Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
Obviously, Justin Hicks must play well for us to have a chance to win but we also must have our other players step up and put the ball in the basket. We have been successful when we have multiple players scoring in double digits and not just relying on Hicks' personl contributions. As for other aspects, rebounding is huge for us as we start 3 guards and don't have much height on the frontline and protecting the ball while maximizing our opportunities on offense.
