TO ALL FOOTBALL COACHES AND SUPPORT PERSONNEL

After Consulting with my doctors and family
I have decided I should resign as coach
of the Thoroughbreds.

I face an extended period of cardiac
rehab to regain my strength. In talking
to others who have had similar surgery
they informed me it would take six
months to a year.

I don't think this would be fair
to the young men in our program. Thank you
for the service you have given to our program.
MR Noll assured me he would be talking to you
in the near future

Thanks Again,
Bob Schneider
