Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

Advancing to the State Tournament for only the second time in school history is a major milestone for this Dunbar program. The Bulldog Pride is at its all-time highest and to advance to the State Tournament is just evidence of how hard this team has worked.

2. What will your team have to do in order to have a chance of winning the State Tournament?

Paul Laurence Dunbar will need to defend and force the opponent into making mistakes. All players will have to contribute on both ends of the court and rebound well.
