Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

We are excited to be part of the 2012 State Tournament. Our players are enjoying the support they are receiving from the John Hardin faculty, students and surrounding community. We look forward to our time spent in Lexington and hope this season will build momentum for our basketball program as we look to the future.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We will have to continue to play hard on the defensive end and rebound with teams that are bigger and more athletic than us.
