What are keys (players/offensive/defensive) to your team's success in winning the tournament:
The keys to our success all year will be the same keys for us in this tournament. We have been winning the rebounding battle, forcing the tempo, and relying on our depth. We have a group of experienced players who enjoy playing together and we have had different guys step up to make big plays at key moments. Anthony Hickey, 2nd Region POY, has been a steady leader with his playmaking ability on both ends of the floor. All region tournament performers Hickey, Shaquille Wilson, Donovan Kates, and Tre Gayle all made big plays at different moments on our road to Rupp. We also have had tremendous production from our bench including 6th man Veontae Lewis.
