- Admission gates and ticket booths will open one hour before the start of the first game each day
- Please advise your fans that the gates will not open until this time
- In addition, please remind your fans that if they wait until the last minute to arrive, there have historically been long lines at the box offices most noticeably for the State Championship game

TEAM ENTRY

- No passes other than those produced for the championships will be honored at the gate
- Each team will be provided 18 armbands per day you participate upon arrival for admission to the event for nonplayers and the rest of the team travel party (Head Coach, Assistant Coaches, Superintendent, Athletic Director, Team Trainer, etc.)
- Participants (21 in uniform) will be admitted in uniform as a group at the Pass Gate
- The maximum number of individuals in the dugout is 30, of which only 21 shall be dressed in full game-day gear uniform
- All other individuals must have a ticket for admission

PARTICIPANTS (FIELD ACCESS), TEAM MEMBERS/COACHES/ADMINISTRATION

- The entire team should enter as a group, including all managers, coaches, administrators and doctors, utilizing the pass gate near the main entrance to the park (GATE 1)
- All other coaches and members of the traveling party who are not in possession of a credential will not be entitled to complimentary admission and will be directed to a ticket window
- No pass outs will be issued as all persons leaving the park will be directed to a ticket window for return admission
- When teams arrive at the park, entry should be made through the Pass Gate near the main entrance
- It should be noted that the school will be held accountable for the conduct of all persons in the dugout area
- When in doubt, those people who have no direct responsibility during the game should be in the stands
- The tournament rules in the KHSAA Handbook clearly state that no other player may be in uniform other than the twenty-one (21) designated for that game
- The others must be uniquely dressed (nongame attire/uniform)

- To violate this rule jeopardizes insurance coverage, both liability and medical, as it would be a violation of the tournament rules
- This has been consistently interpreted as such and is done so in other sports
- If you have received inconsistent information from other sources, we apologize, but this is the final answer, there can be no more than twenty-one (21) in the game uniform
- The maximum number of individuals in the dugout is 30, of which only 21 shall be dressed in full game-day gear uniform
- Deductions from team reimbursement expenses will be made to those teams that do not adhere to squad limits and field access policies

PLAYING FIELD REMINDERS
