MINUTES OF THE ANNUAL MEETING

The fifty-second annual meeting of the Kentucky High School Athletic Association was held at the Brown Hotel, Louisville, on Thursday afternoon, April 10, 1969.

President Preston Holland called the meeting to order at 2:30, and asked the Commissioner to call the roll. Sixty regularly elected delegates or alternates answered the roll call.

Edwin K. Binford moved, seconded by John W. Trapp, that the minutes of the 1968 meeting of the Assembly which had been sent previously to all members be approved without being read. The motion was carried.

Commissioner Sanford then gave a report on the activities of the Association during the 1968-69 school year. (The report of the Commissioner appears elsewhere in this issue of the magazine.)

President Holland announced the election of Robert G. Fisher and Tom Mills to membership on the Board of Control for a four-year period, beginning July 1, 1969, representing respectively Sections 1 and 6.

President Holland stated that consideration of the proposals was the next order of business.

James A. Pursfull moved, seconded by Gary Knight, that Proposal I, providing that the Kentucky School for the Blind, in competition with similar schools in other states, may compete under the eligibility rules of the National Association of Schools for the Blind, be adopted. The motion was carried with no dissenting votes.

John W. Trapp moved, seconded by Edwin K. Binford, that Proposal II, providing that the name of a disqualified player shall be reported to the Commissioner by the principal of the school which that player attends, be adopted. The motion carried by a vote of 57-5.

Arthur Mullins moved, seconded by Gary Knight, that Proposal III, providing that a school playing an ineligible player shall be suspended from the Association or otherwise penalized, be adopted. The motion carried by a vote of 58-1.

Jack Fultz moved, seconded by Joe Ohr, that Proposal IV, providing that gymnastics, wrestling, and rifle marksmanship be added to the excepted activities in By-Law 8, be adopted. The motion carried with no dissenting votes.

Arthur Mullins moved, seconded by Gary Knight, that Proposal V, providing that the head coach in football, basketball and baseball shall attend one clinic in the sport involved, be adopted. The motion carried by a vote of 54-4.

Paul Wright moved, seconded by Arthur Mullins, that Proposal VI, setting forth qualifications for officials receiving the higher classifications in baseball, be adopted. The motion carried by a vote of 52-6.

Roy D. Reynolds moved, seconded by K. B. Sidwell, that Proposal VII, making March 1 instead of March 20 the deadline for submitting proposed changes in the Constitution and By-Laws to the Commissioner's office, be adopted. The motion was carried unanimously.

Gary Knight moved, seconded by John W. Trapp, that Proposal VIII, providing that member schools shall use registered officials in all football, basketball and baseball games, be adopted. The motion carried by a vote of 58-13.

John W. Trapp moved, seconded by Edgar McNab, that Proposal IX, providing that a contestant becomes ineligible on his twentieth birthday, be tabled. The motion to table Proposal IX carried by a vote of 46-3.

Paul Wright moved, seconded by Arthur Mullins, that Proposal X, providing that a contestant becoming nineteen years of age after a sport season has started shall remain eligible for the remainder of the season in that sport, be adopted. Marvin F. Stewart moved that Proposal X be amended, to read as follows: "A contestant becomes ineligible on his nineteenth birthday with the following exceptions: If the age of nineteen is attained after the sport season has started, he remains eligible for the remainder of the year in all sports, provided he has not been held back or failed a grade beyond the sixth grade." The amendment failed for want of a second. The vote was then taken on the motion to adopt the Proposal, the motion carrying by a vote of 39-16. This was more than the necessary two-thirds majority.

Lindle Castle moved, seconded by Charles Wright, that Proposal XI, making certain changes in By-Law 9 concerning the eligibility of pupils in high school who have taken work in college, be tabled. The motion to table Proposal XI failed to carry by a vote of 18-22.

Charles Wright moved, seconded by Shannon Johnson, that Proposal XI be adopted. The motion carried by a vote of 32-4.

Edwin K. Binford moved, seconded by John W. Trapp, that Proposal XII, providing that "high school" be substituted for "institution of learning" in By-Law 5-5, be adopted. The motion carried by a vote of 39-4.

There being no further business, President Holland declared the meeting adjourned.

The dinner meeting of the Association was held in the Crystal Ballroom of the Brown Hotel at 6:00 P.M., with some 500 delegates and school officials present.

The Commissioner presented the Cavana Swimming Award to Coach Dick Deane of the Model High School, Richmond, which had won the 1968-69 trophy.

Recipient of the Game Guy Award was Joseph R. Carey, eleven-year-old pupil of the Fayette County Yettes School. The presentation of the award was made by Vice-President Ralph C. Dorsey.

Thirteen former Board of Control members were presented plaques for their past service to the K.H.S.A.A. The presentations were made by President Holland and Commissioner Sanford.

The Commissioner presented Charles J. Vettiner, on behalf of the Association, a plaque which read: "1942-1968, For Distinguished Service."

President Lawrence Gilbert of the Kentucky High School Coaches Association presented the Commissioner a plaque in appreciation of his leadership in promoting high school athletics in Kentucky."

The address of the evening was given by Ath. Dir. Harry C. Lancaster of the University of Kentucky. Mr. Lancaster spoke on "Enthusiasm." His talk was well received.

REPORTS PAST DUE
1. 1968-69 Basketball Participation List (Eligibility)
2. School’s Report on Basketball Officials
3. Official’s Report on Schools (Basketball)

Attention, Principals!
Approximately 100 principals of K.H.S.A.A. member schools have not as yet filed requests this school year for their insurance subsidies. If the school is underwriting all or part of its insurance protection for its athletes, the Board of Control will allow a maximum credit or refund of $60 to each school for “all sports except football,” and an additional credit or refund of $30 to each school maintaining a football team. Principals of schools which qualify for the credit or refund should write for reimbursement forms at once.

Attention, Officials!
The registration period for K.H.S.A.A. officials is and has been for several years the same as the Association fiscal year, namely, July-June. Advance applications for registration in football and basketball are not now being accepted. Previously registered officials in these sports will receive their renewal application cards at some time during the summer months after the new National Federation publications have been received in the State Office. Previously registered officials should not send in their renewal fees until they receive these cards.

The Cavana Award
As announced at the annual banquet meeting of the Association, the Model Laboratory School of Richmond won the M. J. Cavana Swimming Achievement Award for the school year 1968-69. Presentation of the trophy was made to Coach Dick Deane. This is the eighth year for the award to be given.

Four schools competed for the Cavana Award this year. They were Model Laboratory School, Highlands High School, Franklin County High School, and Notre Dame Academy. The point score for Model was 77.4. Highlands was second with 70.2.

In determining the points which a school competing for the award may accumulate, the State Swimming Committee secures the following information: 1) current school enrollment (grades 9-12), 2) number of pupils who can swim 45 feet in deep water, 3) number of pupils who can swim correctly three strokes (crawl, back crawl, elementary backstroke, breaststroke, side stroke), 4) number of pupils who hold lifesaving certificates (American Red Cross or Y.M.C.A.). The percentages of the student body qualifying are applied to items 2, 3, and 4, the maximum points for each of these items respectively being 40, 40, and 20. Ten points are given to a school having a swimming team which enters a minimum of three meets, six events in each meet. Ten points are given for team participation (six entrants) in the State Swimming Meet.

Approved and Certified Baseball Officials
Some seventy K.H.S.A.A. officials registered in baseball took the National Federation examination for the higher ratings on April 21, 1969. Officials who qualify for advanced ratings are as follows:

Minutes of Board Meeting
The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Thursday morning, April 10, 1969. The meeting was called to order by President Preston Holland, with all Board members, Commissioner Theo. A. Sanford; and Assistant Commissioner J. B. Mansfield present. The invocation was given by W. H. Crowder.

Don R. Rawlings moved, seconded by Don Davis, that the reading of the minutes of the March 27th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner stated that attendance at the recent State High School Basketball Tournament had reached an all-time high, with more than 136,000 persons in attendance during the eight sessions. He stated that, because of the short time elapsing between the tournament and the Board meeting, a complete audit of tournament receipts and expenses is not available. Such report will be presented later to the Board of Control.

The Commissioner presented to the Board of Con-
control a suggested method of breaking tie scores of football playoff games leading up to the championship game. Don Davis moved, seconded by James T. Dotson, that the method of playing off football ties, recommended by the Commissioner, be made a part of the football regulations. The motion was carried unanimously.

There was a discussion concerning the dates on which the 1970 State High School Basketball Tournament should be played. James T. Dotson moved, seconded by W. H. Crowders, that the 1970 tournament dates be in line with the original plan, namely, the tournament to end on the third weekend in March; and be that the Commissioner be authorized to sign a contract with the Kentucky Fair and Exposition Center for the tournament to be held in Louisville in 1970 and 1971, the dates for the 1971 tournament to be set later. The motion was carried unanimously.

The Commission reported the need for basketball redistricting in two areas. He stated that District 40 has now only three schools, and that there will be enough Association member schools in regions 6 and 7 in 1969-70 for each of these regions to have four districts as originally planned by the Board of Control when statewide redistricting was done in 1965.

After considerable discussion concerning the problem of placing an additional school in District 40, Don Davis moved, seconded by Don R. Rawlings, that the Bath County High School be moved from District 61 to District 40. The motion was carried unanimously.

It appeared that for 1969-70 thirty-two schools located in regions 6 and 7 would be members of the Association, thus making it possible to have eight districts of four teams each in these two regions. Don Davis moved, seconded by Don R. Rawlings, that the following alignment of schools in basketball region 6 and 7 be for 1969-70: District 21—Central, Flaget, Portland Christian, Shawnee; District 22—Butler, Bishop David, Pleasant Ridge Park, Western; District 23—Doss, Fairdale, Jesse Stuart, Valley; District 24—DeSales, Iroquois, Southern, Thomas Jefferson; District 25—Ahrens, Louisville Country Day, Male, Manual; District 26—Aber- ton, St. Xavier, Seneca, Trinity; District 27—Durrett, Fern Creek, Jeffersontown, Thomas Moore; District 28—Ballard, Eastern, Waggener, Westport. The motion was carried unanimously.

The Commissioner read a letter from Sec-Treas. Joe Ohr of the Kentucky High School Coaches Association, requesting sanction of the All-Star football and basketball games for 1970 and 1971. Ralph C. Dorsey moved, seconded by W. H. Crowders, that the sanction request from the Kentucky High School Coaches Association be granted. The motion was carried unanimously.

The Commissioner stated that in his opinion, there is a need for a modification of the current baseball regulations, with respect to interrupted games in tournament play. He suggested that the following rule be made a part of the K.H.S.A.A. Baseball Regulations: “If a game is interrupted in tournament play, it will be reset at the same point, same inning, same out or outs, same balls and strikes, same batter or number of batter in the batting order. A complete game of 6½ or 7 innings must be played.” W. H. Crowders moved, seconded by James T. Dotson, that the baseball rules change be adopted by the Commissioner and made a part of the K.H.S.A.A. Baseball Regulations. The motion was carried unanimously.

Morton Combs moved, seconded by W. H. Crowders, that the insurance subsidy for each member school for 1969-70 be a basic amount of $60,00, with an additional subsidy of $10,00 for each school maintaining football. The motion was carried unanimously.

The Commissioner was authorized to renew with the Kingdom Company of Lexington an agreement concerning catastrophic insurance coverage for K.H.S.A.A. athletes, similar to the 1968-69 policy written by Kingdom. Assuming that the plan and rates are satisfactory to both the Kingdom Company and the K.H.S.A.A. represented by the Commissioner, and that the two may be considered, assuming favorable rates and coverage.

Ralph C. Dorsey moved, seconded by James T. Dotson, that President Holland be named delegate to the forthcoming annual meeting of the National Federation. The motion was carried.

Seconded by W. H. Crowders, that Vice-President Dorsey be named alternate to the forthcoming annual meeting of the National Federation. The motion was carried.

Don Davis called attention to the fact that the contracts of the Commissioner and the Assistant Commissioner expire on June 30, 1969. The Commissioner recommended that Assistant Commissioner Mansfield be re-appointed for a term of four years, beginning July 1, 1969. Attention was called to the fact that an amendment to Article IV of the K.H.S.A.A. Constitution, adopted by a referendum sent to Association member schools, now provides that after an executive reaches the age of sixty-five, any contract given to him shall be for a term of one year. Don R. Rawlings moved, seconded by James T. Dotson, that Commissioner Sanford and Assistant Commissioner Mansfield be re-appointed for terms of one and four years respectively, beginning July 1, 1969; and that their salaries be set during the June meeting of the Board of Control. The motion was carried unanimously.

James T. Dotson moved, seconded by W. H. Crowders, that all bills of the Association, beginning March 1, 1969, and ending March 31, 1969, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

1968-69 ANNUAL REPORT
(Presented to Delegate Assembly)

Since the expanding program of the Kentucky High School Athletic Association is financed to a large extent by the profits from the State High School Basketball Tournament, it is my pleasure to announce that attendance at the tournament this year reached an all-time high. For the eight sessions more than 36,000 persons were in attendance. The short time elapsed between the tournament and the annual report has prevented the Commissioner’s office from making a complete audit on tournament receipts and expenses. Such a report will be presented later to the Board of Control, and will appear in a subsequent issue of the ATHLETE.

Three hundred sixty-two schools have joined the Association during the 1968-69 school year. This number compares with 375 members last year.

Financial reports filed by the sixteen regional basketball tournament managers show total receipts of $189,863.35. District receipts were $277,845.27. Regional receipts showed a decrease of one percent compared with 1968. District receipts showed an increase of seven percent.

Four hundred thirty-six basketball officials, 625 football officials, and 350 baseball officials have registered with the Association in 1968-69. Ten football rules clinics were held under the direction of Edgar Neabish, and ninety-six football officials took the National Federation examination for the higher ratings. Of this number, eleven were added to the Certified list, and there were forty-two officials on the Approved list. Charlie Vettiner conducted fifteen basketball clinics, and held the School (Continued on Page Five)

Annual Report
(Continued from Page Three)
for Basketball Officials, Harry Stephenson conducted a
school for baseball officials. Sixty baseball officials
are currently working for higher ratings in this sport.
Thirty-four basketball officials were added to the Certi
fied list in 1968-69, with sixty-one receiving the Approved
rating. Regional representatives in the three sports men-
tioned continue to render a fine service to the officials
and schools in their respective areas.
It has been necessary to suspend only one member
school from the Association this year. Violation of the
Preceding Semester Rule was involved.
The numbers of schools maintaining sports sponsored
by the Association are approximately the same as last
year with the exception of golf and track teams for
both boys and girls, which show a slight increase. The
1968-69 figures are: boys' golf, 157; girls' golf, 31; boys'
track, 205; girls' track, 112; boys' tennis, 76; girls' ten-
nis, 56; wrestling, 40; baseball, 301; basketball, 350;
football, 150; cross country, 104; boys' swimming, 84;
girls' swimming, 27; boys' gymnastics, 18; girls' gym-
nastics, 17; rifle marksmanship, 7.
The continued cooperation, assistance, and construc-
tive criticism of the administrators and coaches who
represent our member schools are solicited.

The Detroit Tigers, playing in the World Series for the
first time in twenty-three years, beat the St. Louis
Cardinals by four games to three. The Cardinals took a
3 to 1 game lead but the Tigers came back to win the
series. Mickey Lolich won three games for the Tigers.
Bob Gibson won two games for the Cardinals but was
the loser in the final game.
OHIO COUNTY VS. CENTRAL (1969 BASKETBALL
FINALS), e-j-s-ca-3, reels, color, silent, $1.00
Central High School of Louisville won the State
Championship by defeating Ohio County, 101-72, in the
final game. Central eliminated Richmond Madison, Hop-
kinsville, and Maytown to reach the championship
game.

The Flying Dutchman

Memories! Memories! Dreams of long ago—

Memories, lots of them, come back to the Flying Dutchman as he pens his last column for the Kentucky High School Athletic Association and for his friends all over the Commonwealth of Kentucky.

What are the things that stand out most as memories come flooding back? There was 1942 when the first clinic trip was made over Kentucky, when gasoline rationing was in effect and the Dutchman had to drive 1,500 miles with coupons good for only enough mileage from Louisville to Cincinnati. That was the year that was and the year that Commissioner Ted Sanford dubbed the Dutchman “Dean of Basketball Officials.”

1949 is the year that saw 3,300 in attendance at the clinic as compared to 96 in 1942.

1912 was the year that Ernie Chattin of Ashland showed Kentucky how a clinic could be made colorful when he packed officials from Ohio, West Virginia and Kentucky into Ashland’s Y.M.C.A., and where he rolled the red carpet out for a frightened freshman clinic director. Ernie is one of Kentucky’s noblemen.

1942 was the Dutchman’s first year to officiate a state high school basketball tournament, which was won by Western High School. Three more state tournaments later in 1946 the door closed on the officiating career to permit the writer to devote full time to a county recreation and park program, which was in its infancy in Jefferson County, Kentucky. From 1929 through 1946 the records show that the Flying Dutchman tooted a whistle in 5,001 basketball games both in and out of Kentucky. Every too was a pleasure, even those which were errors. You’ve gotta be wrong once in a while.

Men, who form a long cavalcade of friends from 1942 through 1963, include the immortal Doug Smith of Bowling Green, Oakley Brown of Brownsville, the great Russ Williamson of Inez, and the public spirited Ty Holland of Murray. In the parade are the familiar faces of Edgar McNabb, Delmas Gish, George Taylor, W. B. Owen, Raymond Ridley, Herb Ward, Bill Shattles, Letcher Norton, Adolph Rupp, Harry Lancaster, Frank Gump, John Dromo and Peck Hickman.

As the memories flood back, washed in with them are the games officiated by the Dutchman in which some outstanding successful men like Ralph Dorsey, Joe Billy Mansfield, Ed Mudd, Ralph Bead and Gene Rhodes played. These men were great kids who became fine men because of some help from high school sports.

The memory of the first game which Coach Ed Diddle gave me to officiate in Brownsville and the memory of that hectic first night must remain a treasured memory. Undoubtedly, the most poorly officiated basketball game of all time must have been recorded that night. Turner Elrod game me a whistle, “Brother Boy” Haynes lent me some white duck trousers, and Tom Ellis lent me encouragement, and off the Dutchman went to officiate the toughest game of that area on his virgin officiating assignment. The Dutchman made a mistake that night when he rode to Brownsville with the Woodburn team, the Brownies’ opponents of the evening.

Memories of the dearly loved Ray Baer and the kindly, gentlemanly Nick Denes come back. The greatest Saint X to the memory of Ray Baer is that he left his footprints in the sands of time, which have caused many boys to become good men. Nick Denes will always be remembered for his love of people, his willingness to serve and his ability to create champions both on the hardwood and the gridiron.

Whenever the Dutchman heads down into western Kentucky, he will always look around Madisonville to see if the ageless Bill Ulley or the greatly revered Sam Pollock are waiting to extend friendly helping hands. Whatever became of the Cox twins of Hopkins County, two fine athletes?

As the sands of the hourglass run out memories of the schools for basketball officials, the Corn Cob Pipe Awards, the Lion Heart and Game Guy program, and the memories of all of the Kentuckians who made these programs successful come back. Standing like two giant oaks in the high school forest of athletics and in the college woodland of sports are Ted Sanford and Ed Diddle. When all is said and done, it is the Dutchman’s opinion that these two are among the greatest contributors to wholesome sports and the development of clean, hard fights. From Ted Sanford the Dutchman learned the lesson of frugality and the way to make a dollar go a long way, while from Ed Diddle he learned how to fight. The famous words of Diddle have served this writer in good stead over many years of public service. “Charlie, you are a little guy and you’re gonna get knocked down many times. Just keep getting back up and you can never be beaten.” In our age of competition the fellow who stays down the first time he takes a hard punch is a loser. Coach Diddle taught that lesson well.

With the lesson this Dutchman learned from the grand old man of Bowling Green he passes along to young men who will follow, this test: “The test of a man is the fight he makes; the grit that he daily shows; the way he stands on his feet and takes fate’s numerous bumps and blows. A coward can smile when there is naught to fear, when nothing his progress bars; but it takes a man to stand up and cheer when some other fellow starts. It’s the knockers that you take and the jolts you get, the shock that your courage stands; the hour of sorrow and vain regret, the prize that escaped your hands—these test your mettle and prove your worth. It isn’t the blows that you deal, but the blows you take on this good old earth, that show if your stuff is real.”

When little Joey Carey of Lexington, the Game Guy winner of 1969, was honored at the annual K.I.S.S.A. Sports Dinner in Louisville in April for overcoming a physical handicap to engage in sports, and when Bobby Kirchdorfer, the first Game Guy winner in 1949 attended the same dinner, it was like the alpha and the omega, although the Game Guy Program must go on and on. At Carter Caves John Gettler, Julian Walker and Shirley Watts discussed the value of the Game Guy Program this week and commented that all of the Flying Dutch-
man projects should be like the poet’s stream, “Men may come and men may go but the brook goes on forever.” These gentlemen were right—the race goes on; only the people change.

Nobody will ever top Somerset’s athletic director, Bill Clark, or Elizabeth-thrown Howard Gardner as the host with the most. Country ham dinners were Bill Clark’s specialty while Howard was a whiz with a T-bone, but the real T-bone charcoaler per excellence has to be the “Sage of Eastern Kentucky”—Ernie Chappin.

Those trips to Indianapolis and Columbus for L. V. Phillips, Bob Hinshaw, Herman Keller, Phil Eskew, Paul Landis and Harold Meyer are fond memories of fine people. The associations with Oswald Tower, H. V. Porter and the giant of them all, “the human dynamo,” Cliff Fagan, were rare privileges. Notre Dame had its “Four Horsemen” and the Dutchman names his fabulous four: (1) Cliff Fagan (2) John Bunn (3) Earl Ruby and (4) Kelly Thompson.

From 1942-1969 the Dutchman learned many lessons from many people and these are passed on to young men who will follow in this poem:

THE MAN IN THE GLASS

When you get what you want in your struggle for self
And the world makes you king for a day,
Just go to a mirror and look at yourself,
And see what that man has to say.

For it isn’t your father or mother or wife
Whose judgment upon you must pass,
The fellow whose verdict counts most in your life
Is the one staring back from the glass.

You may be like Jack Horner and chisel a plum
And think you’re a wonderful guy,
But the man in the glass says you’re only a bum
If you can’t look him straight in the eye.

He’s the fellow to please—never mind all the rest,
For he’s with you clear to the end,
And you’ve passed your most dangerous, difficult test
If the man in the glass is your friend.

You may fool the whole world down the pathway of years
And get that on the back as you pass,
But your final reward will be heartache and tears
If you’ve cheated the man in the glass.

Minutes of Meeting

K.H.S.A.A. Swimming Committee

The Swimming Committee of K.H.S.A.A. held a meeting in Room 201, Kentucky Hotel, Louisville, 7:30 p.m., April 9, 1969. The following members were present: Miss Dorothy Kirkpatrick, Mr. Edgar McNabb, Mr. Jack Thompson, Mr. Don Davis, and Mr. Alfred Reece. Commissioner Theodore A. Sanford and Assistant Commissioner J. B. Mansfield were also present. (Five other members of the committee were not present.)

The meeting was conducted informally as has been customary. There was open discussion. However, most of the topics discussed were confined to the following: 1. The classification system for K.H.S.A.A. swimming.
After considerable amount of dialogue which included a comprehensive review of the development of the present system by Commissioner Sanford, it was the consensus that the present system remain in force.

2. Officializing at meets.

There was much discussion on the problem of securing adequate, qualified, and responsible officials, especially at the levels involving lane timers, take-off judges, and inspectors. The committee agreed that more attention should be given this concern even if such action is incurred the cost of operation of conducting the meets.

3. The date.

The date for the Class AAA meets were agreed generally to fall in 1970 on February 20 and 21 at Plantation Swim Club, Louisville. The Class AA meet was tentatively set for either February 27 and 28, or March 20 and 21, or April 3 and 4, at the UK Coliseum Pool in Lexington, March 28, "Easter Saturday," was reserved for the annual K.H.S.A.A. Gymnastics meet.) The reason for not making a final decision was apparent because the Board of Control had not convened to decide on the Basketball Tournament dates.

4. Meeting adjourned at 9:26 p.m.

Respectfully submitted,
Alfred M. Reece, Jr.
Committee Chairman

The State Gymnastics Meet

Two Fayette County Schools, the Bryan Station High School and the Tates Creek High School, won respectively boys' and girls' state championships in gymnastics during the 1969 K.H.S.A.A. State Gymnastics Championship Meet, held in Louisville on April 5, 1969.

Total points scored by the Bryan Station team were 95. The Iroquois High School was second with 81. Scores in the girls' meet were more one-sided, the points of the Tates Creek team being 66 to Ashland's second-place score 30.

Coach George Jefferson of Iroquois was general manager of the two divisions of the meet, being assisted by Coach Sheila Kuhlman of the Doss High School who was in charge of the girls' events.

Seven schools entered teams in the boys' division. They were: Bryan Station, Iroquois, Pleasure Ridge Park, Lafayette, Thomas Jefferson, Tates Creek, and Lincoln School. There were eleven schools enrolled in the girls' divisions. They were: Tates Creek, Ashland, Iroquois, Doss, Pleasure Ridge Park, Atherton, Butler, Bryan Station, Lafayette, Lincoln School, and Thomas Jefferson.

"An Athlete's Prayer"

"Help me to play the game, dear Lord, With all my might and main;
Grant me the courage born of right, A heart to stand the strain . . .
Send me a sense of humor, Lord, To laugh when victory's mine—
To laugh if I should meet defeat, Without a fret or whine.
Give me the grace to follow rules, To fess up when I'm wrong,
When silence or the other thing Wins plaudits from the throng . . .
When foes are tough and fighting fierce, A broad, bright yellow streak.
And I am getting weak, Without a fret or whine.
A bide, dear God, don't ever let me show And teach me, Lord, life's game to play,
Just one day at a time— With Thee as coach and trainer, Lord,
Real victory must be mine."
