Your team's accomplishment of advancing to the State Tournament:

The 7th Region is always a tough region to get out of. We are extremely proud to represent our region and we look forward to testing ourselves against the top teams in the state.

Coach's Comments

What are keys to your team's success in winning the tournament:

Each individual player has to prepare for their opportunity to contribute. For us to have a shot at winning the state, each and every player has to prepare themselves for the time when they have to do their job. We can only win this tournament as a team.
