To the Dawahares/KHSAA Hall of Fame Committee:

I am writing to you to place Coach Randy Reese in nomination for the Dawahares/KHSAA Hall of Fame Award for the class of 2011. We were very fortunate to have had Coach Reese as our Head Football Coach at Paris High School from 1979 to 1986. When you mention Paris High School, people remember Blanton Collier, Bill Arnsperger, Harry Lancaster, Dick Butler, Dude Hennessey, Homer Goins and Randy Reese as men who were the foundation of our school and its athletic tradition.

Randy Reese won his first Class A State football championship at Ludlow High School in 1975. At that time he was the youngest coach to win a State Championship and was also named Class A Coach of the Year. After coaching three years at Ludlow, Coach Reese moved on to Paris High School where he coached from 1979 to 1986. During this time Coach Reese was one of the most successful coaches in the state of Kentucky as he won two Class A State football championships in 1981 and 1982. He also guided the Greyhounds to a state runner-up in 1984. The Paris High School football program was one of the most respected and feared in the state as they won 38 consecutive games in a row, the longest winning streak in Kentucky at that time. The Greyhounds only lost six games in a six year span which is quite an accomplishment for a Class A school. Coach Reese also served as Athletic Director for PHS.

After leaving Paris, Coach Reese was hired at Henderson County High School where he won five District championships and was rated as one of the top teams in the state every year at Henderson County. In 1995 Coach Reese became the Head Football Coach at Warren East High School where he led them to several state playoffs. In 1995 Coach Reese returned to Paris High School to rebuild the football program. He took over a once proud program and returned it to respectability winning a District championship in 2002. He also was Principal of the Paris Middle School for several years before retiring in 2003.

Randy Reese has received many honors as a coach and as a person. To me his greatest assets are his faith and his love for the game of football and what it can do for young people. He was a coach who enjoyed working with kids and taking them and making them honorable young men. He taught the game of football as it should be taught. He placed many players in college. He always gave of his time and effort to help a young man in need. He taught his players how to compete and that the good morals of faith, character and sportsmanship would help them in life. He was a leader in the community of Paris Kentucky.

Coach Randy Reese is one of the most respected high school football coaches in the state of Kentucky. His hard work, his character and his success are what make him a great candidate for this award. I have enclosed letters, from former players, coaches, Superintendent of Paris High School, former NFL Coach Bill Arnsparger. I have also sent some clippings from our school. We feel that Coach Randy Reese should be elected to the Dawahares/KHSAA Hall of Fame that honors so many great people. Paris High School will always be grateful to Coach Randy Reese. This is why we would appreciate your consideration for him to be a member of the 2011 Dawahares/KHSAA Hall of Fame 2011 class. Please feel free to contact me if I can be of any further help in this matter. Thank you for your consideration.

Sincerely,

Cary Barr

To Whom It May Concern:

It is my pleasure to recommend that Randy Reese be inducted into the Dawahares/KHSAA Hall of Fame. Coach Reese taught at Paris High School and was Head Football Coach from 1979-1987 and again Head Football Coach from 1998-2003 while he served as Head Teacher at Paris Middle School.

During Coach Reese's early tenure at Paris High School, he led the Greyhounds to two (2) state football championships and enjoyed a 38 game winning streak, the longest winning streak in the state at that time. Mr. Reese was an excellent teacher, administrator and coach. His leadership both on and off the field insured that Paris High School student athletes developed character and pride that carried many beyond high school to successful lives.

I believe Randy Reese should be in the KHSAA Hall of Fame. He has left an indelible mark on Paris High School athletics and we are proud to include him as one who contributed greatly to our tradition of excellence.

Should you have any questions or need further information, please feel free to contact me.

To Whom It may Concern:

I am writing on behalf of former Paris High School football coach Randy Reese. I got to personally know Coach Reese when he started coaching at Paris High School in Paris Kentucky. Randy Reese is a champion football coach who was a very highly successful High School football coach. I have followed Coach Reese's coaching career even when he left Paris High School to coach at other schools. I know him to be a very deserving person for you Hall of Fame Award.

Randy is also a true gentleman and he knows the game of football and taught it well to his players. He is a man of high moral conviction that prepared his players for the future after football. I would like to recommend Randy Reese for your Dawahares/KHSAA Fall of Fame Award.

In appreciation,

FIND A WAY TO WIN

October 2, 2009

Dear Hall of Fame Committee:

It is an honor for me to write a letter in support of Coach Randy Reese to be inducted into the Dawahares' KHSAA Hall of Fame.

Coach Reese has been a mentor and a role model for me both as a coach and as a man. Over 20 years ago, I was a young assistant coach at Mercer County HS. At that time we were in the same district with one of the all time elite football programs in the state, the Paris Greyhounds coached by Randy Reese.

As the rookie on our staff, I was usually the one to scout the Greyhounds. Their teams were great. The atmosphere at those games was incredible. The program that Randy Reese built at Paris from the late 1970's through the mid 80's was one of the best that our state has ever seen. The program was so impressive that I wanted to become a Paris Greyhound and was blessed to have the opportunity to coach and teach there for eight years.

I was also fortunate to meet Coach Reese through the Fellowship of Christian Athletes. Coach Reese was a great role model and inspiration to so many through FCA. Since meeting Coach Reese back in the early 80's, he has always been there for me as a friend, mentor, and coach that I could look up to as a guide for what I wanted to become.

In typical Coach Reese fashion, he returned to Paris in the late 90's and lead the program to success that had not taken place there since the 94 season. He was always dedicated to the kids and restored the program to one the kids, school, and community could take Pride!

It is common knowledge that Coach Reese won 3 state titles at two different schools and won a boatload of football games as a head coach. What makes him special is his character and what he meant to young people.

I cannot imagine a person more worthy of being inducted into the Dawahares' KHSAA Hall of Fame.

Sincerely,

David Buchanan

To whom it may concern,

Randy Reese was one of the most successful high school football coaches in Kentucky through three decades.

His Ludlow team won a state championship in the 70's, and two of his Paris teams were state champions in the 80's.

His Henderson County, and Warren East teams were also very successful.

Randy's Paris teams were on the nation's longest winning streak at one point in the mid 80's.

He was considered by his peers as a true gentleman that coached extremely proficient, precision offenses, and aggressive defenses.

We played against Randy's Paris teams at Harrison County from 1983 through 1986 until he left Paris to coach at Henderson County High School. Randy coached several outstanding teams, and players at Henderson County, before heading up the program at Warren East. Randy coached Warren East to several successful seasons, and once again had a high powered offense that featured the leading rusher in the state. Randy proved his offensive mind at every school he coached. He adapted, and stayed ahead of the defenses.

Randy was the type of coach, and person that any parent would want coaching their son. I never saw Randy in a negative light. He represents all that is good in this great sport, and in the field of education.

I am honored to recommend Randy Reese as an inductee to the KHSAA Hall of Fame.

Sincerely,

Coach Ray Graham

Assistant Head Football Coach

To Dahwahare's KHSAA Hall of Fame Committee:

I'm recommending Coach Randy Reese for the Dahwahare's KHSAA Hall of Fame. What Coach Reese did while at Paris High School was simply amazing. I was fortunate enough to be entering high school when Coach Reese was hired as Paris High School Head Football Coach. My last two years of high school, we won two state championships, going 27-0. Coach Reese not only taught me how to be a good football player but how to be a man through hard work and preparation. A big part of my success today is because of the foundation that was set while playing for Coach Reese.

Coach Reese taught us to believe in ourselves and our teammates. If someone made a mistake, you were there to help them out and pick them up because you knew if you made a mistake they were going to be there for you. We were taught to never give up, play every play like it was your last play and when you walk off the field at the end of the game to turn around and look at the field and ask yourself, "Did I leave it all on the field?"

I was able to get a football scholarship to Murray State University and play for Frank Beamer, the current head football coach for Virginia Tech, whom some consider to be one of the best head football coaches at the college level. What Coach Beamer taught and coached was the same that Coach Reese taught and coached: how to get you to give all you got and then give some more and never accept anything but your best. And, that was what Coach Randy Reese was. The BEST.

Sincerely,

James Clark

Dear Sir or Madam;

This letter is to recommend Coach Randy Reese for the Dawahares KHSAA Hall of Fame. My relationship with Coach Reese began in the early 1980's in middle school football. Had it not been for him, I most certainly would have not played high school football and would not have formed many of the bonds and friendships I still have today. Not only this, but Coach Reese was a great teacher of the game of football and also the game of life. His Christian values are 2nd to none and he was very instrumental in getting me and a lot of my fellow players involved in the Fellowship of Christian Athletes.

All this being said, his coaching record speaks for itself. He won several state championships at Paris. He coached a team that had the longest winning streak in KY High School football at that time. He routinely had 60+ players come out for football in a school of less than 300 students. I know that I am one of many that cherish the times we spent with Coach Reese and he would make a great addition to the prestigious Dawahares's KHSAA Hall of Fame.

Regards,

Chuck Redwine

(State Play-Off Game)

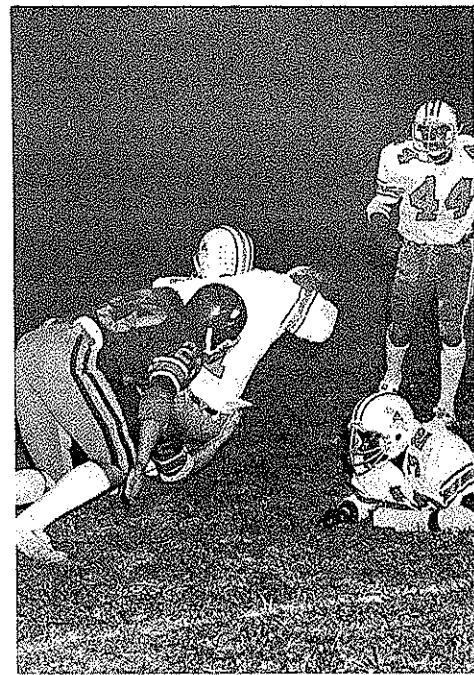

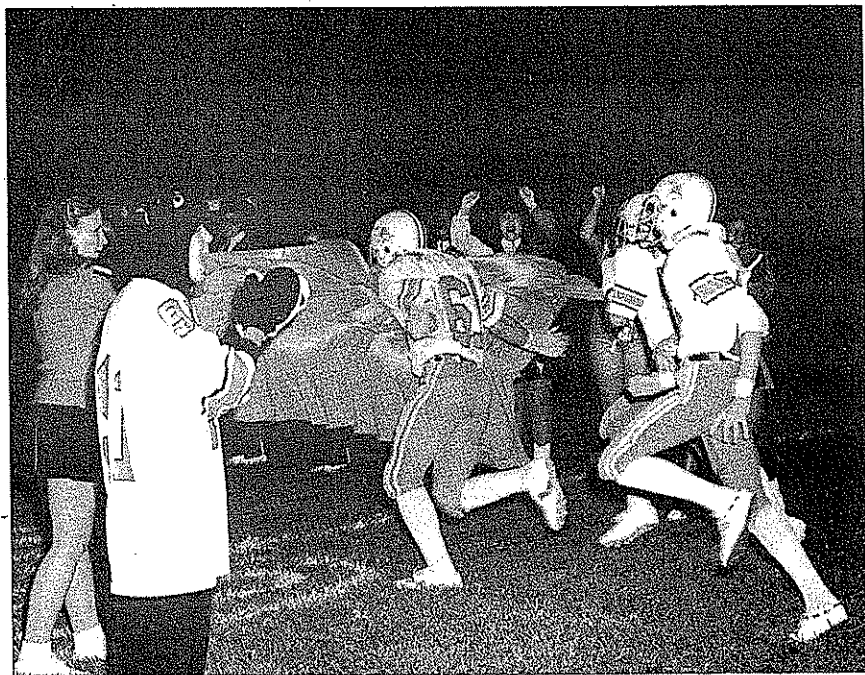

District Title Back Where It Belongs

The Paris Greyhounds football team had a successful season this year. During the 1980 season, the Hounds won 6 games and lost 6, had a four game winning streak, won their first District Title since 1974, and went undefeated in CKC play at 4-0. The Hounds had a tough schedule this year playing four teams that were at one point ranked No. 1 in Class A and two teams ranked as high as No. 2 in the state. The Hounds also played two 3-A schools.

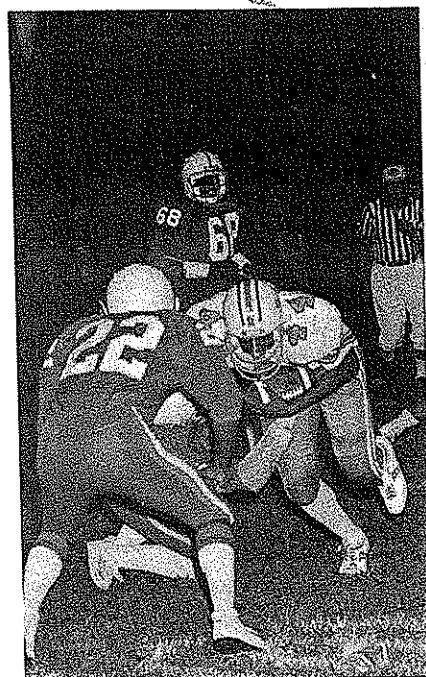

Paris did manage some glory moments during the year. The team's great comeback against Harrodsburg to win 22-20 and their almost upset of Paintsville (ranked then No. 1) are just two of the high points. Paris managed a big win over No. 2 Berea and a beautiful victory over always powerful Richmond Madison. The individual highlights of this 1980 season were Timmy Dale's 204 yards rushing against Nicholas County and Dwayne Duncan's fumble recovery against Bourbon County.

Left: LET'S GET FIRED UP! Team spirit is running high as the Greyhounds come on to the field. Right: HERE, YOU TAKE IT! Gary's trying to get rid of the ball to Timmy for some possible extra yardage.

PILE UP! It looks like we're trying to run the ball. It also looks like the opposing team is doing a good job of keeping us from it. Oh well, we'll blow their defense out of there next time.

CLEAR THE WAY, FELLOWS! James Clark is hoping his blockers can give him room to run for the first down or even more. What's a runner without blockers?

Captures State Title

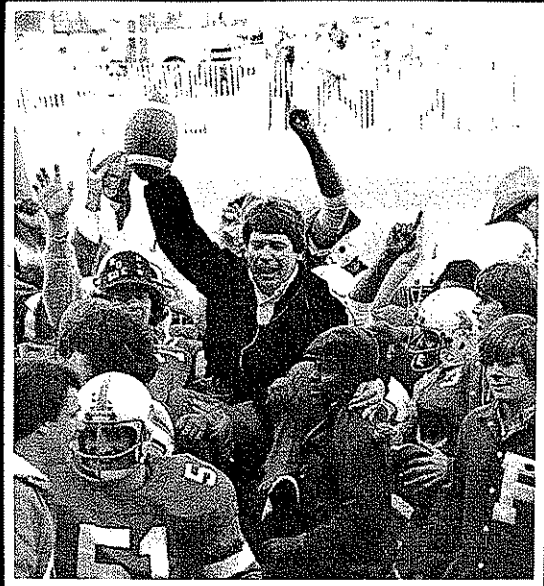

Hounds Reach Championship; Bring Home Title

The Greyhounds adopted the name Pride of '81 this season and that is exactly what they brought to Paris High School.

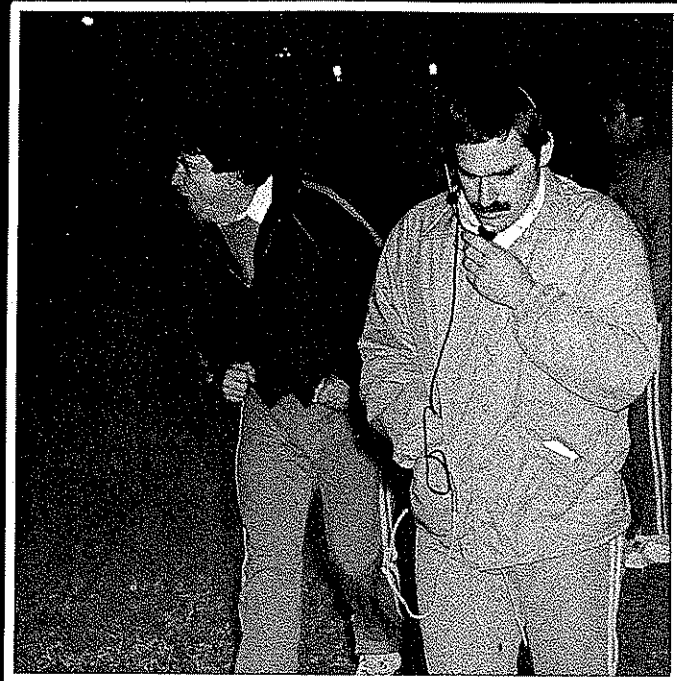

The Hounds went undefeated and secured the state title for the first time since 1973. Paris is the only high school ever to win the state championship and go undefeated in the same season.

The Hounds got the season off to a good start by defeating Owen Co. 27-6, this is the same team that beat us in '80 in the state playoffs. As the season progressed, the Hounds crushed the arch rival Colonels by an astounding score of 34-7. Dedicated spirit and continuous optimism led the Hounds to a 'dream come true' victory over Bellevue by a score of 19-7 to become the 1981 state champs.

Season Record
11-1

Junior quarterback, Bo Henry guided the Greyhounds to 3801 total yards offense.

The 1983-Greyhounds burst onto the scene, rambling off eleven straight victories.

Senior Mike Chumbley gets some instructions from Coach Randy Reese.

Greyhounds Set All-Time Record At 38 In A Row

The 1983 football season was another in a line of successful campaigns that date back to the roots of Kentucky High School football. However, history took a significant turn as a 50 year old record fell when the Greyhounds won their 36th consecutive game and established the all-time record at 38.

This team picked by many to be a rebuilding team, finished this season ranked Number 1, unusual only in that it represented the third time in as many years that number one belonged to the Hounds. A fourth consecutive District championship and an unprecedented third consecutive Regional championship highlighted the accomplishments of this very intense group of young men.

Nevertheless, these fetes represent only stepping stones to a future that will constantly be measured by the assumption of responsibilities earned by the hard work, perseverance, and dedication of the 1983 Greyhound Pride.

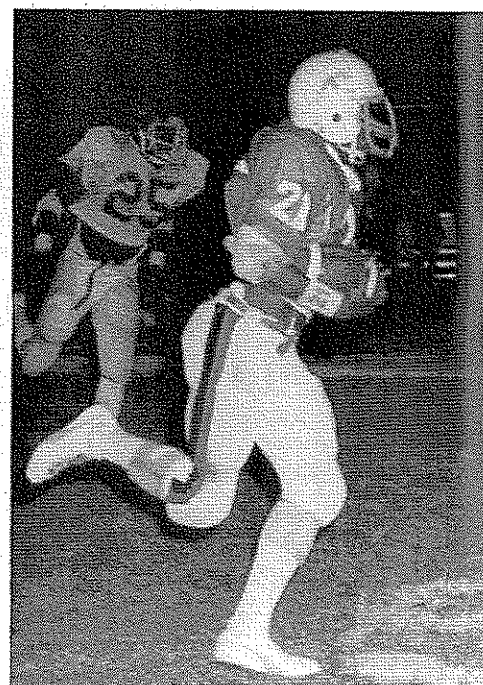

Banquet Honors Players

Greg Mack — Most Efficient Offensive Back
 John Hinkson — Most Efficient Defensive Back
 Marty Goins — Most Efficient Defensive Lineman
 Sammy Scott — Iron Man Award

Mike Chumbley — Most Efficient Offensive Lineman
 Herman Hutsell — Honorary Captain
 Tommy Skeen — Most Efficient Linebacker

LAST YEAR

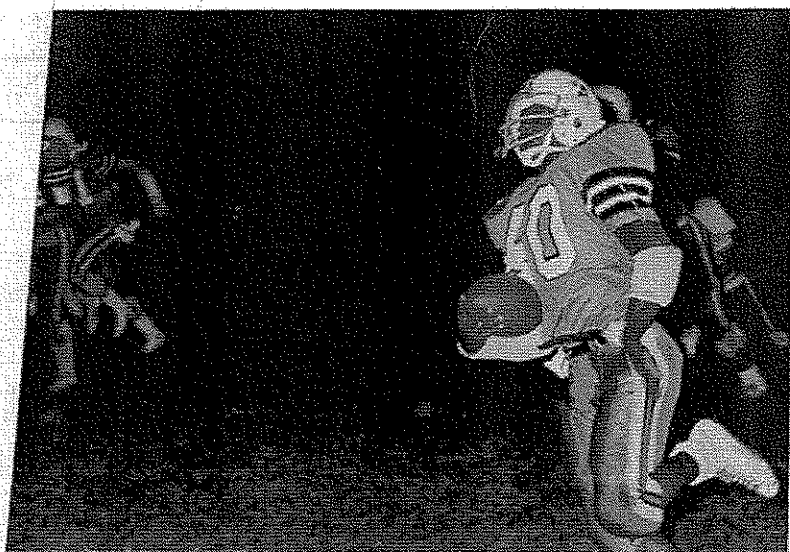

The season came upon us
But left to fast
The underclassmen have 1, 2 or 3 more years
This was the Seniors' last.

Never again will they wear the Greyhound uniform
Of orange, black, and white
Nor get to play for the Hounds
On a Friday night.

The gridiron days have ended for us
But we still have memories of the past
The underclassmen have 1, 2 or 3 more years
But I am a Senior and this was my last.

G. Harp

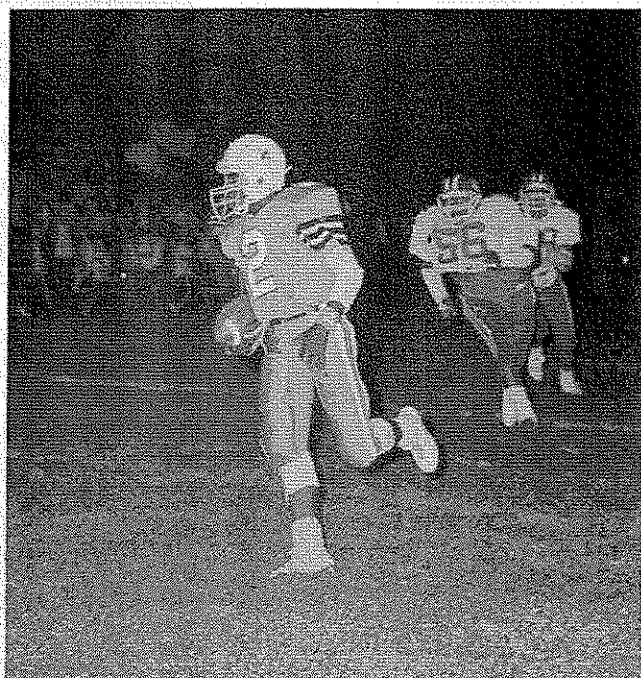

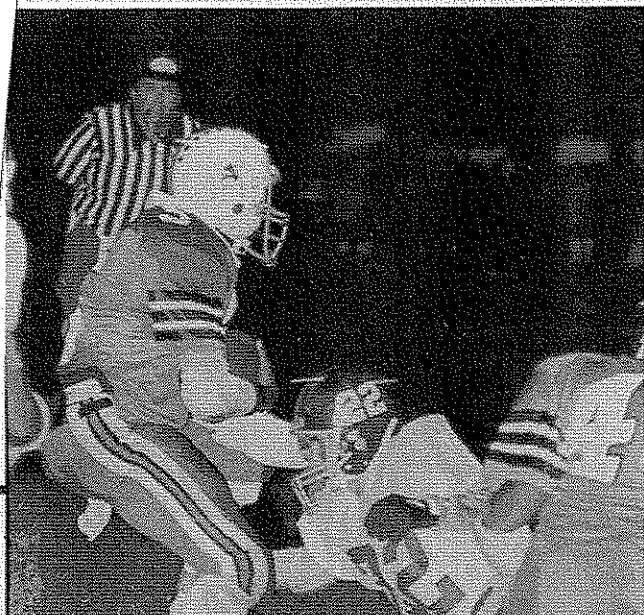

There goes Landrum with one of his 96 carries that earned him 614 yards rushing and this may have been one of his 5 TD runs while Chumbley and a host of Hounds help block the way.

Hounds Have Successful Season

The 1984 football season was a bitter-sweet one for the "Pride" of PHS. It was a year in which Coach Randy Reese and his Greyhounds lost the first game of the season since 1980, to AA power-house Mayfield. It was also a year in which the Hounds lost to cross-town rival Bourbon County for the first time in eight years. But this is only half the story of the 1984 Paris football squad.

1984 was also a year in which the Greyhounds brought home the district title for the fifth consecutive year and then won their fourth consecutive Regional title. It was a year in which the "Pride" received its revenge against the Russellville Panthers, by snapping their twenty-five game winning streak. Coach Reese and the Hounds went on to become runners-up in their third State Championship appearance in four years against the Beechwood Tigers.

Although they didn't bring home the State Title, the 1984 senior squad has no reason to be ashamed. They end their high school careers with a record of 49-4, and numerous other accomplishments. There is no doubt that the 1984 PHS football squad upheld the school's tradition of pride, sportsmanship, and competitiveness, and lived by the school's motto, "Semper Cum Superbia."

Marilyn,

Please accept these letters on behalf of Coach Randy Reese who I have already sent information for his nomination for the Dawahares/KHSAA Hall of Fame Award to you. These letters were late getting to me. I hope you can put this with the information that I sent last week. Please excuse the tardiness of these letters as I did inform these men that I had to get the information in by Nov. 1. Thanks for your help in this matter.

This is a letter of recommendation for Mr. Randy Reese to become a member of the Kentucky High School Athletic Association Hall of Fame. I have known Mr. Reese for some 30 years both as a friend and coaching colleague. Mr. Reese was known as not only an accomplished coach but more importantly, a role model for the many young men and women he came into contact with over his years in the coaching and teaching profession. His dedication and enthusiasm for his work was the focus of his work on a daily basis.

Mr. Reese was extremely dedicated to his family and consistently distinguished himself by being a loyal member of his school, church and community.

His coaching record speaks for itself. He was a professional in every way, worked diligently to improve himself and the programs in which he directed. I am proud to recommend Randy Reese to the KHSAA Hall of fame---I have always found his work and dedication to the kids he served to be exemplary.

To Whom It May Concern:

It is with honor that I recommend Coach Randy Reese as an inductee to the KHSAA Hall of Fame.

Randy and I worked together for 11 years at Paris High School. During that time, Randy brought positive recognition to our school and community through the football program and his successful coaching. He continued and built on to the strong traditions of success that make Paris a top-ranked school. Because of his many efforts, the community was brought together to support these traditions and the football program.

We had a mutually respectful and cooperative coaching and teaching relationship, especially during the time we shared Athletic Director responsibilities and duties-Coach Reese was AD during the basketball season, while I AD during the football season.

It is without reservation that I strongly recommend Randy Reese for this honor.

Respectfully,

Dear Sirs:

I was disappointed to see that my old high school coach, Randy Reese, was not qualified enough to be inducted into your Hall of Fame. Beyond the fact that this true Christian won 3 State Championships for 2 different teams in the State of Kentucky and has the record for the 5th highest consecutive wins to date, I don't believe on the field records even mirror the personal attributes of this gentle man.

I was a Senior at Ludlow High School during the 1975 KHSAA football season, and was fortunate enough to play under the tutelage of this great coach, as were many of my friends who I'm sure would echo my statements described herein. Ludlow is a small community in Northern Kentucky who had never had a large turnout for football, which also meant we always had less talent than other teams, that is until 1975. Mr. Reese brought an electric excitement to our school, and we were fortunate to have the largest turnout ever that summer of 1975. Young men who never knew they could play football were finding out they could. Those that could play were finding out they could play better. In my youth, coming from a broken home without a father present during my later teen years, Mr. Reese introduced me to the Christian Athletes philosophy. He took us to church on Sundays for Sunday mass. He was the father some of us never had. I believe we won the State Championship in Class A not necessarily for ourselves that year, but more for Coach Reese and the other coaches and our city.

I saw where Coach Reese was nominated STRONGLY in 2011 by a former player at Paris High School, and included many, many recommendations including even a former NFL Coach. I surely thought he would have been inducted. To my dismay, he hasn't been. MANY of his former players have gone on to be successful businessman, educators, and the like. But almost ALL of them have gone on to be Christians. I saw a film recently "Remember the Titans" where at the end, the head coach says to the assistant coach, "You're Hall of Fame in my book". Well, Randy Reese is Hall of Fame in OUR books, whether he ever makes it in to your books or not. If success were only predicated by won/loss records, I believe Coach Reese would qualify to be inducted into the Kentucky KHSAA...but given the magnitude of lives he changed/improved in his lifetime off the field, I believe the Kentucky High School Athletic Association should grant him the privilege of induction in the year forthcoming.

Thank you for your time in reading this letter.

Sincerely,
