(Selection of Cheerleaders) On or before April 15, 2001, the school is requested to provide information to the KHSAA concerning the manner in which cheerleaders are selected for boys' and girls' teams. If cheerleaders are selected in such a way as to result in arguably better (i.e. "A" team vs. "B" team) cheerleaders performing at boys' events,

the school shall also submit a plan under which cheerleaders of equal ability shall perform at an equal number of boys' and girls' games in comparable sport (i.e., boys' varsity and girls' varsity basketball game).

**(Prime Time Contest/Girls' Basketball)** On or before **April 15, 2001**, the school is requested to provide information to the KHSAA concerning the number of "prime time" games scheduled (games to be played on Friday and/or Saturday nights) for its girls' varsity basketball team during the 2000/2001 season. To the extent that a fewer percentage of girls' games are played during prime times (when compared with the percentage of boys' games scheduled for prime times), the school shall advise the KHSAA of action it intends to take to immediately correct the difference.

**(Comments and Observations)** The school should continually scrutinize budgetary items and include documentation in the school file regarding this information. Example: The Budget/Expenditure for boys' basketball are greater than those listed for girls. Its important that any booster club funds continue to be included in these figures.
