Educate the Feet
By Dr. Mohammed Sabie

The purpose of this article is to suggest a period of the first two weeks of practice to educate players' feet before participating in the game of soccer. The following series of basic soccer drills is recommended for use with the rebound board.

A rebound board presents a number of interesting possibilities in the teaching of basic soccer skills. It lends itself to both individual and group use, is adaptable to the upright (perpendicular) as well as inclined positions, and provides a simulated game-like ball flight to which students can react in various situations. As a teaching aid, the rebound board can contribute to more effective instruction for larger groups with less expenditure of class time.

Ideally, a rebound board would be the size of a soccer goal (8 by 21). Such a board can serve a wide range of drills, is portable, and is rather inexpensive to construct.

In the upright position, the rebound board is excellent as a backstop for kicking drills. Students may begin kicking at distances of five to ten yards, moving farther back as accuracy and ball control develop. Soft, straight kicks at short distances for the beginner can be followed in progression by more difficult kicks at greater distances. Painted or masked areas on the board can serve as target areas when emphasizing accuracy.

It is in the inclined position, however, that the rebound board provides the greatest number of really unique and varied teaching situations. When slanted at about 45 degrees the board rebounds a kicked ball into the air, the trajectory depending upon the speed of the ball; the angle of impact upon the board. A ball rebounded into the air introduces a completely new dimension in the organization of kicking, trapping, and heading drills—or any combination of these drills. In each case the student is placed in a more realistic context of learning.

Trappings, for example, may be taught by introducing first the chest trap, followed by stomach, thigh, and foot traps. By adjusting the distance of students from the board, these skills can be taught in terms of both "fly" and "bouncing" ball play situations. Also, by working with two groups a combination of kicking and trapping drills can be utilized. This necessitates an alignment of the groups in such a way that the ball kicked by one banks off the board in the general direction of the other. Continuous motion can be achieved by having player 1 kick the ball, rebounding it off and up in the direction of player 2, who traps the ball and returns it by kicking directly to player 1.

As the student's level of skill increases, the continuous motion aspect of drills, particularly for individuals and pairs, provides additional opportunity for endurance training. In most drill situations the longer the ball is kept in motion, the greater the physical demands placed upon the student. Even for the unskilled, when the board is missed completely by a hard kicked ball, retrieving the ball on the run can contribute to greater development of endurance.

A soccer rebound board has been used by the author with considerable success. Students have found it to be challenging, stimulating, and fun. Their responses to it in typical teaching/learning situations have been almost without exception favorable and enthusiastically positive. The brief description presented here is intended to suggest to the interested soccer teacher or coach a few of the ways in which the rebound board can be used. (Illustration No. 1)

1. One Minute Ball Control Drill:
   a. Kicking the ball against the rebound board should be started from behind the restraining line as shown in the diagram.
   b. The signal, "ready-go," student should continue to kick the ball from behind the ten foot line from the board.
   c. Your score is the number of instep-kicks accomplished in one minute.
   d. Compare your score with your partner's.
   e. Increase the time of the drill as you feel that your feet are in good shape for mastering the ball.
   f. Emphasis must be placed on instep-kick and never on use of a toe kick against the rebound board.

2. Accuracy Drill:
   a. Place the ball at points A and B, about fifteen yards away from the board.
   b. Have the players form two lines behind each point.

Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1969 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. The names of the district representatives are as follows:

Delegates

Alternates

W. H. "Johnnie" Crowds, principal of the Franklin Junior High School, has been elected to membership on the K.H.S.A.A. Board of Control to fill out the unexpired term of Alvin Almond. In ballots which ended on October 30, Mr. Crowds defeated Supt. Darrell Carter of Monroe County Schools.

Mr. Crowds was a member of the Board during the 1954-62 period, and as Board President in 1961-62. A native of Franklin, he received degrees from Western Kentucky University and Indiana University.

From 1935 to 1942 Mr. Crowds worked at Western as trainer and assistant in the Physical Education Department. He served in the U. S. Navy during the 1942-45 period. In Franklin Junior High School he started teaching in the field of Health and Physical Education. He became principal of the school in 1953. He has coached high school football, basketball and golf.

In 1943 Mr. Crowds married Miss Ira Blodsoe of Hisenville. He is a past chairman of the Franklin Methodist Church Official Board, and is current associate district lay leader of the Bowling Green district. He is a past president of the Franklin Rotary Club. In May of 1961 he received from Radio Station W.K.A.Y. at Glasgow a plaque for being the Southern Kentuckian who had done the most for sports in 1960-61. He is chairman of the new Franklin-Simpson Memorial Hospital. He is a member of numerous professional organizations.

Minutes of Meeting
K.H.S.A.A. Wrestling Committee
Lexington, Kentucky, October 19, 1968

The K.H.S.A.A. Wrestling Committee, meeting in the Association office on October 19, 1968, was called to order at 10:30 A.M. by Chairman Orville Williams. The reading of the minutes of the previous meeting was waived since the minutes had appeared in the ATHLETE.

There was a discussion concerning the 1967-68 regional tournaments. Committee members seemed satisfied except for a possible weakness in the regional seeding and attendance of coaches or their representatives at the seeding meetings.

It was reported by the Commissioner that schools with wrestling teams which did not sponsor teams last year were: Henderson County, Henry County, Johns Creek, Madisonville-North Hopkins, North Marshall, and St. Xavier.

A starting date for the season was discussed. Mr. Sanford pointed out that no other sport has this other than to state that the season starts as of the first day of school. He also stated that the Committee could recommend changes in tournament or meet rules only. The Committee through its Chairman may wish to submit proposals to the Delegate Assembly, going through the Board of Control or through principals of K.H.S.A.A. member schools.

The following changes in wrestling regulations were suggested by the Committee:
1. Before the first meet a team must have at least 10 days of practice.
2. The wrestling season should end with the State Tournament.
3. A boy may participate in 16 dual matches and 4 multiple school meets or tournaments excluding the Regional and State tournaments.
4. The heavyweight class should be limited to 235 lbs.

There was a discussion or rules changes made for the 1968-69 season. Attention was called to the fact that Association regulations provide that The Interscholastic Wrestling Rules as given in the "Official Collegiate Scholastic Wrestling Guide" are to be used.

The majority of the wrestlers will be at the state level but at the regional level only if all coaches in that region agree. The Riding Time is to be the same as that of last year. The Weight Control and Certification also remain the same.

The following qualifications were adopted for regional seeding:
1. The boy must have wrestled a minimum of 8 matches.
2. Out of these 8, 5 matches must be between different opponents.
3. Four matches must be wrestled in his region.
4. Four of the 8 must be with different opponents in his certified weight class.
5. Two of these 4 in (4) must be with opponents in his region and at his certified weight class.

Seeding formula: $5-4-4-2$

Certification forms will be mailed out by the State Office.

There was a discussion of this year's State Tournament. It will be held at the Trinity High School, Louisville. The draw is to be made by formula at the K.H.S.A.A. office, one draw being made for all 12 weight classes.

There was an agreement on the following with respect to Forfeit and Bye:
1. If a boy is unable to wrestle in his place, won and seeded by his opponent, in the State Tournament, his opponent shall receive a forfeit.
2. If a boy is unable to wrestle in the region after being seeded, all seeded boys will move up one seed to fill the gap. If there should be an odd man left, he shall receive a bye.

Wrestling clinics are to be held, with times, places and dates to be announced soon.

Under new business the Commissioner stated that no Coach-of-the-Year trophy or Regional Coach trophy may be given, as a matter of K.H.S.A.A. policy, unless such an award may be made by an organization of wrestling coaches or by the Kentucky High School Coaches Association.

The meeting adjourned at 1:30 P.M.

Robert Weenolsen, Recording Secretary

Minutes of Meeting
K.H.S.A.A. Gymnastics Committee

The meeting was held Thursday, November 7, 1968, at 7:30 P.M. at the Kentucky High School Athletic Association Building.

George Jefferson gave a report on the Gymnastics Coaches meeting that was held in Louisville during the KAHPER Fall Conference on November 1, 1968. The report indicated that the coaches were enthusiastic about the coming gymnastics season. The coaches stated that two problems be presented to the State Gymnastics Committee: first, the problem of very young children competing in the State Meet; and second, the problem of participants competing in the State Meet representing their school without actually having a school gymnastics team.

Mr. Sanford presented to the committee the background of the two problems mentioned above. He stated that these two problems were not new and that several other sports sponsored by the KHSAA had progressed through these same "growing pains" and had survived.

After a discussion, the committee felt that the first problem of the very young children participating in the state meet would exist only for a short time, hence no action was taken. The second problem of participants competing in the State Meet without actually having a school gymnastics team could be resolved by changing the KHSAA Gymnastics Championship Rules which were established by the Gymnastics Committee.

Mr. Sanford revealed the fact that seven additional schools had listed gymnastics as a competitive sport for the 1968-69 school year.

It was established that the State Gymnastics Meet would be held in Lexington on April 5, 1969.

Due to the increase in number of schools competing in gymnastics, and due to the fact that Bonnie Rowe had indicated that she could no longer serve on the State Gymnastics Committee it was recommended to Mr. Sanford that Sheila Kuhlman, Doss High School, and Mrs. Terry Tune, Southern Junior High School, be added to the committee.

The committee discussed the possibility of having a number of gymnastics clinics. A judges clinic was tentatively scheduled in Lexington for December 7, pending availability of people to conduct the clinic. Additional information concerning clinics is to be announced at a later date.

The possibility of scheduling the State Meet at an earlier date was discussed; however, no action was taken.

The meeting adjourned at 9:45 P.M.

Chairman, State Gymnastics Com. Bernard M. Johnson

Louis C. Litchfield

Louis C. Litchfield, 55, well-known Kentucky educator and former President of the K.H.S.A.A. Board of Control, died at Caldwell County War Memorial Hospital, Princeton, on November 5, 1968. A member of the teaching profession for 35 years, Mr. Litchfield retired three years ago after serving as Crittenden County superintendent for ten years. Later he served as principal of Lyon County Elementary School, and this year he was acting as supervisor of teachers for Caldwell County High School.

A graduate of Murray State University, Mr. Litchfield had spent his entire life in the teaching profession. At one time he was a member of the Board of Regents at Murray State. He was a high school coach for several years, and was a state basketball tournament referee many times. He was a member of the K.H.S.A.A. Board during the 1953-61 period, being President in 1960-61.

Mr. Litchfield was an active member of the Marion Baptist Church and was a deacon at the time of his death. For several years he served as superintendent of the adult department of the Sunday School.

Survivors are his wife, Birdie; one daughter, Mrs. Mike Vaughn of Mt. Vernon, Ill.; a son, Louis Chester, Jr., of Louisville; mother, Mrs. Betty Litchfield, Blackford; one sister, Mrs. Al Conley, Jacksonville, Fla.; three brothers, Milburn Litchfield, Clay, Henry Litchfield, Indianapolis; and Mark Litchfield of Califor-

The Flying Dutchman

There's a letter on my desk from Columbus, Ohio, saying that Colonel Paul E. Landis will retire from his commissioner's position on October 31, 1969, and will "pass the torch" on to another Kentucky Colonel, Harold Meyer, who has been Paul's associate commissioner for several years. Here are two really great guys—in case you haven't met them. Colonel Meyer was formerly a school superintendent at Martins Ferry, the home of Lou and Alex Groza. What do high school athletic commissioners do when they retire? Paul says that after forty-six years on the job he needs some time for more fun like golf and fishing in Kentucky and elsewhere. From the Dutchman to you, Colonel Landis—after you golf and fish in Kentucky, "elsewhere" will cease to be attractive.

It's Christmas time again in Kentucky! You've got to start thinking about giving presents and this Dutchman is about to suggest a Christmas present which will bring joy to the lad to whom you give it, as well as a certain inner peace and contentment to you the whole new year through. Give of yourself, your time and your energy, unselfishly to a discouraged, crippled kid who lives in your community; teach him the 'Game Guy's Prayer' and add him a Lionheart Award so he can qualify for the Game Guy Award of 1969. Right now, write the Dutchman, Box 36, Jeffersontown, Kentucky, telling him the story of the boy or girl you are nominating for Game Guy of 1969. This could be the most rewarding year of your life, especially if, in your work with the physically handicapped, you carry through the philosophy of St. Francis of Assisi which follows:

"Lord, make me the instrument of Your peace.
Where there is hatred may I bring love;
Where there is malice may I bring pardon;
Where there is discord may I bring harmony;"

"Where there is error may I bring truth;
Where there is doubt may I bring faith;
Where there is despair may I bring hope;
Where there is darkness may I bring Your light;
Where there is sadness may I bring joy."

"O, Master, may I seek not so much to be comforted
as to comfort,
To be understood as to understand,
To be loved as to love,
For it is in giving that we receive.
It is in losing our lives that we shall find them,
It is forgiving that we shall be forgiven,
It is in dying that we shall rise up to eternal life."

Maurice Stiff, one of Kentucky's outstanding officials, has called attention to the outstanding unselfish service which "Ole Reliable" Bill Varble of Louisville has been providing for more than four decades. It was my old friend, Bill Varble, who gave "Mo" Stiff his start in officiating, as he did for many others. The old master now has racked up 32 years in officiating in Kentucky and it is high time Bill gets some recognition. So it is that Bill Varble, one of the finest gentlemen ever to blow a whistle, becomes the winner of the Corn Cob Pipe of Honor for the Christmas month of December. Bill, you've left your footprints in the sands of time.

Here are some "thank you" letters from Bowling Green's Nick Denes, and Bellarmine's Eddie Weber, for the Corn Cob Pipes of Honor they have received. At Christmas time just hearing from fellows like Nick and Eddie makes the season a merry one for your Dutchman reporter.

Many telephone calls and letters from the Dutchman's friends have come from every nook and cranny of Kentucky asking, "When you give up your basket-

ball clinics, will you also give up (1) writing your Flying Dutchman column in the Athlete; (2) will you continue to send out the Corn Cob Pipes of Honor; Abou Ben Adhem, Lionheart and Game Guy Awards; (3) how will Ted and Joe Billy train basketball officials in the future? The answer to number 1 question is, yes; to number 2 question is, yes, and to number 3 question is, that you can depend on the Commissioner's office to meet every problem head on and to come up with a solution. As long as the Dutchman lives, those Game Guys and Unselfish Guys are going to be recognized and honored.

As the Dutchman concludes his Christmas column, his thoughts go back to the year 1960 when he directed the White House Study of Recreation in Kentucky. At that time he asked distinguished leaders of various fields of endeavor to quote briefly their first thoughts at the mention of recreation. Here they are:

A Judge: "Many boys join gangs because they never had chances to join teams."

A Teacher: "Learning to play is as important as learning to write."

A Policeman: "A playground is a wonderful safety zone."

A Minister: "Recreation will not cure delinquency but it is a big weapon against it."

A Criminologist: "Speed more on recreation and you'll spend less on rehabilitation."

A School Superintendent: "Children who have a good place to play after school seldom play hooky."

A Parent: "My child's leisure time activities are as important to me as his time spent in home, school and church."

If a child's leisure time is important to parents, then it is their duty to insist that wholesome recreation be developed to supplement, not replace, the work of the home, school and church.

MERRY CHRISTMAS

c. Students are given 5 trials each, using the instep-kick toward the rebound board.

d. Players in line A are to kick with the left foot; players in line B are to kick with the right foot.

e. Scoring is measured as the total sum of the ten trials.

3. Run and Kick Against the Rebound Board from Fifteen Yards Distance:

a. Use a rebound board.

b. The instructor centers the ball to the student who is standing in front of the rebound board from a distance of about twenty yards.

c. Student at first traps the ball, second begins dribbling the ball up to the fifteen yard line distance as shown in the picture.

d. At the fifteen yard line distance, the student shoots against the rebound board.

e. Scoring is measured as the total of the ten trials.

(illustration No. 2.)

4. Two players kicking drill:

a. Pair of students are needed for this drill.

b. One student kicks the ball in such a way that it banks in the direction of the second student.

c. By exercising control, student 1 attempts to make the ball terminate its roll at the feet of student 2.

d. Student 2, in turn, may kick the ball back to student 1.

e. Move up as ball comes back in an angle and play it back on the rebound board by using the instep-kick.

f. Use either foot in kicking. (Illustration No. 3.)
Wrestling Assignments

The continued increase in the number of Wrestling teams makes it necessary to establish regions in this sport. The assignments are as follows:

Fort Campbell Region—Bowling Green, Caldwell County, Christian County, Fort Campbell, Franklin-Simpson, Henderson County, Hopkinsville, Madisonville-North Hopkins, North Hardin, North Marshall, Trigg County

East Jefferson Region—Durrett, Eastern, Fern Creek, Henry County, Jefferson County, Jefferson County, Seneca, Westport

West Jefferson Region—Ahrens Trade, Flaget, Kentucky School for the Blind, Louisville Country Day, Pleasure Ridge Park, St. Xavier, Trinity, Valley, Waggener, Western

Lexington Region—Boone County, Bryan Station, Campbell County, Danville, Frankfort, Johns Creek, Kentucky School for the Deaf, Lafayette, Millersburg Military Institute, Newport Catholic, Woodford County
