B.	<input checked="" type="checkbox"/>	Errors have been noted with respect to the following forms and corrected copies are being returned to you for placement in your Title IX file to ensure proper submission in the future. Form T-4 (see attached).
C.		The following forms were omitted and must be submitted by school representatives.
D.	<input checked="" type="checkbox"/>	Other Recommendation and Comments:
		It has been noted that a number of necessary improvements have taken place at Pleasure Ridge Park High School especially in upgrades to the softball field. It is recommended that school personnel continue to develop the best way to survey the student population in order to improve on the current response of 48% of the student population. While PRP offers a lot of sports opportunities for both boys and girls, the annual survey continues to reinforce that you are meeting the interests of your student population. It is also suggested that prime time play for girls basketball continue to be monitored. Its obvious that you are addressing inequities at PRP and you are to be commended for your hard work. Have a nice summer. Note: Please submit a progress report on weight room schedules by June 1, 2002.
