Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

We feel very proud to represent the 7th region this weekend. It's always a battle to come out of the region and the girls have been extremely focused on returning to State Tournament after getting their first experience last year. We've challenged ourselves with an incredibly difficult schedule and we hope it will serve us well this weekend. The success we've had is a testament to the character and toughness of my players. They are a wonderful group of young ladies.

Coach's Comments

What are keys to your team's success in winning the tournament:

To make a deep run in the tournament you have to have solid pitching. We have been fortunate to have a lot of success in the circle this year with our pitching staff. We go three deep and are confident that all three young ladies can succeed. We like to play aggressive on the bases and give our power hitters an opportunity to drive in runs. Defense has been an area of strength for us. In the end, most of the close games will come down to who keeps calm in important situations and lets their natural instincts take over. If we are able to play loose and relaxed, we feel like we should have an opportunity in every game. Someone just has to step up and get a big hit for us.
