Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

It has become a tradition and an expectation with this being our 15th state tournament appearance. Our players and coaches are super excited about the opportunity to represent our region.

2. What will your team have to do in order to have a chance of winning the State Tournament?

Play defense the way we have all year. We have to get quality shots to ensure that we are being the team we have been all year.
