KHSAA PUBLIC/PRIVATE TASK FORCE UPDATE

The Kentucky High School Athletic Association Public/Private Task Force concluded its meeting Tuesday at the Crowne Plaza/Campbell House in Lexington. The committee discussed various items with Justice James E. Keller serving as facilitator of the meeting.

Three proposals will be presented and voted on by Task Force members, followed by a report to the KHSAA Board of Control. Two proposals deal with defining of a feeder pattern for entering grade nine students and the third with financial aid.

A status report of the Committee's work will be presented to the KHSAA Board of Control following voting and upon completion of the final report; information will be posted on the KHSAA website. KHSAA Commissioner Brigid DeVries will present details to the Kentucky Board of Education, scheduled for Feb. 1-2.

Upon final completion of the Task Force Committee's report by Judge Keller, the Association will release and post on the KHSAA website official wording in final report format.
