## **Coach's Comments**

Your team's accomplishment of advancing to the State Tournament:

After a 3 year period of watching cross-town rival South Laurel earn their bid, this year was very special. In addition, coming home and being chosen to take over the North Laurel program has been such a pleasure and honor at the same time. I believe the only thing that got us here was our regular season schedule littered with top ranked programs both in and out of state. We believed in that what doesn't kill you will make you stronger!

## **Coach's Comments**

What are keys to your team's success in winning the tournament:

Like everyone else, we have to make the routine plays defensively and not give up unearned runs to stay here. On the mound, I feel good about each of our pitchers as they have all thrown against great competition this year. We must keep Abby fresh if we have a chance on Saturday though. Offensively, we need to continue to execute our plays and aggressive style. That is what got us here.
