## Coach Comments

### 1. Please describe what advancing to the State Tournament means for your program, your school and your players.

We are a very young but talented team in that we start three freshmen and the sixth man is also a freshman. By advancing to the State Tournament it gives our young freshmen a world of experience. Zack Davis and Seth Adams provided leadership throughout the year and are expected to carry this on through the tournament.

### 2. What will your team have to do in order to have a chance of winning the State Tournament?

Our team has to be very focused. Being a young team this is very important. We must rebound and defend well in the halfcourt.
