Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

This team has etched its place in the great tradition of Lady Rebel Basketball history. The expectations were very high for our team and the players responded in championship fashion. One of the things that make this championship so special is that the 9th Region was so very competitive this year having three of the top ten ranked teams in the state. We bounced back from a disappointing district defeat to become 9th region champions. I am so pleased for all our players who get the opportunity to experience this, but especially pleased for our Miss Basketball Candidate, Sydney Moss as she gets the opportunity to showcase her incredible basketball skills.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We need to continue to play good team defense and rebound the basketball. We need to continue to score in transition and get the ball inside in our half court offense.
