Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

This has been an amazing feat not only for our team, but for our community. This is the first ever appearance on the state level by any team, in any sport,in our schools history. These girls have been driven throughout their lives by wanting to be the first. With this goal in mind, they have sacrificed so much for theirselves, school, and community. But, the rewards have been worth all of the sacrifices that we, as a team, have endured.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:

Our team must force an up tempo style of play that we have played throughout the season. We will also have to play very good defense and control the boards in order to be successful.
