## **Coach's Comments**

Your team's accomplishment of advancing to the State Tournament:

These young ladies have been sacrificing and working to achieve what this weekend brings since February 15. We had played a tough regular season schedule in preparation for the athletes to achieve their ultimate goal. Last year, state was a dream, this year, it's a hard challenge. We always say "Whatever It Takes". Several months ago, we set a goal to improve our game just 1% each day. Now 96 days later, we feel as though we are that much stronger than we were when we starter...all by improving just 1% a day. Thats the challenge.

## **Coach's Comments**

What are keys to your team's success in winning the tournament:

The key component to winning this tournament is remaining relaxed and focused to execute OUR game. With those two things in mind, everything else will take care of itself.
