The forty-eighth annual meeting of the Kentucky High School Athletic Association was held at the Kentucky Hotel, Louisville, on Thursday afternoon, April 8, 1965.

President Oran C. Teater called the meeting to order at 3:00. He introduced to the Delegate Assembly Preston Holland and Don R. Rawlings, recently re-elected to the Board of Control for a period of four years, beginning July 1, 1965, and representing Sections 1 and 6 respectively.

Prior to the roll call of delegates, the Commissioner at the request of President Teater read the following final sentence of Article IV, Section 2-b, of the K.H. S.A.A. Constitution: 'If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented.' He then proceeded with the roll call. Fifty-seven regularly elected delegates or alternates answered the roll call.

Attention, Principals!

More than 100 principals of K.H.S.A.A. member schools have not as yet filed requests this school year for their insurance subsidies. If the school is underwriting all or part of insurance protection for its athletes, the Board of Control will allow a maximum credit or refund of $40.00 to each school for “all sports except football,” and an additional credit or refund of $60.00 to each school maintaining a football team. Principals of schools which qualify for the credit or refund should write for reimbursement forms at once.

Fines for Late Reports

Principals of more than 200 schools had not filed their reports on basketball officials and/or their basketball participation (eligibility) lists for the 1964-65 season when this issue of the ATHLETE went to press. Some 700 basketball officials have not filed their reports on member schools. The Board of Control has established a fine of $5.00 for both schools and officials delinquent with their reports. A deadline of June 15 has been set for the filing of all reports required under association rules. Officials who have not worked any games should notify the K.H.S.A.A. office accordingly. Such notification is considered a report.

1964-65 ANNUAL REPORT (Presented to Delegate Assembly)

Three hundred ninety-five schools joined the Association during 1964-65. This is three less than the number of schools enrolled in 1963-64.

Financial reports filed by the sixteen regional basketball tournament managers show total receipts of $185,104.01. Receipts from the Sixty-four district basketball tournaments amounted to $248,711.02. Receipts from ticket sales at the State Basketball Tournament, including state tax, will approximate $188,000.00. Profit to the Association on the tournament will be close to $140,000.00. A complete record of all receipts and disbursements will appear in a subsequent issue of the Association magazine.

Thirteen hundred fifty-one basketball officials and 359 football officials registered with the Association in 1964-65. Ten football rules clinics were held under the direction of Edgar McNabb and one hundred thirty-two football officials took the National Federation examination for the higher ratings. Of this number, twenty-four were added to the Certified list, and there were fifty-eight officials on the Approved list. Charlie Vettiner, veteran trainer of officials, conducted fifteen basketball clinics, and held the School and Basketball Officials. Additional meetings and clinics were held by the regional representatives who continue to render a fine service to the officials and schools in their respective areas. One hundred twenty officials took the National Federation basketball examination, with eighteen being added to the Certified list and seventy receiving the Approved rating.

ANNUAL REPORT
(Continued from Page Two)

Three member schools have been suspended from the Association and two placed on probation during the current school year. All of the schools were considered guilty of violating K.H.S.A.A. By-Law 17, the Association’s Sportsmanship Rule.

All sports sponsored by the K.H.S.A.A. show an increase in number of participants. Although the consolidation of schools has decreased the number of schools maintaining football to 161 from 165 in 1963-64, the football playoffs, which started in 1959, are partly responsible for larger crowds which attend high school football games and for improved caliber of play. Comparing 1963-64 and 1964-65 schools by numbers respectively sponsoring teams in the various sports, the following figures are significant: Cross Country, 50-102; Wrestling, 10-17; Class A Boys’ Swimming, 11-19; Class A Girls’ Swimming, 6-15; Class B Boys’ Swimming, 10-13; Class B Girls’ Swimming, 13-17; Track, 195-216; Boys’ Golf, 105-119; Girls’ Golf, 6-31; Boys’ Tennis 59-69; Girls’ Tennis, 31-48.

As the statistical report given above indicates, girls’ golf is being sponsored on a Regional and State Tournament basis for the first time this year. Some seventy principals have indicated that, if the Association sets up in the spring of 1966 regional and state meets in Girls’ Track, their schools will enter teams in this sport. Gymnastics, on an interscholastic basis, is another activity to which the K.H.S.A.A. will be turning its attention in the very near future.

Forty-three member schools of the Kentucky High School Athletic Association have made contributions to the Nalsmith Memorial Basketball Hall of Fame at this time. Twenty-three of this number have made their suggested contributions of $100.00 each, or have made pledges for this amount. The National Hall of Fame Committee is now making a concerted effort to raise the remainder of the money necessary to construct the building, and the Kentucky High School Athletic Association has been asked to do its share in raising money for the project. Anything that members of this Delegate Assembly can do in their respective districts to assist the administrators and coaches in accepting and meeting the goal mentioned will be appreciated very much by the Commissioner and members of the Board of Control.

The program of the Kentucky High School Athletic Association is expanding. Your continued cooperation, assistance, and constructive criticism are solicited.

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, April 9, 1965. The meeting was called to order by President Oran C. Teater, with all Board members present: H. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Sherman Gish.

Foster J. Sanders moved, seconded by Ralph C. Dorsey, that the reading of the minutes of the March 1965 meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner gave a brief report on the state basketball tournament receipts and expenses. He stated that total ticket sales, as reported to the Delegate Assembly, would approximate $188,600.00, and that these receipts would be increased by radio and television fees, and by program profits, the figures for which were not known at the present time. Anticipated profits will be more than $140,000.00.

After a discussion of new contracts to be given the Commissioner and the Assistant Commissioner, Foster J. Sanders moved, seconded by Sherman Gish, that the contract of A. Sunford be re-elected the Commissioner of the K.H.S.A.A. for a four-year term beginning July 1, 1965, at an annual salary of $15,000.00; and that J. B. Mansfield be re-elected Assistant Commissioner of the K.H.S.A.A. for a four-year term beginning July 1, 1965, at an annual salary of $13,000.00. The motion was carried unanimously.

Don R. Rawlings moved, seconded by Sherman Gish, that the 1965 summer meeting of the Board of Control be held at Kentlake Hotel, Hardin, Kentucky, on July 30-31. The motion was carried unanimously.

Ralph C. Dorsey moved, seconded by Don Davis, that Morton Combs and Sherman Gish be named delegate and alternate respectively to the forthcoming summer meeting of the National Federation of State High School Athletic Associations. The motion was carried unanimously.

Upon recommendation of the Commissioner, Preston Holland moved, seconded by Foster J. Sanders, that the insurance subsidy for each Association member school for 1965-66 be a basic amount of $40.00, with an additional subsidy of $0.00 for each school maintaining football. The motion was carried unanimously.

The Commissioner and the Assistant Commissioner recommended the following changes in golf regulations:

**BOYS—State Qualifying**—The number of teams qualifying for the first round of the State Tournament will be determined by the number of teams competing in a regional tournament, as follows: One team from a region with six or less entries, two teams (12-16 entires), three teams (17 or more entries). Also qualifying will be the 10 players with the lowest scores; **Entries**—Eligible to enter the first round are teams and individuals, who qualified in regional tournaments. Eligible to enter the second round are the ten teams, and ten individuals regardless of their team scores with the lowest scores after the first round;

**GIRLS—State Qualifying**—The number of teams qualifying for the first round of the State Tournament will be determined by the number of teams competing in a regional tournament, as follows: Two teams from a region with four or less entries, three teams (5-8 entries), four teams (9 or more entries). Also qualifying will be the 10 players with the lowest scores, Don Davis moved, seconded by Morton Combs, that the new golf regulations as presented, be approved. The motion was carried unanimously.

The Commissioner presented a request which had been made to President Teater by Prin. H. R. Bowling of the Raceland High School that his school be moved from Class A to Class AA in football for the 1965 and 1966 seasons. Foster J. Sanders moved, seconded by Morton Combs, that the Raceland request be granted. The motion was carried unanimously.

President Teater stated that the next order of business was basketball redistricting for 1965-66. He called attention to the fact that the Board had in their possession three plans of possible redistricting which had been submitted by the Commissioner’s office at the March meeting of the Board. There was a lengthy discussion of the three plans mentioned. Foster J. Sanders moved that Redistricting Plan I, as submitted by the Commissioner’s office, be adopted by the Board of Control for 1965-66. President Teater vacated the chair in order to second the motion. It was suggested that a secret ballot on the motion be taken, and this plan was followed by common consent.

The Flying Dutchman

This is the last news from the Dutchman until the winds of September blow open Kentucky’s school doors again. A little bit of nostalgia always creeps into the column as another year of sports is completed and shades of yesteryear reappear to bring back memories.

So it is that this column is largely a sentimental journey back to days gone by when sports were administered differently from today. Let’s make some comparisons! Officials today are registered and trained before they may call games. It wasn’t always so. There has been an evolution in sports officiating.

Back in the middle twenties when Fountain Run’s basketball team played Flippin, officiating was no problem. When the game was about to start the only problem involved was whether each coach should officiate a half or have Fountain Run’s principal, Willie Simmons, call the whole game - - so Willie called it, giving both coaches a chance to relax and enjoy the game.

It was in the same decade that officiating progressed to a point where schools with outdoor courts would pay as much as a dollar to an outsider to officiate two games. In 1930 Coach Diddle and the Dutchman contracted to work a district tournamnet in Tompkinsville for fifty dollars and had to settle for thirty dollars each in cash and the remainder in chickens and eggs because farm products were more plentiful than money.

In the middle thirties Coach Herb Ockerman contracted to pay the Dutchman seven dollars to officiate two games at Taylorville and paid off in fresh country sausage because the gate receipts didn’t total the contract price. A week later Principal Dillard Moore of Sonora copied a page from Ockerman’s book and paid the Dutchman off in pumpkins.

In those days famous names among coaches included Oakley Brown, Hopkinsville; Ty Holland, Murray; W. B. Owen, Horse Cave; Paul Jenkins and Ernie Chattin, Ashland; Tom Ellis, Bardstown; Blanton Collier, Paris, and Rice Mountjoy of Danville, just to mention a few.

It was during this same decade that basketball official “Winkie” Winkenhofer set two records in a single night by calling sixteen consecutive technical fouls on a Western Kentucky crowd for booing him and followed this with the speediest departure from town ever recorded in this section.

Those were the days when Raymond Ridley’s Glasgow football teams were scrapping Ashland for the mythical state champion and Ralph Dorsey and young Joe Billy Mansfield were writing basketball history for Coach W. B. Owen at Horse Cave. One fond memory brings on another.

It was in 1942 that Commissioner Ted Sanford sent the Dutchman on his first basketball clinic tour over Kentucky and he met a grand guy whom everybody loved and respected in the thriving City of Ashland. This chap was a top sports official in eastern Kentucky and directed the activities of the Ashland Y.M.C.A. Reference here is to Ernie Chattin who is second to none in the gentle art of charcoalting sirloin steaks.

Our sentimental journey has progressed suddenly to the present and this chap, Ernie Chattin, has been accorded the highest honor that the Jefferson County Youth Association can bestow - - Ernie has been named “Mr. Recreation of Kentucky For 1965” for his development of an outstanding recreation program for the Y.M.C.A. in Ashland and for his leadership which has gone far toward making his community a place where kids may have wholesome fun. Willie Dawahare of Hazard won this award in 1963, Marlow W. Cook of St. Matthews in 1964, and now it’s Ernie in 1965 - - A great honor to a great guy!

The Dutchman’s last Corn Cob Pipe of Honor for this sports’ season is on its way to R. E. Stevenson, Superintendent of Russellville City Schools. Thirty years of his life have been devoted to the young people of Logan County. Because his life has been exemplary, boys and girls have become better men and women because they were blessed by his influence. The Dutchman doffs his hat to R. E. Stevenson.

With summer approaching, the Dutchman plugs once again for the development of baseball, softball and other teams all over Kentucky. Remember that many boys have joined gangs because they never had a chance to join a team!
New Sanctioning Procedure

A recommendation received from the Competition Committee by the Executive Committee of the National Federation during its 1965 January meeting prompted the authorization of the following procedure for processing applications for sanction of multiple interstate meets:

1. Applications are to be initiated by the host school not later than 30 days prior to the date of the meet or tournament.

2. Present contest conditions will prevail with the exception of the requirement that "safety regulations approved . . . as meeting the specifications of the various athletic accident benefit associations" will not be applicable. (This portion of present No. 3 requirement will be deleted when new forms are printed.)

3. The applications are to be executed by the host school in triplicate. All three copies will be sent to the executive officer of the state in which the meet is to be held. Whenever possible, the host should indicate the schools which will be invited to participate. The reverse side of the application form can be used for this purpose.

4. The home state secretary will act on the application and if he recommends sanctioning, he will sign the application and send it to the National Federation office. At the same time, he will execute the proper form and send it for endorsement purposes to the executive officer of each state association from which schools have been invited to participate.

5. Executive officers receiving endorsement forms will indicate their action (approval or denial) and forward the form to the National Federation central office.

6. The National Federation will act on the basis of the recommendations received from the various state executive officers. It will notify the host school's state association office of such action and send carbon copies of the notification to the office of each state association which has been invited to have schools participate in the meet or tournament.

7. Each state association will notify its concerned member schools of the National Federation action. (The National Federation will no longer notify the host school.)

ANNUAL MEETING MINUTES

(Continued from Page One)

Sensation of the award was made by K.H.S.A.A. Director, Don R. Rawlings.

The address of the evening was given by Dr. Dean F. Berkley, Director, Bureau of Field Service, Indiana University. Dr. Berkley, a former South Dakota teacher, principal, coach, and superintendent, gave an interesting and humorous address which was well received.

Attention, Coaches

Mr. Sam Ketchman, Editor of the Kentucky High School Coaches' Directory, which is printed by Athletic Enterprises, 727 Winter Avenue, Big Rapids, Michigan, writes that any head coach or athletic director may have his picture placed in the 1965-66 directory. Any person interested should send Mr. Ketchman $1.00 and a picture the exact size of which is 1" x 1½".
Executive Board Meeting Minutes

The officers of the Kentucky High School Coaches Association met in executive session at 11 o'clock Thursday morning, April 8, 1965, at the Blue Boar Cafeteria in Louisville. All members were present.

One of the principal items of business was the Coaching Clinic in football and basketball to be held in conjunction with the East-West All-Star games to be played at the University of Kentucky August 7, 1965.

Coaches for the clinic were to include Charlie Kuhn, Male High School, AAA Champions; Owen Hauck, Highlands High School, AA Champions; Jack Hall, Elkhorn City High School, A Champions, in football, with the three fifty-minute sessions to be held on Saturday morning.

The basketball clinic to be held on Friday afternoon in three sessions is to include Coaches Don Morris of the State Championship Breckinridge County team, Denzil Haibert of Martin High School, and William (Bill) Harrell (Shelby County). 1964-65 “Coach of the Year.” Games Director “Eck” Brannham was to arrange payment of these coaches in the amount of $50.00 for their appearance on the clinic.

The executive committee, after some discussion, rescinded a previous regulation requiring that a fee be charged for the clinic. The clinic is to be free.

The executive committee, after great deliberation, rescinded a previous rule requiring a Games Director (Manager of the East-West Football and Basketball games) to not serve more than three consecutive years. It was the opinion of the committee that the Games Director (Manager) be elected during the week of the All-Star Game, and that the manager be elected for a two-year term, rather than a one-year term. This two-year term is in agreement with the sanction given to the Kentucky High School Coaches Association for the sponsoring of the All-Star games. This sanction has already been received for the 1966 and 1967 games.

The above action was unanimously agreed upon by the executive committee of: Charlie Kuhn, President; James Bazzell, Vice-President; Fred Clayton, Sgt-at-arms; Joe Ohr, Sec-Treas.

Annual Meeting

The annual meeting of the Kentucky High School Coaches Association was held April 8, 1965, in Room 104 of Convention Center in Louisville, Kentucky. The following officers were in attendance: President Charles Kuhn, Male High School; Vice President James Bazzell, Allen County High School; Sec-Treas. Joe Ohr, Irvine High School; Sgt. At-Arms Fred Clayton, Caldwell County High School; Retiring President Robert Wright, Ashland High School.

The meeting was called to order by President Kuhn at 1:15 p.m., and Coach Al Almond of College High of Bowling Green gave the invocation.

President Kuhn recognized the Assistant Commissioner of the Kentucky High School Athletics Association, Joe Billy Mansfield, and he introduced the Board of Control members who were present.

As the minutes of the regular meeting of the K.H.S.C.A. were published in the Athlete, the official publication of the K.H.S.C.A., upon a motion by Coach Bill Hogg, Elizabethtown, seconded by Coach Paulie Miller, Trinity, the reading of the minutes was dispensed with upon motion by Coach Estill Brannum, Warren County, and seconded by Coach Olle Leathers, Frankfort.

A financial report was made by Treasurer Joe Ohr and was approved by an audit made by William Sexton of Irvine. This financial report covered the accounts of the All-Star fund, the K.H.S.C.A. account, and the Savings account. The audit is published annually in the Athlete.

The principal speaker for the meeting, attended by 150 coaches, was Assistant Coach Jimmy Feix of the Western Kentucky State College football staff. Feix was presented by Coach Brannum.

Mr. Arnold Levitz gave a short resume of the insurance program offered to members of the Kentucky High School Coaches Association. This insurance program was approved by the executive committee of the Association in 1964.

Coach Fred Clayton, Caldwell County football mentor, presented “The Coach of the Year” award to Male High School football Coach Charlie Kuhn, who directed the Male team to the AAA Championship for the State of Kentucky in 1964.

Coach William (Bill) Harrell, Shelby County, was elected “Coach of the Year” basketball coach by his fellow coaches for 1964-65, and the presentation was made by Coach Joe Ohr, Irvine.

Election of officers followed, with a motion by Ralph Dorsey (Caverna), seconded by Denzil Ramsay (Western), that Joe Ohr be elected Sec.-Treas. for 1966-67. Elected by acclamation.

Six candidates were nominated for the position of Sgt.-at-Arms. Those nominated were Charlie Hord (Eastern), Bill Hogg (Elizabethtown), Gippy Graham (Georgetown), Bill Morris (Breckinridge), Bill Harrell (Shelby County), and Bill Brown (Franklin). Don
Morris, coach of the State Champion Basketball team of Breckinridge County, was elected to the office.

Coach George Sauer, Shawnee, expressed the thanks of the Louisville Football Coaches Association to the K.H.S.C.A. for a $500.00 grant made for the conducting of football clinics by the Louisville association. Sauer invited members of the Association to their clinic, which was to be held on Friday night at Trinity High School and the Saturday session at the Monogram building.

Coach Richard (Puss) Greenwell (Shelbyville) presented to Retiring President Robert Wright (Ashland) a plaque in honor of the leadership provided by him to the K.H.S.C.A. Wright recently was named as the basketball coach at Morehead State College. Wright commented that one of the highest honors he has ever received in athletics was that of being named an officer in the coaches organization, and thanked all coaches for their cooperation during his tenure of office.

The meeting adjourned at 2:30 p.m., giving those in attendance plenty of time to attend the Delegate Assembly at the Kentucky Hotel at 3 p.m.

At the request of Mr. Joe Ohr, Irvine, Kentucky, I

have examined the records of the Kentucky High School Coaches Association as furnished to me by Mr. Ohr. This examination covers the period March 1, 1964 to March 8, 1965.

All transactions during this period are shown on the attached schedule of receipts and disbursements. All receipts have been traced into the Bank account and all disbursements have been verified by canceled checks.

The balance of $8,071.69 has been verified as being on deposit in the Union Bank & Trust Company, Irvine, Kentucky, on March 8, 1965.

This schedule, in my opinion, properly reflects all receipts and disbursements for the period shown.

Respectfully submitted,
William Sexton, Jr., Auditor
