## **Coach's Comments**

Your team's accomplishment of advancing to the State Tournament:

This team set a goal before the year of returning to the state tournament. They played an extremely tough schedule to prepare them for the District and Regional Tournament and it paid off for them. They're a great group of young ladies and it's been a pleasure to have had the opportunity to coach them.

What are keys to your team's success in winning the tournament:

We have to play as a team both offensively and defensively. We have to do the little things such as moving runners and getting timely hits offensively and we've got to limit the oppositions out to 21. We can't afford to give teams extra outs. It's important to stay focused the entire game and be able to handle playing multiple games in a day that require peak concentration.
