Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
The last time that Corbin made back to back trips to the sweet 16 was
1952. For this team to be able to overcome the amount of talent we
graduated last season and compile the record we have is special. They
will be mentioned in the same breathe as some of the all time greats to
play here at Corbin. It's extremely special to take this group of seniors
(a group that has won 105 games in 4 years) to Rupp. They have always
been close to me and my family.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
Madison Johnson and Isaac Wilson have proven themselves to be one
of the best guard combos in the state. Travis Smith and Arron Manns
have proven they can produce when teams try to key in on Madison and
Isaac. The production from our role players (Matt Taylor, Brody
Freeman, Taylor Jones, and Luke Stewart) pushed us to the top in the
13th region. All our kids sacrificed for the betterment of the team. In the
end the difference in us winning was our ability to play solid defense.
