Football

BALL HANDLING IN FOOTBALL, j-s-c-a, 1 reel, $2.00.
Fundamentals of ball handling are stressed: stance, grip, "feel" of the ball, fingertip control adjustment before throwing or kicking, receiving passes from center or from a back, catching passes and punts, ways of carrying ball, and changing from one hand to another. Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c-a, 1 reel, $2.00.
Fundamentals of good blocking are taught in this film: position, speed, drive, follow-through, timing, and body control. Describes shoulder and body blocks, demonstrating several varieties of these. Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

OFFICIAL FOOTBALL, j-s-c-a, 3 reels, color, $1.00.
This film portrays the play situations covering the basic rules of football as played under the National Alliance Code. The theme is centered around the official interpretations of the rules as they apply to the three teams always present on the field, the home team, the visiting team and that all important third team, the officials.

TACKLING IN FOOTBALL, j-s-c-a, 1 reel, $2.00.
Tackling properly is shown as the result of application of certain fundamentals: good physical condition, speed, body placement, drive, sure grip, timing, and body control. Shoulders and cross body tackles are demonstrated in various ways, with special instructions for safety and means of reducing shock.

THIS IS FOOTBALL, e-j-s-c-a, 3 reels, color, $1.00.
Centered around the four S's-science, speed, skill and safety. Demonstrations cover basic rules that will aid the official, coach, players, and fan. Play situations are used to establish standards.

KNOW YOUR FOOTBALL, e-j-s-c-a, 3 reels (30 min.), color, $1.00.
Gives a visual approach to the written rules. Play situations challenge the viewer's knowledge and clarify many rules interpretations. Recommended for fans, officials, coaches and players.

Attention, Principals!

A list of registered football officials appears in this issue of the ATHLETE. Principals and coaches should study the current list to determine whether or not all officials with whom contracts have been signed have registered this fall. Supplementary lists of officials will appear in subsequent issues of the magazine. By-Law 22 provides that member schools shall use registered officials in all football and basketball games, and that failure to comply with this regulation makes the home school liable for suspension. If there is any question about registration, the official should be asked to present his card.

Preston Holland
President

Ralph C. Dorsey
Vice-President

Veteran football coach Preston Holland, Assistant Superintendent of Murray City Schools, was elected president of the Kentucky High School Athletic Association's Board of Control in a meeting held on August 10, 1968. Supt. Ralph C. Dorsey of the Caverna Independent School District, who retired from coaching a year ago after 22 years of experience, was named vice-president. The two men represent respectively Sections 1 and 3.

Mr. Holland was born in Murray, Kentucky. He attended the Murray Grade School and High School, graduating in 1924. He received his A.B. Degree from Murray State College four years later, after having lettered in football, basketball and baseball. He has done graduate work at the University of Kentucky, and he received his M.A. Degree from Murray State.

Following his graduation from college, Mr. Holland was principal and coach at Almo High School for two years, after which he joined the Murray High School staff as coach of football, basketball, baseball and track. He has been at Murray since that time, currently being Athletic Director and Head Football Coach. His 1961 football team won the Class A championship. He is a past President of the Murray State Alumni Association. In baseball he organized the first little league in Kentucky, serving as state director for several years. In 1967 he received one of twelve awards for distinguished service given by the National High School Athletic Coaches Association. He has been a K.H.S.A.A. director since 1961. For many years he was an Elder in the First Christian Church of Murray.

Ralph C. Dorsey was born in Scottsville but has lived most of his life in Horse Cave. He graduated from Horse Cave High School in 1933, later attending Indiana University on a basketball scholarship and receiving his B.S. degree with a major in Physical Education.

After serving five years in the United States Army during World War II, Captain Dorsey returned to his home town and served as a teacher and coach for four years. During this time he attended summer school at Western Kentucky State College and received his M.A. degree.

The sectional representative lettered in basketball and baseball for four years in high school, and he received varsity basketball letters for three years at Indiana. He was twice an all-state high school player in Kentucky. From 1950 through 1954 he served as a 12-grade principal, and as basketball and baseball coach for the Caverna High School. He took his basketball team to the State Tournament twice. His baseball teams went to the State Tournament three times, winning the championship in 1961. For the past fourteen years he has served as Superintendent of the Caverna School District.

Mr. Dorsey is an active member of the Horse Cave Methodist Church where he has served as Church School Superintendent, teacher and church lay leader. He is currently chairman of the church official board. He belongs to the various educational associations at the local, state and national levels. He serves actively in the Rotary Club and the Chamber of Commerce. He has been honored as "Man of the Year" by the Horse Cave Chamber of Commerce. He is a member of the Caverna Memorial Hospital Board of Directors. For the past eighteen years he has been secretary-treasurer of the Southern Kentucky Athletic Conference. He was President of the Kentucky Coaches Association in 1962-63.

FROM THE COMMISSIONER’S OFFICE

Attention, Officials!

The attention of all registered K.H.S.A.A. football, basketball and baseball officials is called to By-Law 29, Section 9, which provides that the officials shall be supplied with an emblem which he shall wear on his shirt or sweater. This rule will be enforced strictly in 1968-69 as it has been in recent years. The emblem is to be worn on the left; shoulder shirt sleeve approximately one and one-half inches below the shoulder seam. The approved or certified bar should be worn below the emblem. Failure to wear the emblem will make an official liable for suspension from the Officials’ Division of the Association.

Recommended uniforms are as follows:

Football—black and white striped shirt (long or short sleeves), black baseball cap with white piping, white knee pants, black belt, black stockings, black shoes and laces;

Basketball—black and white striped shirt (short sleeves, long sleeves by special permission), black trousers, black belt, black shoes and laces;

Baseball—navy blue or black trousers, black athletic leather shoes (not football shoes), navy blue coat or jacket, navy blue shirt if working coatless, white shirt if wearing coat or jacket, white shirt on bases if all base umpires are dressed the same, umpire’s navy cap (no player caps), indicator and mask of choice, inner protector or inflated protector (inflated type if official desires to purchase), black belt, black shoes and laces, black tie with white shirt.

School for Basketball Officials

The Twentieth Annual School for Basketball Officials was held at the Ramada Inn, Lexington, on August 43, 1968. Basketball Clinic Director Charlie Vettiner directed the school.

The services of the area representatives who attended the school will be available to Association member schools throughout the basketball season. The men will conduct additional clinics for officials, coaches, and players; and assist beginning officials in registration.

K.H.S.A.A. area representatives who attended the school were: Rex Alexander, Murray; Charlie Irvin, Hopkinsville; Jerry Kimmel, Beechmont; Howard Gardner, Elizabethtown; Claude Ricketts, Louisville; Hubert Loudermilk, Louisville; Roy Winchester, Bethleham; Bob Miller, Fort Thomas; Howard Rogers, Winchester; Billy Wise, Lexington; Bob Foster, Science Hill; Billy Joe Golden, Lynch; Goebel Riter, Whitesburg; E. B. May, Jr., Prestonsburg; Ernie Chattin, Ashland.

In Memoriam

Garrett Beshear

Garrett Beshear, coach at Murray University School and one of Murray State University’s all-time great basketball players, died of a heart attack July 24 at Michigan State University.

Beshear, 46, was at Michigan State to attend a Driver Training and Safety Institute. He had coached basketball and baseball at University School since 1954.

Beshear enjoyed a storybook career at Murray State where he enrolled as a 27-year-old World War II Army veteran in 1949. Known as “Daddy,” he won All-Ohio Valley Conference honors three consecutive years and was a member of Murray State’s first OVC championship team in 1952.

Second highest scorer in Murray State history with 1639 points during his career, Beshear still holds the record for the highest per game average during a single season—23.8 during 1953, when he was 30 years old. His single game scoring record of 41 was broken only recently.

In addition to coaching duties at the University School, Beshear taught driver safety and physical education. During the summer he taught swimming classes for elementary and pre-school children.

A native of Dawson Springs in Hopkins County, Beshear was scheduled to begin a program in driver education and safety at the university this fall. However, he planned to continue coaching. He was attending the driver education session at Michigan State for the third summer.

Beshear earned the B. S. degree in 1953 and the M. A. degree in 1958 at Murray State. He had also done graduate work at Indiana University.

Besides being known for his basketball playing and coaching, Beshear was an avid outdoorsman and was widely acclaimed one of the best bass fishermen and quail hunters in western Kentucky.

Beshear is survived by his wife, Lucy; two sons, Gary, a lieutenant in the Army, and Keeney, a student at Murray High School; and his mother, Mrs. Ethel Beshear of Dawson Springs.

**THE KENTUCKY HIGH SCHOOL ATHLETE FOR SEPTEMBER, 1968**
The Flying Dutchman

An Open Letter to
Mr. J. H. Sourd, Commissioner
Kentucky High School Athletic Association
Lexington, Kentucky

Dear Ted:

Legend has it that many years ago The Flying Dutchman set sail on an endless voyage and that even now this phantom ship plagues the waters of the
seven seas. Kentucky's Flying Dutchman set sail in October of 1942 from your Henderson Port of Com-
missioner and will complete the second voyage of a
Flying Dutchman at his home port of Louisville twenty seven years later, on October 7, 1968, when the 1968 basketball clinic program ends.

Ted, how does one fellow who has been associated with another fellow for what amounts to a lifetime for many people tell his friend that the road they have traveled together for so long is now forking and that their professional association is at an end? But this is my task.

Back in 1942, when I became the pioneering recreation director of Jefferson County, Kentucky, I officiated my last state basketball tournament in March in the old Armory in Louisville. I then walked to the box of my recreation board chairman, Max Sanders, and made him a present of my sweaty basketball official's shirt. There were two reasons for this, the first being that I was officiating my last game and wouldn't need the shirt anymore; and the second that my one hundred per cent effort from this point forward would go toward developing an outstanding recreation program for Jefferson County.

Because of my great love for basketball, Dick Van Hoose, who was a charter member of the first Jefferson County Recreation Board, suggested that I should remain as your Dean of Basketball Officials and as the Rules Interpreter of Kentucky. This afforded me the opportunity to train Kentucky's officials and to strive for uniformity of officiating. Some uniformity has been achieved.

It's hard for you, Ted, and other Kentuckians to realize this but although I am a professional park and recreation man, I have had so little time to spend on recreation for myself that my fun and my greatest enjoyment has been those annual clinics, schools for basketball officials and the friendship of the many people of boards of central members over the years. As niosalgia creeps into my letter, I thank God for the hundreds of friends the basketball clinics have spawned for me over our state and say a prayer for those friends of the Dutchman who made their lives count for kids and have moved on into eternity. You know, Ted, of all the fellows whom I believe being actively engaged in basketball when The Flying Dutchman set sail in 1942, you and Ashland's dearly-loved and highly-respected Ernie Chittin will be the only remaining as I check out.

After twenty-seven years in the work of training Kentucky's basketball officials, it's like 'cutting a chuck of ham' when he has to end such an era. When I told you in Lexington, back in August, that I was going to write this letter, I had a lump in my throat all the way back to Louisville. I know that you and my friends from the mountains through the Bluegrass to the Pennyrile will ask, 'Why is The Flying Dutchman giving up this thing that he loves?' -- and you have a right to know.

Back in 1942, when I was teaching at Fairdale High School, and from 1946 through 1967, while I was Director of Recreation and Parks for Jefferson County, Kentucky, I had some spare time which became less and less as my Jefferson County's Program of Parks and Recreation expanded. Kentucky's Flying Dutchman was the country's largest and one of the nation's big four in 1967. An exciting change took place on December 1, 1967, when Mayor Kenneth Schmied of Louisville and Judge Marlow W. Cook of Jefferson County asked me to head the merged park and recreation systems of Louisville and Jefferson County. Writing the plan of merger and implementing it required seven days each week, leaving only a few waking hours for me to give to the preparation of my clinic work.

Ted, I still thought that, even though I was now doing two park and recreation jobs, that I could still hang on (and I did want to) to my association with the K.H.S.A.A. Then came the announcement that Louisville's multi-million dollar Zoological Gardens, as well as the Belle of Louisville, would also come under my direct supervision—this did it. Ted, Apparently the Man Upstairs is saying, "Charlie, your whistle is needed more in the ghettos of Louisville than in the basketball clinics of Kentucky; you've also got to get 5,000 additional acres of park ground for metropolitan Louisville and Jefferson County before I blow the whistle on you."—So it is that The Dutchman closes one more door, opens another and wonders how many more doors there are.

It's hard for me to tell you, Ted, how much your friendship and the opportunities you have given me have influenced my life. It was through my connection with you and the K.H.S.A.A. that I was privileged to become a close friend and to be associated with that "Giant of a Man," Cliff Fagan. Then there was the great John Bonn, Milt Sonnemon, Herman Keller, Phil Eskew, Harold Meyer, Paul Landis, Dave Arnold, George Ireland, H. V. Porter, L. V. Phillips, Bob Hinshaw, Bud Foster, and countless others from coast to coast. Again, it was with your recommendation that I was named a member of the National Basketball Rules Committee of the United States and Canada. Thanks, Ted!

There's another chap I must pay tribute to as I finish my era of training basketball officials for the Kentucky High School Athletic Association—that's Earl Ruby, of the Louisville Courier-Journal. When I did that first clinic for you in 1942, gasoline was being rationed because of the war and when I left Louisville for my 1900 mile trip over the state, I had coupons good for only twelve gallons of gasoline. Earl pub-

licized in his "Ruby's Report" that I was carrying a tow rope and for all good citizens to give me a tow. I was towed halfway over the Commonwealth that year. If Earl will check his reports for either October or November of 1942, he will find his story of a big moving van hauling me and my car from Cincinnati to Aberdeen, Ohio. At Aberdeen, Coach Earle Jones and a crew of his ball players pushed me across the bridge to the Mayaville Clinic. Incidentally, Ted, without Earl Ruby's constant help I doubt that I would ever have gotten my parks and recreation program into the Kentucky program in 1946, as well as my first rules clinic in 1942.

Yes, Ted, there are lots of fond memories and all of them come rushing back to me as the twenty seven year voyage of Kentucky's Flying Dutchman ends. You know that I am a sentimental fellow and believe me when I say that this last clinic trip over Kentucky has got to be my "Sentimental Journey." Sincerely your friend,

Charley Vettiner

Football Examination

Part II of the National Federation Football Examination for officials will be given in Kentucky on Monday, September 16. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the Approved rating in football are required to make a minimum percentage grade of 80 in order to maintain this rating from year to year. After an official has received the Certified rating, he continues to receive this rating each year provided that he attends the clinic for that year and has worked in at least six first team high school football games during the previous year. Eligible officials who wish to take the test should write to the State Office at once.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Ken-Bar Hotel, Kentucky Dam Village, on Saturday morning, August 10, 1968. The meeting was called to order by retiring President Don R. Rawlings at 9:30. Present were Board members Alvin Almond, Morton Combs, Don Davis, Ralph C. Dorsey, James T. Dotson, Preston Holland, and Foster J. Sanders; Commissioner Thos. A. Sanford, Assistant Commissioner J. B. Mansfield, and former Board member Oran C. Teater. The invocation was given by Foster J. Sanders.

Don Davis moved, seconded by Ralph C. Dorsey, that the reading of the minutes of the June 7th meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

New Board member James T. Dotson was welcomed to the Board by Mr. Rawlings, who also complimented Mr. Teater on the contribution which he had made to the Association during his eight-year tenure as a member of the Board of Control.

President Rawlings stated that the next order of business was the election of President and Vice-President of the Board. Foster J. Sanders moved, seconded by Morton Combs, that Preston Holland and Ralph C. Dorsey be elected President and Vice-President of the Board of Control respectively by acclamation. The motion was carried, with Messrs. Holland and Dorsey not voting.

Mr. Rawlings, in turning the chair over to Mr. Holland, stated that he had especially enjoyed the 1967-68 year as Board President, and that he appreciated the cooperation which had been given him by the other members of the Board.

President Holland thanked the members of the Board for electing him to the presidency, also complimenting Mr. Teater for the service which he had rendered the Association. An appropriate response was made by Mr. Dorsey, Mr. Teater thanked the Board for electing him to the vice-presidency.

The Commissioner made a report to the Board on Association receipts and disbursements during the year 1967-68. Copies of the audit, recently prepared by Huet L. Johnson of Louisville, Certified Public Accountant, had been mailed to the members of the Board. James T. Dotson moved, seconded by Alvin Almond, that the financial report presented by the Commissioner be accepted. The motion was carried unanimously.

It was the decision of the Board members that the full meeting of the Board be held in Lexington on October 12.

President Holland stated that the 1968-69 committees, to be appointed by him, would be announced later.

Don R. Rawlings moved, seconded by Morton Combs, that all bills of the Association for the period beginning June 1, 1968, and ending July 31, 1968, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

Schools Ratings on Basketball Officials

The following ratings were received on basketball officials registered with the K.H.S.A.A. during 1967-68. The numbers following each name respectively represents the number of games won, good, fair, and bad.
Baseball Film

A print of the new baseball film, KNOW YOUR BASEBALL, has been rented by the K.H.S.A.A. from Official Sports Film, Inc., and has been placed on loan with the Film Library, College of Education, University of Kentucky.

KNOW YOUR BASEBALL is produced under the sanction and supervision of the National Federation of State High School Athletic Associations and allied groups. This film is the twenty-seventh in the series of official films and the seventh baseball film.

Wilson Sporting Goods Co. and Wheaties Sports Federation are again serving as co-sponsors of the film as they have for all previous films.

The scenes for KNOW YOUR BASEBALL were filmed at Terry Park, spring training site for the Pittsburgh Pirates in Ft. Myers, Fl. The new official film is made in 16mm sound, with running time of approximately 27 minutes. It was produced under the sanction of the National Federation of State H. S. Atl. Assoc. and allied groups. The host state for the film was the Florida H. S. Activities Assoc. Playing personnel were chosen from the Fort Myers Sr. H. S. Members of the National Federation of High School Athletic Associations made up the technical staff; they assure the authenticity of the rules for the play situations filmed.

KNOW YOUR BASEBALL—What is an appeal, a charged conference, a balk, runner interference? These and many other questions are answered in KNOW YOUR BASEBALL. Modern photographic techniques, such as: stop-action, split-screen, and instant replay are combined with colorful play situations to provide a truly outstanding presentation of the rules of baseball. The interesting and informative film will add a great deal to the understanding and enjoyment of the great American pastime, baseball.
