions with regards to re-scheduling in the event of postponement and ensure that all teams, the KHSAA, media outlets and schools are properly notified
- In accordance with the playing rules, after the contest has begun, the umpires shall make such determination
- Schools who are hosting the tournaments should be especially sensitive to the postponement of games especially given the KHSAA Pitching Limitations and make decisions in the best interest of all concerned, not simply one school, team or player
- Schools are reminded that the Heat Index program is to be followed
- It is the home management's responsibility to ensure that this is monitored and documented

- Please refer to the KHSAA Handbook if you have any questions

### **POINTS OF EMPHASIS**

#### *GAME COMPLETION*

- This is a reminder to Coaches, Officials and Administrators with regard to interrupted games
- During the regular season, including district seeded games, games that are interrupted due to weather or darkness and called (ended) by the umpire, the game is final if it meets NFHS rules requirements for a shortened game – at least 4 1/2 innings with the home team ahead or five full innings
- (Baseball Rule 4-2-2, 4-2-3)
- For postseason (District, Region and State), all games must be played to completion (7 innings) per NFHS rules

#### *ROSTERS*

- There may be more than 21 names on the roster, but only 21 are permitted to dress
- The competition rules state that not more than twenty-one (21) players may be in uniform for any one tournament game
- Only the 21 players in uniform for that game are the ones permitted on the field for warm-ups and infield practice
- NO MANAGER OR GROUP OF SCHOOLS MAY VOTE TO WAIVE THIS REQUIREMENT
- Rosters will be locked down the Monday of District Tournament week and no changes will be permitted for the remainder of the postseason
- Remind each coach to have that tournament's copy of the roster form checked by the coach of each competing team, before the team plays each game, for the twenty-one players to be used in each game

#### *GAME BALLS*

- Spalding is the official baseball of the KHSAA
- The baseball required for District, Regional and State Tournament play is the TF Pro HS Baseball (41-100 HS)
- The ball must include the NFHS Authenticating mark (this is different from the KHSAA logo)

#### *PLAYING RULES AND REGULATIONS (ALL TOURNAMENTS)*

- National Federation Playing Rules will be utilized without exception
- Managers should ensure that all participants are aware of the provisions of the KHSAA Competition Rules related to baseball and the requirements contained therein
- The KHSAA Pitching Limitations as published on the KHSAA website supersede those that were published in the Competition Rules in the fall
- The Board of Control adopted a change to the limitations in January, 2016
- The host site is responsible for the official pitch count recorder
- It is advisable that this be the same individual throughout the tournament
- Local managers, at the approval of those in the tournament, may choose to make this a paid position (like PA, scorer, gate worker, etc.)
- MaxPreps is the official stats service of the KHSAA
- For pitch count purposes, GameChanger is the preferred tracking software, but schools may use any other software that syncs with MaxPreps
- For details see the Baseball blog on the KHSAA website

- Member schools are not permitted to practice for, travel to or participate in an interscholastic athletic contest during the six-hour school day
- Therefore, no Baseball tournament may be scheduled at a time that would violate any part of the six-hour academic school day
- Due to this action and regulation, tournaments should not start prior to 3:30 p.m. each school day  
*SPEED-UP RULES - RUN RULES AND COURTESY RUNNERS*
- In accordance with National Federation Baseball Rule 4-2-2, the game shall end when the losing team is behind ten or more runs and has had at least five turns at bat
- The speed-up rules provisions allowing for a courtesy runner for the pitcher and catcher when they reach base will be used in all postseason games

### **REPORTING SCORES/RESULTS**

#### *NFHS PLAYING STATS REPORTS (DISTRICT ONLY)*

- The National Federation has again asked the states to collect data regarding playing statistics online (KHSAA Form BA119)
- This is being used by the playing rules committee as they study potential changes for the future
- The form is provided through a link at the end of this document
- Please complete the form so it can be included in our report to the National Federation
