Greetings from KSD Athletics!

You have been selected to serve on the KHSAA Title IX committee for the 2009-2010 school year.

Please let me know if you are able to do this duty. I need to know as soon as possible. I plan to have a meeting soon. It is required by KHSAA to schedule at least three meetings - one for fall sports, one for winter sports and one for spring sports.

We need to meet three times during the school year before April 15, 2010. The meeting should be about one hour long.

Also, we need to do student-athlete survey this year. We didn't do any student survey last year. We are required to do this survey every other year. So we will do this survey this year.

Be hearing from you soon.

Thank you.

**Subject:** Basketball Season is coming soon

Hi Coaches,

I would like to have a meeting with you all coaches soon to determine what time you all would like to practice. We need that to satisfy the Title IX compliance. How about on Tuesday, Sept. 29<sup>th</sup> at 4:15 pm? It shouldn't take any longer than 30 minutes.

Mike Yance wants to have a meeting with the boys on the 15<sup>th</sup> at 4 pm before having tryouts at later time. Scott, Do you want to have a meeting with your girls too before the actual practice begins?

As of now, I have no luck with getting any applicants for Girls Varsity Basketball Assistant Coach. It seems that no one is really interested in applying for that position. If you know anyone who has a potential to be a good assistant coach, please try to convince her to apply.

Thanks.

→ Introductions were made.

→ The purpose and history of Kentucky and KSD Title IX was explained.

The AD informed them that they can learn more about Title IX from KHSAA's website.

[www.khsaa.org](http://www.khsaa.org) and click on Title IX Programs on right of top - blue area.

Or type in this link - <http://www.khsaa.org/titleix/>

→ Review last year's Corrective Action Plan

1. The AD explained that we didn't do the corrective action plan this year due to lack of money however, we will try complete one of three items – by purchasing Digital Camera and Video camera for the Athletic Department
2. The AD discussed about how impossible it is to have our nurse to be at home games due to only one nurse on duty on each shift. It's not reasonable to pull a nurse out of the infirmary then there will be no nurse on duty at the infirmary.
3. The AD discussed about having Cheerleaders at both girls and boys basketball games equally. We have a new cheerleader coach; the AD will work with her for next year to make sure that all boys and girls team will get equal time from the Cheerleader squad.

→ It was agreed that the following committee members would do the following:

1. KHSAA forms – Billy Lange and Lori Mohan
2. 8<sup>th</sup> grade KHSAA Survey – Lisa Kingsley, Stu Harper & Billy Lange
3. 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grade KHSAA Survey – Stu Harper, Daniel Morgan, & Neil Carrington
4. Summary of all 8<sup>th</sup> to 11<sup>th</sup> grade results – KHSAA form – Scott Johnson
5. Communications with all KSD coaches regarding equity – Billy Lange

RE: KSD Title IX Committee March 9th Meeting Minutes

CC: Rodney Buis, Principal  
 Bill Melton, Campus Manager

→The meeting started at 4:15 pm and ended at 5:20 pm.

→Introductions were made.

→Discussed KHSAA Forms requirement

The AD explained that he must get all the facts first before working on the forms. It takes him at least 2 weeks to complete all the KHSAA required forms.

→Discussed KSD Coaches Equity Survey

The AD collected 5 replies from coaches via e-mail. Then he collected 3 more at the meeting. The AD went thru all the surveys and discussed each survey with all the committee members who were presented at the meeting.

1. For Awards, No concerns mentioned.
2. For Equipment, Only 3 coaches reported that they are having sufficient need for more uniforms. Boys Basketball team – 11 years old uniforms. The order for new uniforms last summer was turned down. Soccer team – several uniforms are missing, different uniforms, and need larger sizes for bigger boys. Volleyball team – numbers on jerseys come out and shorts are showing signs of wear and tear.

The AD explained about the uniform replacement chart. The Boys basketball team was supposed to get new sets of uniforms in the year of 2008-09 but we didn't order then because we needed money for the Mason-Dixon basketball tournament which was held here at KSD.

The original uniform replacement chart

1. Boys Varsity Basketball – 2008-09
2. Girls Varsity Basketball – 2009-10
3. Soccer – 2010 – 11
4. Volleyball – 2011-12
5. Girls and Boys Track – 2012-13

Since we didn't order any new uniforms for the Boys Varsity Basketball team for the last two years, then the order of purchasing new uniforms for each team has been bumped two years later. Since the boys' basketball, Soccer and Volleyball teams are desperately in need of purchasing new uniforms; we agreed to do these three teams (BBK, VB & Soc) first as soon as possible. The girls' basketball uniforms are still in

good condition for at least another year. The AD will need to have a meeting with Mr. Buis, Principal about the uniforms. We can not keep up on postponing the order for boys' basketball team any longer.

3. For Facility, there are no concerns.
4. For Schedule [Games and/or Practices], Games – no concerns. Practices – times are the most concern among the coaches. Most of them want long practice times after the school – 4 to 6 pm instead of 4 to 5:15 pm. We, the committee agreed to have supper time to be changed from 5:00 (MS)/ 5:15 (HS) to 5:45 (MS)/6:00 (HS) except for the game days – 4:30 pm for ALL MS and HS students. The changed meal times should be in effect for the school year of 2010-11. The AD will meet with Mr. Buis about this situation. Cheerleader team feels that they need more practice in the gym. The AD explained about the priority of using the gym – Boys and Girls Varsity basketball teams have the first priority to use the gym. Then Rec. Basketball teams are the next to use gym. The AD tried his best to find some time for Cheerleader team to practice in the gym. We only have one gym. We lost Rogers Gym which was so suitable for Rec. basketball teams to practice there.
5. For Meals or Transportation, There is one concern about the meals. One coach feels that fruits need to be included in sack lunches and pre-game meals. He mentioned that he himself talked to Janice, the food director. Janice said that she usually does not buy a lot of fruit because a lot of them have gone a long time without being eaten by the students. For Transportation, there are no concerns.
6. For Budget, there is one concern. One coach wanted to know an exact amount of money each team could spend.
7. For other ?s, there is one concern. One coach feels that school needs to pay for First Aid/CPR certification for all coaches since the school pays for Medical Symposium and KCEP. The AD feels that the coaches need to pay for First Aid/CPR themselves. The committee members agreed to it.
8. For any suggestions for improvement – Only three coaches replied back. One coach wanted to see games schedule to be more fair and competitive for our girls and boys team. The AD explained that he already wrote a letter to KHSAA asking for a waiver of Article VIII for KSD for the school year of 2010-11 and beyond. One coach wanted to see supper to begin at 6 pm. This would allow practice from 4:15 to 6:00 pm. One coach stated that this was a great year!

→ We discussed about doing the Student Survey coming up this Friday. Lisa Kingsley and AD will do the MS group (8<sup>th</sup> graders only) in the morning. Stu Harper, Daniel Morgan and Neil Carrington will do the HS group (9<sup>th</sup> to 11<sup>th</sup> graders) at the noon during the HS meeting. When all is done, the surveys need to be handed to Scott Johnson for the summarized report – T-63 form. He will report the result at the meeting on Tuesday, March 16<sup>th</sup>. The AD reminded them that we must have more than 80% of the surveys back from the students.

We agreed that final meeting will be on Tuesday, March 16, 2010 at 4:00 pm in the Green and White room.

Thank you in advance for serving on this important committee.

RE: KSD Title IX Committee March 16th Meeting Minutes

CC: Rodney Buis, Principal  
 Bill Melton, Campus Manager

The meeting was started at 4:15 pm.

Items for discussion: 1) Student Survey Result – Scott Johnson and 2) Corrective Action Plan

- 1) Students Athletics Interest Surveys: The percentage of total surveys returned from 8<sup>th</sup> graders is 100% while for 9<sup>th</sup> to 11<sup>th</sup> graders, it is 82%. Total number of surveys were given out was 46. 40 surveys were handed in. 40 out of 46 is 86.9%.

For Fall Sports, There were 9 boys signed up for football while 6 boys signed up for soccer. 12 girls signed up for volleyball. We concluded that we will stay with the soccer program for the boys and volleyball program for the girls.

For Winter Sports, 9 boys signed up for basketball while 8 girls signed up for basketball. We also concluded that we will stay with the basketball program for both boys and girls.

For Spring Sports, we concluded that we will stay with Track since we don't have any facilities for baseball, softball and tennis.

**We decided that we will stay with the programs we currently have at KSD.**

- 2) Corrective Action Plan: We will follow up on the last year's corrective action plan of purchasing the video camera and digital camera for Athletic Department. There is no corrective action plan for next year. However, we need to follow the uniforms replacement chart as we need to purchase 3 new different uniforms for each sport – Boys basketball, Boys Soccer and Girls Volleyball teams.

ACCOMMODATION OF INTERESTS AND ABILITIES  
SUMMARY PROGRAM CHART (Form T-1)

Participation Opportunities: Test One - Proportionality

		(Column 1)	(Column 2)	(Column 3)	(Column 4)
	Program	Enrollment	Percentage of Total Enrollment	Number of Interscholastic Participants (double and triple count)	Percentage of Total Participation
Row 1	GIRLS	20	37	55	47
Row 2	BOYS	34	63	62	53
Row 3	Totals	54	100%	117	100%

Instructions:

\*Number of 8<sup>th</sup> grade students & below used in Column 3 and Column 4 calculations: 6

- Determine the total number of girls enrolled, (place in Row 1, Column 1). Determine the total number of boys enrolled, (place in Row 2, Column 1).
- Add the total number of girls and boys enrolled to determine total enrollment, (place in Row 3, Column 1).
- Calculate the percentage of total enrollment that is female. (Divide Row 1, Column 1 by Row 3, Column 1 and place in Row 1, Column 2.) Calculate the percentage of total enrollment that is male. (Divide Row 2, Column 1 by Row 3, Column 1 and place in Row 2, Column 2.) Note: Row 1, Column 2 plus Row 2, Column 2 should total 100%.
- Ask coaches to confirm the names of those individuals who are on the team as of the first **date of regular season competition**, and cross out the names of those who were cut from the team or quit the team prior to the first regular season competitive event. Determine the total number of interscholastic athletics participants that are girls, (and place in Row 1, Column 3). In order to determine the total number of athletics participants, an individual should be counted each time he or she participates on a team. For example, if Jane Doe competes on the varsity volleyball team, the junior varsity volleyball team, the junior varsity basketball team, and the varsity softball team, she should be counted as four participants (**do not include club or intramural sports participants, cheerleaders, dance teams, or pom squads**). Calculate the same way for boys and girls. \* In addition, should 8<sup>th</sup> grade students and below play on a Freshman, Junior Varsity, or Varsity team, they should also be counted for each team and sport on which they participate. If applicable, please asterisk in the above notation as to how many 8<sup>th</sup> grade students & below are included in the totals.  
Using the same procedure, determine the total number of interscholastic athletic participants that are boys, (and place in Row 2, Column 3). Add Row 1, Column 3 plus Row 2, Column 3 to get total participants and place in Row 3, Column 3.
- Calculate the percentage of female participation. (Row 1, Column 3 divided by Row 3, Column 3 and place in Row 1, Column 4.) Calculate the percentage of male participation. (Row 2, Column 3 divided by Row 3, Column 3 and place in Row 2, Column 4.) Note: Row 1, Column 4 plus Row 2, Column 4 should total 100%.

Note: While being within three percent is not a formal compliance standard, if the percent listed in Row 1, Column 4 is within 3% of Row 1, Column 2, then it provides a good target within which compliance is likely.

For boys, total Rows 5, 6, and 7 into Row 8.
- 5) For Column 5, calculate the percentage of participants that have been added in the last five years. For girls, take the number in Column 4, Row 4 and divide by the number in Column 2, Row 4. For boys, take the number in Column 4, Row 8 and divide it by the number in Column 2, Row 8.
- 6) **Note: If the percentage of current participants added in the last five years is 25% or greater for the underrepresented sex (most likely girls), compliance with Test Two may be possible. If less than 25%, then compliance with Test Three should be analyzed. CAUTION: 25% is not a formal compliance standard.**
