Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

To win the seventh region in back to back years is a testament to the hard work that the girls put in. Our region is one of the toughest to get out of in the state and we are extremely proud to be representing the 7th region. This is the culmination of a lot of hard work, dedication, and pride. I couldn't be prouder of a group of young ladies for the way they have come together in the post season

Coach's Comments

What are keys to your team's success in winning the tournament:

We want to focus on each game one at a time. The field is so strong that if you try to look ahead, you'll get beat. It's important that we get timely hitting when runners are in scoring position and the backbone of our team has been strong pitching and defense. The team that wins the tournament will have given themselves a chance to catch a break and will have taken advantage of their opportunities.
