MINUTES OF THE ANNUAL MEETING

The forty-ninth annual meeting of the Kentucky High School Athletic Association was held at the Kentucky Hotel, Louisville, on Thursday afternoon, April 14, 1966.

President Foster J. Sanders called the meeting to order at 3:00, and asked the Commissioner to call the roll. Fifty-eight regularly elected delegates or alternates answered the roll call.

W. P. Wheeler moved, seconded by James Purshull, that the minutes of the 1965 meeting of the Assembly, which had been sent previously to all member schools, be approved without being read. The motion was carried unanimously.

Commissioner Sanford then gave a report on the activities of the Association during the 1965-66 school year (The report of the Commissioner appears elsewhere in this issue of the magazine).

The Commissioner, at the request of President Sanders, then explained the Board of Control proposals to the Delegate Assembly.

President Sanders stated that consideration of the proposals was the next order of business.

Orville B. Hayes moved, seconded by Lee Mills, that Proposal I, providing that registration with the K.H.S.A.A. be required of basketball officials calling Association games, be adopted. The motion carried by a vote of 31-25, but President Sanders stated that the proposal had not carried by the necessary two-thirds vote in order for it to become a part of Association regulations.

Lawrence Burdon moved, seconded by W. P. Wheeler, that Proposal II, providing that no more than eight teams may be entered in a county, conference, or invitational basketball tournament, be tabled. The motion to table carried by a vote of 35-14.

Robert B. Turner moved, seconded by James T. Dotson, that Proposal III, providing that a team may enter only one county, conference, or invitational tournament during a regular season be tabled. The motion to table carried by a vote of 35-14.

Roy Reynolds moved, seconded by Arthur J. Walsh, that Proposal IV, providing that By-Law 6, Section 3, be amended by substituting "for thirty-six school weeks" for "during the first semester," be adopted. The motion carried by a vote of 40-16, which was more than the necessary two-thirds majority.

Roy T. Reasar moved, seconded by Denzi Halbert, that Proposal V, providing that the Board of Control have authority to set the fees for officials in both district and regional basketball tournaments, be tabled. The motion to table carried by a vote of 36-16.

James Purshull moved, seconded by Fred Murray, that Proposal VI, relating to attendance of players at football or basketball camps be adopted. The motion failed to carry by a vote of 24-33.

Roy T. Reasar moved, seconded by Aaron Turner, that Proposal VII, providing that, prior to the opening of regular season play, a basketball team may have only two practice games with players other than members of the squad, be adopted. The motion carried by a vote of 43-12, which was more than the necessary two-thirds majority.

The Commissioner introduced the Delegate Assembly Ralph C. Dorsey and Foster J. Sanders, recently re-elected to Board of Control membership for a period of four years.

There being no further business, President Sanders declared the meeting adjourned.

The dinner meeting of the Association was held in the Crystal Ballroom of the Brown Hotel at 6:00 P.M., with 630 delegates and other school officials present.

Presentation of the Cavana Swimming Award to Prin. Harold Miller of the Highlands High School, which had won the 1965-66 award, was made by the Commissioner.

Recipient of the Game Guy Award was Jim McNight of the Raceland High School. The presentation of the award was made by K.H.S.A.A. Director Oran C. Teater.

The address of the evening was given by Dr. Irvin E. Lunger, President of Transylvania College, Lexington, Kentucky. The subject of Dr. Lunger's address was "The Play Maker." Dr. Lunger's talk was both inspiring and challenging.

1965-66 ANNUAL REPORT (Presented to Delegate Assembly)

Three hundred eighty-two schools joined the Association during 1965-66. This is thirteen less than the number of schools enrolled in 1964-65.

Financial reports filed by the sixteen regional basketball tournaments amounted to $131,793.43. Receipts from the sixty-two district basketball tournaments amounted to $225,689.82. Receipts from ticket sales at the State Basketball Tournament, including state tax, will approximate $168,000.00. Profit to the Association on the tournament will be close to $127,000.00. A complete record of all receipts and disbursements will appear in a subsequent issue of the Association magazine.

Thirteen hundred sixty-seven basketball officials and 506 football officials registered with the Association in 1965-66. Ten football rules clinics were held under the direction of Edgar McNab and one hundred forty-one football officials took the National Federation examination for the higher ratings. Of this number, nine were added to the Certified list, and there were seventy-nine officials on the Approved list. Charlie Vettiner conducted fifteen basketball clinics, and held the School for Basketball Officials. Harry Stephenson conducted a school for baseball officials, who are being registered for the first time during this current season. Regional representatives in the three sports mentioned continue to render a fine service to the officials and schools in their respective areas. One hundred sixty-three officials took the National Federation basketball examination with twenty-four being added to the Certified list and sixty-nine receiving the Approved rating.

2. School's Report on basketball Officials
3. Official's Report on Schools (Basketball)

Fines for Late Reports

Principals of more than 100 schools had not filed their reports on basketball officials and/or their basketball participation (eligibility) lists for the 1965-66 season when this issue of the ATHLETE went to press. Some 400 basketball officials have not filed their reports on member schools. The Board of Control has established a fine of $5.00 for both schools and officials delinquent with their reports. A deadline of June 15 has been set for the filling of all reports required under association rules. Officials who have not worked any games should notify the K.H.S.A.A. office accordingly. Such notification is considered a report.

Attention, Principals!

Approximately 100 principals of K.H.S.A.A. member schools have not as yet filed requests this school year for their insurance subsidies. If the school is underwriting all or part of insurance protection for its athletes, the Board of Control will allow a maximum credit or refund of $30.00 to each school for “all sports except football,” and an additional credit or refund of $10.00 to each school maintaining a football team. Principals of schools which qualify for the credit or refund should write for reimbursement forms at once.

Tournament Receipts

The receipts from the district, regional and state basketball tournaments for 1966 were less than those of the preceding year, according to the reports of the tournament managers. In 1965 the gross receipts of the district tournaments were $244,711.02 as compared to $225,684.82 for 1966. The decrease in regional tournament receipts was from $185,104.01 to $131,799.43, for an average of approximately $3,300 for each of the sixteen tournaments. Proceeds from the State Tournament were approximately $30,000.

The decrease in gross regional tournament receipts would affect greatly the amount schools involved would receive as their shares of the profit. Since the expenses of conducting the tournaments were approximately the same as in 1965, any decrease in receipts would be most noticeable in the amount each school received this year. It is possible that the televising of other basketball games at the same time was largely responsible for the decreased tournament receipts.

Summer Camps

One of the proposals presented to the 1966 Delegate Assembly of the K.H.S.A.A. was two summer camps controlled. The proposal provided that attendance by a first team or reserve team player at a football or basketball camp or instructional clinic conducted away from the school's regular practice or playing field is prohibited. However, the attention of principals and athletic directors is called to the fact that present regulations, Board of Control policy, and rules interpretations by the Commissioner make attendance at specialized clinics and football camps (conducted jointly by two or more member schools) somewhat dangerous on the part of the individual athlete who attends such clinics and camps. The danger refers to possible loss of eligibility.

No specialized clinic has the sanction of the K.H.S.A.A. If two players from the same school attending the clinic found themselves in a situation where a game at the clinic on the same team, the Commissioner would rule, as he has done on similar cases in the past, that these players have taken part in non-sanctioned post-season athletic contest, and that they have therefore lost their eligibility for the forthcoming season.

School administrators and coaches sending their football squads to camps conducted jointly with one or more schools being involved run the risk of violating K.H.S.A.A. By-Law 28-5, which provides that prior to the football season a team may have only two scrimmages or practice games with players other than members of the squad. The Commissioner has ruled that the conducting of drills on football fundamentals between two or more members of each of two different squads is to be considered a scrimmage, with respect to the provisions of By-Law 28-5. Because of the possible loss of player eligibility and the school's violation of the rule mentioned, the Board of Control and the Commissioner will not give their sanction to jointly conducted football camps.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, April 25, 1966. The meeting was called to order by President Foster J. Sanders, with all Board members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Preston Holland.

Don Davis moved, seconded by Oran C. Teater, that the reading of the minutes of the March 18th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner gave a brief report on the state basketball tournament receipts and expenses. He stated that total ticket sales, as reported to the Delegate Assembly, would approximate $168,000.00, with anticipated profits to the Association of $127,000.00.

There was a discussion of possible re-districting effecting basketball Regions 3 and 5. The Commissioner presented letters from eight principals of the two districts involved in the proposed redistricting. Five principals were in favor of the changes, two were not opposed, and one was not in favor of the change. After a general discussion of the requests for re-districting, Sherman Gish moved, seconded by Oran C. Teater, that Meade County schools be moved from Basketball (Continued on Page Ten)

ANNUAL REPORT
(Continued from Page One)

the Association during the current school year. The two schools were considered guilty of violating K.H.S.A.A. By-Law 17, the Association's Sportsmanship Rule.

The number of schools maintaining football in 1965-66 increased from 161 to 173. The numbers of schools maintaining the other sports sponsored by the K.H.S.A.A. show no appreciable change from the preceding year with the exception of baseball which increased from 306 to 317, boys' track from 215 to 225, boys' golf from 119 to 126, and boys' tennis from 69 to 79. There are 89 schools this year which have teams in girls' track. The Association is sponsoring this sport officially for the first time. The numbers of teams in other sports are: cross country, 94; wrestling, 18; boys' swimming, 28; girls' swimming, 24; girls' golf, 22; girls' tennis, 48; and rifle marksmanship, 14.

Fifty-three member schools of the Kentucky High School Athletic Association have made contributions to the Naismith Memorial Basketball Hall of Fame. Thirty-eight of this number have made contributions of $100.00 each, or have made pledges for this amount. The National Hall of Fame Committee has asked the K.H.S.A.A. to set a goal of $100.00 for each of its member schools, and this goal has been accepted. The Board of Control has directed the Commissioner to solicit Association member schools in an effort to meet the goal mentioned. Anything that members of this Delegate Assembly can do in their respective districts to assist the administrators and coaches in meeting the goal will be appreciated very much.

Your continued cooperation, assistance, and constructive criticism are solicited.

K. H. S. C. A.
MINUTES OF ANNUAL MEETING
Room 104, Convention Center, Louisville, Kentucky April 14, 1966

The regular annual meeting of the Kentucky High School Coaches Association was called to order by Coach Tommy Long of Allen County.

Special guests recognized were Don Shelton, Murray College; James Feix, Western Kentucky; and sports writer, Bob White, of the Louisville Courier-Journal.

Special attention was given to the clinics for high school coaches, which are to be held August 5 and 6 in Lexington. These clinics are held in conjunction with the All-Star football and basketball games sponsored by the Association. The basketball session is to be held on Friday afternoon with the following three coaches participating: Jack Sutherland, Harrison County; Bill Harrell, coach of the State Tournament Champions, Shelby County Rockets; and Jim Richards of Glasgow.

The football clinic is to be held on Saturday morning August 6 with three coaches heading the program. They are: Ron Cain of Seneca, Fleming Thornton of Hopkinsville, and Walt Green of Middleboro.

A financial report of the accounts of the All-Star Kentucky High School Coaches Association, and the Building and Loan Account was presented to the members by treasurer Joe Ohr. On motion by John Snowden, Woodford County, and seconded by Estill Branch, Warren County, the treasurer's report was accepted.

As the minutes of the Executive Board and the regular meetings are published in the Athlete, official publication of the Kentucky High School Athletic Association, it was moved that the reading of the minutes to the assembly be omitted.

The feature speaker of the meeting was John Oldham, basketball coach of Western Kentucky University "Hilltoppers". Oldham told several amusing stories concerning his experiences in recruiting and several concerning Mr. Ed Diddle, basketball coach emeritus of the Western Hilltoppers.

Coach Oldham gave a short review of the Michigan games, which was lost in the final seconds on a "bad call" — as Oldham said. He also discussed the prospects for 1967. After a couple of remarks regarding the misquotes used by some newspaper writers he praised the University of Kentucky Wildcats for their record.

Coach Oldham listed ten values a participant can receive from athletics. He said that athletics develops physical power, develops himself to group discipline, develops self confidence, develops life long friendships, develops travel opportunities, develops perseverance, develops proper conduct, develops team work, develops obedience to authority, develops sportsmanship.

Coach Charlie Kuhn (Male), coach of the year in football for 1964 and the retiring president of the Kentucky High School Coaches Association, recognized Fleming Thornton (Hopkinsville) as the "Coach of the Year" for 1963 and presented him a full sized inscribed football trophy in recognition of his being elected to this honor.

President James Buzzell presented Bill Harrell (Shelby County) a full sized basketball trophy in recognition of his being elected "Coach of the Year" for 1965. This marks the first time that a coach has been so recognized, in that Harrell received the same honor for 1965. Harrell's Shelby County team won the State Basketball Tournament and was ranked as number one team in the State of Kentucky.

In the election of officers for the year 1967-68, on motion by Snowden (Woodford County) and seconded by Branham (Warren County) the secretary-treasurer position was given to Joe Ohr for the eleventh time.

Fleming Thornton, Charlie Benton and "Butch" Gilbert were nominated for Sgt-at-Arms. A committee of Doc Adams, Jim Kennedy, Denzil Holbert and Jarvis Parsley was appointed by President Buzzell to count the votes cast for the position. Coach "Butch" Gilbert of Glasgow was elected.

While the votes were being counted Mr. Arnold Levitz explained to the members the conditions of the insurance policy available to all Kentucky coaches.

The representative of the Coaches Association was instructed how to vote on the proposals to be presented at the delegate assembly. Ohr was also presented two proposals to offer from the floor. Denzil Holbert proposed that the Board of Control membership be increased from eight to sixteen — the association approved the proposal. The second proposal, offered by Corky Cox and passed by the coaches, stated that a coach's membership card shall be honored at all athletic contests played under Kentucky High School Athletic Association sanction, with the exception of the State Basketball Tournament.

The Flying Dutchman

As the Dutchman pens his last column of the 1965-1966 sports season, he joins other Kentuckians in their acclaim of the dedicated K.H.S.A.A. Board of Control, the professional staff and the hundreds of volunteers whose combined efforts brought an adequate and wholesome program of sports to boys and girls all over Kentucky. It takes leadership to inspire sports lovers, the length and breadth of the Commonwealth, to be eager to cooperate with the Commissioner's office, give many free services, time and effort to make each year's K.H.S.A.A. program surpass the preceding one. The Dutchman applauds that leadership.

Among those Kentuckians, whose strong support of wholesome athletic activities for young men and women has meant much to this Board of Control and those preceding it, is Murray's Eli Alexander. Eli is this month's choice for the Corn Cob Pipe of Honor award. Now principal of Murray High School, Eli Alexander's philosophy was influenced early in life by the K.H.S.A.A. sports program as he developed into one of Murray High's finest athletes, starring in football, basketball and track. Eli's Christian leadership of young people won this recognition for him.

It would be interesting to make a study to determine how many men in high positions are there today because of the lessons learned on the gridiron, hardwood, diamond, or in other sports when just boys. After all, life is just a game and is different only from football and other sports in that it is a more serious competition with the ability to make decisions more important because the end results are success and failure, happiness and unhappiness. The ability to make decisions under pressure can best be gained in sports — and it appears that our really big decisions of the future must be made under pressure. That's why every boy or girl should associate himself or herself with competition.

What will your community do to provide wholesome competition during the summer months when schools are not in session? The energies of youth will not take a vacation, and you can't expect your boys and girls to be content to wait for the K.H.S.A.A. program to open again in the fall. They need activity in June, July and August.

One community's answer to wholesome sports activities for kids came today when mv telephone rang and Colonel Bill Durham of Bardstown was on the wire. "Dutchman," said Colonel Durham, "Bardstown is now ready for a full program of recreation and we need a qualified director of recreation. Do you know one whom you will recommend?" Here's an opportunity for majors in the field of recreation graduating from Kentucky's universities this spring. It's a cinch that many other communities in Kentucky will launch similar programs. In case your community wants to start a summer recreation program and doesn't know how, just contact the department head of recreation in the college or university nearest you and you'll get help. A famous Judge once told me that many boys join gangs because they don't have opportunities to join teams.

Assistant Commissioner Joe Billy Mansfield must exercise long range planning to do the tough job he does so well. In early April a letter from the far-sighted one said, "Dutchman, let's have your itinerary now for your October basketball clinics." This means Edgar McNabb got the same directive for his football clinics. This is long range planning by the Commissioner's office, and it's A-O.K.

Memo to Owensboro's Bob Daniels with copies to John Bunn, Cliff Fagan, Doc Runyon, Les Ansorge and Lyle Quinn from the Dutchman. That 1957 Pontiac which made nine clinic trips and transported you gentlemen who produced "This is Basketball" over the Indiana highways is no more. "The Tiger of the Highways" came to a fiery end when it burned in downtown Louisville and on the morning of the K.H.S.A.A. sports dinner. At each clinic "The Tiger" was a conversation piece. What'll you guys talk about now?

Each year as this last column is written I wonder if any were successes. Maybe you're wondering if you succeeded this year! Ralph Waldo Emerson set up a standard for
success and the Dutchman passes it on to you:

"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded."

National Collegiate Championships

The NCAA Track and Field Championships are scheduled to be held on Indiana University's new Track facility June 16-18, 1966. The Championships have not been held in the Midwest for several years, with the result that many Track enthusiasts living in the central section of the United States have not had the opportunity to see in action the world's greatest track stars.

Ticket prices are as follows:

- June 16 (2:30 P.M.), June 17 (3:30 P.M.)—General Admission, $1.50; Knothole Club (high school students or under), $1.00.
- June 18 (11:30 A.M.)—Reserved Seats, $3.00; General Admission, $2.00; Knothole Club, $1.50.

Tickets can be secured by communicating with the Indiana University Ticket Office, Bloomington, Indiana.

1966 TRACK QUESTIONS

(Continued from April ATHLETE)

18. Situation: In the 880-yard relay, A2 falls while negotiating a curve. In the confusion that follows, B2, who is running in a line outside that occupied by A2, is spiked on his right leg. There are several minor officials at the turn and the chief inspector's view is blocked, so that he has no way of knowing who is responsible for the contact. Officials in the immediate area agree that the contact was not intentional. In the absence of any facts to warrant the disqualification of any contestant, the referee orders the race re-run. All teams which competed in the first race are to participate in the substitute race. One or more of the teams refuse to take part in the substitute race.

Ruling: The referee has authority to make the decision indicated. This is covered in Rule 7-2. If the referee orders a substitute race, all teams are obligated to participate if they desire a chance to earn points for the event. Obviously, in such situations, the referee must exercise good judgment.

19. Situation: A competitor in the running long jump is not wearing shoes. He takes off from behind the scratch line at one side of the board.

Ruling: Legal. There is nothing in the rules prohibiting this. They specify only that the contestant shall take-off from behind the scratch line, or the scratch-line extended.

Athletic Institute and AAHPER Book

The new edition of the PLANNING FACILITIES GUIDE, the result of a National Workshop on Areas and Facilities in Health, Physical Education and Recreation, held at the Indiana Memorial Union, Indiana University, Bloomington, Indiana, January 15-24, 1966, and co-sponsored by The Athletic Institute and the American Association for Health, Physical Education and Recreation has just come off the press.

This guide, the composite thinking of over 30 participants at the national workshop from the fields of health, physical education and recreation as well as architects, engineers and city planners, will contain the most up-to-date and comprehensive information on planning facilities in the above areas. The 300-page guide will contain much more information, more figures, pictures and tables than the previous editions of the FACILITIES GUIDE.

The paperback edition of the new guide will sell for $5.00 per copy and the hard-cover edition is priced at $5.00. Check or money order with your institutional purchase order should be sent to the Athletic Institute, 805 Merchandise Mart, Chicago, Illinois 60654.

Teamwork

A new book, TEAMWORK BETWEEN THE COACH AND THE SCHOOL ADMINISTRATOR, written by J. H. Griffin, has recently come from the School Aid Company, Danville, Illinois. It is well written, and should be a fine addition to the library of the coach. The chapter headings are as follows:

1. Considerations before entering the coaching field
2. Securing a position
3. Getting off to a good start with your administrator
4. Areas of possible friction points with school personnel
5. Adjusting to a new community
6. Twenty-six ways to help yourself and your administrator
7. Cautions to be observed with your lady friends
8. The influence of the coach on the youth of the community
9. Handling publicity and the press
10. Hints for helping athletics fit into the administrative plan

MINUTES OF BOARD MEETING
(Continued from Page Two)

District 11 to Basketball District 17. The motion was carried unanimously.

Upon recommendation of the Commissioner, Oran C. Teater moved, seconded by Morton Combs, that the insurance subsidy for each member school for 1966-67 be a basic amount of $40.00, with an additional subsidy of $60.00 for each school maintaining football. The motion was carried unanimously.

Sherman Gish moved, seconded by Preston Holland, that the Commissioner be directed to sign a two-year contract with the Kentucky State Fair Board for the rental of Freedom Hall in 1967 and 1968 as the site of the State High School Basketball Tournament. The motion was carried unanimously.

The Commissioner stated that he had received several inquiries recently concerning the possibility of Gymnastics being sponsored as an official K.H.S.A.A. interscholastic sport. He stated that several member schools of the Association currently have teams in gymnastics. Ralph C. Dorsey moved, seconded by Oran C. Teater, that the Commissioner be directed to send out a questionnaire to the principals of K.H.S.A.A. member schools in an effort to determine whether or not there is now enough interest in Gymnastics to warrant the Association including this sport in its interscholastic program. The motion was carried unanimously.

The Commissioner presented a request from Prin. Fred Murray of the Madisonville High School concerning the incurring of Madisonville to another football district in which most of the teams involved are currently on the Madisonville schedule. Sherman Gish moved, seconded by Don R. Rawlings, that the Madisonville High School be moved from Region 1, District 2, to Region 1, District 1, in Class AA football. The motion was carried unanimously.

Sherman Gish moved, seconded by Don Davis, that Ralph C. Dorsey and Morton Combs be named delegate and alternate respectively to the forthcoming summer meeting of the National Federation of State High School Athletic Associations. The motion was carried unanimously.

Sherman Gish moved, seconded by Preston Holland, that all bills of the Association for the period beginning March 1, 1966, and ending March 31, 1966, be allowed. The motion was carried unanimously.

The Commissioner stated that he had asked representatives of the Central High School (Louisville), to meet with him at 2:00 P.M. for a hearing in connection with a possible violation of K.H.S.A.A. By-Law 17 on March 12, 1966, by representatives of the school; and that he wished to conduct the hearing with members of the Board present. He further stated that, in the event an appeal from his decision should be taken, the Board would have heard the evidence presented, and would be in a position to make its decision. The Board acceded to his request.

The Central High School hearing convened at 2:15. Present at the hearing were the Commissioner, the
Assistant Commissioner, and all members of the Board of Control; Prin. J. W. Hackett and Mr. Perry, a teacher, of the Central High School; Assistant Superintendent Robert L. Sanders of the Louisville City Board of Education; and Mr. Harry S. McAlpin.

The Commissioner asked Assistant Commissioner J. B. Mansfield to present certain signed statements which he had accumulated in connection with the case, including statements made by Tournament Manager Arthur Moore, and the principals of the four schools which had teams in the regional tournament final session held at Freedom Hall, Louisville, on the evening of March 12, 1966. After the statements were read by Mr. Mansfield, the Commissioner explained the implications of K.H.S.A.A. By-Law 17, Practice of Sportsmanship, and the four Central High School representatives mentioned previously made statements concerning their knowledge of certain incidents which happened on March 12. After a general discussion period, the Commissioner ruled that the Central High School, in his opinion, was guilty of violating K.H.S.A.A. By-Law 17 on the evening of March 12, 1966; and that the following penalty should be imposed: 1) The Central High School shall be placed on probation for a period of two years from date, and 2) The Central High School shall be suspended from the Kentucky High School Athletic Association for the forthcoming month of December.

The Commissioner asked Mr. Hackett if he wished to appeal the decision. The Central representatives retired from the room for a short period of time. After they returned, Mr. Hackett stated that he did wish to make an appeal from the decision of the Commissioner.

President Sanders asked Vice-President Preston Holland to conduct the appeal hearing. Mr. Holland complied with this request, asking individual members of the Board of Control to ask any questions and make any statements which had a bearing on the case. He also asked Mr. Hackett and members of the Central group to give any reason for their belief that the penalty imposed by the Commissioner was too severe. All members of the two groups complied with this request.

At the conclusion of the appeal hearing, the Central representatives retired. The Commissioner stated that, in the light of some of the statements made during the appeal hearing, he would recommend that the Board consider reducing the penalty.

Don Davis moved, seconded by Oran C. Teater, that the Board of Control sustain the position of the Commissioner, declaring that the Central High School had been guilty of violating K.H.S.A.A. By-Law 17, Practice of Sportsmanship, on the evening of March 12, 1966; and that the school be placed on probation for a period of two years from date. The motion was carried unanimously.

There being no further business, the meeting adjourned.
