A reserved press row seat for the entire tournament is not available to weekly media outlets. Four seats on press row will be marked "Weekly Papers". You may sit in these seats during your game, but to accommodate others, we ask that you return to the auxiliary seating third row of press tables following the game.

This team has been goal-oriented and its major goal is to win the State Championship. We are thrilled with our regional championship, but we feel we still have much work to do to achieve our ultimate goal - to win the State Championship."

"Obviously, our key player is Crystal Kelly. She is definitely one of the state's best. She controls both ends of the floor with her size and quickness."
