- The KHSAA will take whatever action is necessary including fining the particular school and assessing the cost for cleanup to those schools leaving the locker room in unsatisfactory condition.

It may be that your coaches would prefer to contact one of the football schools in Warren County (Bowling Green, Greenwood, Warren Central, Warren East), and arrange for dressing at their school before coming down to the stadium.

Locker room assignments will be made upon arrival. Teams in the middle game (2A and 4A) each day, there will be accommodations at the Preston Center (across the street from the stadium) for dressing at the stadium to help with the situation of the early teams taking a while to clear out of the dressing rooms.

#### PRE-GAME INTRODUCTIONS

- For the introductions, you will enter from the end zone closest to your locker room, and the head coach and players will run up the middle of the field and then join the rest of the team.
- This should go very fast and will begin 5:00 prior to kickoff (at 0:00 on the countdown clock)

- All full-length time-outs (media or team) will be 1:00, regardless of the team's readiness to play.

#### POST GAME

- The coaches will be introduced during warm-ups to KHSAA representatives who will come and find the coach after the game and direct you back to the sideline area after a few minutes for the natural post-game celebrations, etc. This should be done immediately following the game.

- All post game interviews will be conducted on the playing field after the trophy presentation.
- Media interviews will be conducted near the sidelines during the trophy presentation. BOTH teams are expected to return to the sidelines after a short celebration period.

#### OFFICIAL STATS

- The KHSAA provides official statistics for the games.
- Due to space constraints, there is no space provided for team statisticians in the press box.
- All official stats will be available live on the KHSAA web site and a final box score will be posted following the game.

#### TRAINERS/DOCTORS AND EMERGENCY TREATMENT

- Information from Western Kentucky Orthopedic and NeuroSurgical Associations, led by Athletic Trainer Mike Carby and the ProRehab Athletic Training staff, who will be providing the sports medicine services for this year's final games, is located on the KHSAA website. - Each team is also entitled to have its own team doctor available and an ambulance will be furnished. Please feel free to utilize these important services, which are fully described in an additional letter.
- Should emergency medical treatment be necessary, the injured person(s) will be transported to Greenview Regional Hospital, 1801 Ashley Circle, Bowling Green, KY, (270) 793-1000.
- The member school administration is responsible for ensuring that the parental permission to seek medical treatment is authorized from each participant. - **By rule, the band is not to play or cheers be given when the ball is live and particularly when the opposing team has the ball.**
- Drums, cymbals, bells and mechanical noisemakers shall not be used to assist cheering.
- Band performances will be limited to six (6) minutes each if both bands desire to play and all band performances shall be from the stands.
- The home team shall have the right to perform first if both bands desire to play.
- No band performances will be allowed on the field.

#### KHSAA MEDIA, INTELLECTUAL PROPERTY AND VIDEOTAPE REGULATIONS

- The intellectual property, corporate, broadcasting and media rights to all State championship rounds of the KHSAA postseason championships belong exclusively to the KHSAA, including titling agreements and sponsorships. No member school may approve or sign an agreement that includes rights to state contests (delayed or live). The Commissioner is the manager of all State Championship play.
- The intellectual property, corporate, broadcasting and media rights to the postseason rounds prior to the state finals belong exclusively to the KHSAA, including titling agreements and sponsorships. No member school can sign an exclusive agreement for a postseason round (District, Region, Sub-Section, Section) without agreement between the schools and approval of the KHSAA Office. The Commissioner is the manager of all rounds of other championship play, but in accordance with adopted Competition Rules, may designate a manager to assist at the local level.
- The rights to regular season competition between involving schools of the KHSAA belong to the KHSAA. Such rights shall, in the normal course of business, be assigned to the Principal of the member school for management. No

member school shall sign an exclusive regular season agreement that would preclude its opponent from any audio, video streaming.

- At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA. In general, the management of those rights may be assigned to the manager at the host KHSAA member school for the district, regional and sectional (semi-state) competition.
- At all levels of competition, including district, regional, sectional, and state competition in KHSAA sponsored tournaments and meets, managers are encouraged to make allowances for members of the television media to tape the contests at no charge to the media outlet, as long as the taping is for the sole purpose of newscast highlights.
- Cable companies and other outlets desiring to tape the contest for delayed rebroadcast shall receive the permission of the event manager, and the manager has the right to set and collect any fee which may be deemed appropriate as an offset to any perceived lost ticket revenue.
- At the state level, all negotiations for rights to a delayed broadcast, as well as any live telecast, shall be initiated with the Communications Director and Assistant Commissioner, and shall be approved by the Commissioner of the KHSAA.

#### MEDIA/SCHOOL VIDEOTAPING/FILM

- Press, radio and TV representative's passes will be made available upon request by having the outlets contact the KHSAA in advance. If you have media covering your team, they should contact Communications Director Joe Angolia at the KHSAA or request credentials directly through [credentials.khsaa.org](http://credentials.khsaa.org) not later than Wednesday of the championship week. The credential request system is exclusively online and KHSAA staff can facilitate any issues.
- There shall be no other video taping of any football playoff final, other than by KHSAA designees (including the approved coaching tape) and outlets or by persons whose entire taping unit can be contained within their seat and present no obstruction to other spectators. (No tripod, external power sources, or use of the Houchens/L.T. Smith Stadium power sources).

#### FAN BEHAVIOR AND ACTIONS

- Each school is expected to identify a maximum of four field level administrators to assist in ensuring that fans do not come onto the playing field.
- No one is to come on the playing field without being in uniform or wearing a FIELD LEVEL pass. Fans are to stay in the stands before, during and after the game.
- Please make several announcements to this effect to the student body during the week before the game.
- Please make certain you inform your student body that the school will be financially liable for damage to any part of the stadium.
- Please note that all fans entering the stadium are subject to the search of any personal belongings including purses, bags, carry-alls, back packs, etc. The KHSAA reserves the right to confiscate anything of a suspicious nature to be returned to the parties (provided the items are legal) following the contest.
- Schools will be penalized to the fullest extent of KHSAA Bylaw 33 as a violation of Bylaw 11 for violations of these provisions.

#### UMBRELLAS

- Umbrellas are not allowed to be opened during play due to obstruction of line of sight for fans and for the safety of patrons.
- Should inclement weather be present, the concourses are constructed to accommodate most of the entirety of the crowd.

#### SIGNS, BANNERS, NOISEMAKERS, LASER LIGHTS

- No posters or signs of any kind may be permitted to be adhered (with glue or other adhesive material) by any official or unofficial school representative to any permanent surface of the stadium.
- Signs MAY be attached to the railing of the stadium as long as such is done with easily removable string, tape or rope and the sign doesn't obstruct any corporate partner or sponsor signage, and as long as the content restrictions are observed.
- Signage may not obstruct the view of any patron.
- No signage posted on behalf of a school may contain derogatory language or sayings or contain the name of the opponent or any of its players. The parties posting the signs are responsible for their removal. Any clean up charges necessary to remove pep signage will be deducted from the team's travel allowance.
- Only the official traveling party of the team can be on the field for introductions.
- No large field level objects including oversized mascots which obstruct or could obstruct the view of any fan, participant or media representative are allowed.

- Please make certain all pep, spirit and support organizations are aware of these rules through written and public address communication.
- It is against Bowling Green City Ordinances to shine any form of laser light on another person or in that person's eyes and such will be confiscated if used.
- No electronic amplification equipment will be allowed in the stadium (except band instruments used in conjunction with the official high school band and its performance), nor any other electronic, mechanical or semi-mechanical noisemaker. This includes stereos, speakers, cannons, electronic horns, tanks, etc. In addition, this year has seen an increase in horns, sirens, train whistles, etc. The Association is bearing the expense of celebratory noise makers and fireworks to be used equally for both teams to ensure a neutral crowd, and all others will not be permitted. These items will be confiscate upon detection.
- No recorded music or other type of reproduction subject to copyright restrictions will be permitted.
