Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

This team is a team that refused to lose in postseason play, regardless what anybody else would tell them or the preseason polls said! We were picked 3rd in our district and 5th in our region but it didn't matter to these young ladies. Heart and senior leadership made sure we would advance to the state tournament.

Coach's Comments

What are keys to your team's success in winning the tournament:

The best part about our team is the way we play defense. It all starts with us making plays and then hitting and aggressive base running carries over. With a Frosh pitcher in Courtney Miles, we must back her for 21 outs. Senior catcher Erin Carrus completes the battery with Miles. Our Senior third baseman Megan Terrell and shortstop Madison Norton hold the left side of the infield down while sophomore Claire Brandenburg and Senior Emily Harrison complete the infield on the right side. Our outfield will run balls down with speed. Centerfielder Sydney Anderson runs the show and Junior Caitlin Spencer and Frosh Lauren Carpenter help fill in the gaps. We have a Sophomore DP in Whitney Walker that steadies the 3 hole in our offense. We just hope to continue playing good defense and let our offense come to us with timely hits. Looking forward to the state tournament and the experience these underclassman get, since all of our Seniors have been here before and I'm hoping they guide the younger ones in the right direction.
