The school may purchase an additional block of advance tickets by calling Matt Morrison at the Western Kentucky Box Office (270) 745-6074. Any checks for these additional tickets shall be made payable to the KHSAA.
10. Please tell your fans if they desire to purchase seats in advance (credit card order, etc.), they can call the Diddle Box Office, (270) 745-5222.
11. Cheering section tickets are priced at 10 (lower arena cheering section and upper arena) if purchased through the school from the initial allotment or if purchased at the pep sales booths after each game. All other tickets will be priced higher for the lower arena cheering section and upper arena. Non-cheering section tickets are priced at a higher price and must be paid in advance.
12. You may purchase additional seats in the upper arena for the 10 price by adhering to the procedure in Sections 8 and 9, but this can only be done until 24 hours prior to the start of the session involving your first game. By continuing to come and get tickets, you are saving each of your ticket patrons per ticket. Arena representatives can advise you of the availability of any lower arena seats near your original school allotment.
13. For first round sales, new for 2013, the KHSAA will rebate each school twenty-five cents (.25) per ticket sold in advance. This reimbursement will come following the tournament through the expense settlement.
14. For the second, third and fourth rounds, ticket booths will be set up at the arena for advance sales to your next game. It is recommended that you allow the entire block of tickets for your team's games in subsequent rounds to be sold on site, from these booths.
15. For each game you win, you have the option of purchasing two additional blocks of seats to take back to the school. First, you may purchase the band block as a group (but limited to the number of instruments in the gym for round 1 plus the director(s)), and those will be located in the same lower rows as in your initial round. You may also purchase a maximum of 140 additional tickets for use in distribution to the parents, faculty and administration. The Arena staff must sell the balance of the designated cheering section. If you choose to take either of these ticket blocks, no refunds will be issued and they must be pre-paid. Make sure your official school representatives are prepared to make this payment. Tickets are priced at 10 (lower arena cheering section and upper arena) if purchased through the temporary pep sales booths after each game. After that time, all other tickets will be priced higher for the lower arena cheering section and upper arena. Please advise your fans that by staying after the game and purchasing the subsequent round tickets, they will be saving from the walk-up price.
16. Any school checks for tickets to any second, third or fourth round shall be made payable to the KHSAA.
17. A representative of the school should notify the KHSAA ticket representative at the Arena ticket office as to the school's procedure for selling second, third and fourth round tickets by completing this form. You will also be asked when you settle your first round tickets, to limit the number of tickets individual purchasers may buy. If you do not prescribe a limit, the limit shall be four (4). This prevents unauthorized ticket brokers from monopolizing the purchase of lower arena seats and forcing your fans into less desirable seating.

- For each game you win, you have the option of purchasing two additional blocks of seats to take back to the school. First, you may purchase the band block as a group (but limited to the number of instruments in the gym for round 1 plus the director(s)), and those will be located in the same lower rows as in your initial round. You may also purchase a maximum of 140 additional tickets for use in distribution to the parents, faculty and administration. The Arena staff must sell the balance of the designated cheering section. If you choose to take either of these ticket blocks, no refunds will be issued and they must be pre-paid. Make sure your official school representatives are prepared to make this payment. Tickets are priced at 10 (lower arena cheering section and upper arena) if purchased through the temporary pep sales booths after each game. After that time, all other tickets will be priced higher for the lower arena cheering section and upper arena. Please advise your fans that by staying after the game and purchasing the subsequent round tickets, they will be saving from the walk-up price.
- Any school checks for tickets to any second, third or fourth round shall be made payable to the KHSAA.
- A representative of the school should notify the KHSAA ticket representative at the Arena ticket office as to the school's procedure for selling second, third and fourth round tickets by completing this form. You will also be asked when you settle your first round tickets, to limit the number of tickets individual purchasers may buy. If you do not prescribe a limit, the limit shall be four (4). This prevents unauthorized ticket brokers from monopolizing the purchase of lower arena seats and forcing your fans into less desirable seating.
