Attention. Principals!

A list of registered football officials appears in this issue of the ATHLETE. Principals and coaches should study the current list to determine whether or not all officials with whom contracts have been signed have registered this fall. Supplementary lists of officials will appear in subsequent issues of the magazine. By-Law 22 provides that member schools shall use registered officials in all football, basketball and baseball games, and that failure to comply with this regulation makes the home school liable for suspension. If there is any question about registration, the official should be asked to present his card.

New Basketball Film

A new basketball film, BASKETBALL BY THE RULES, has been produced by the National Federation of State High School Athletic Associations. The film was released in July of this year. Three prints of the film (16 mm, twenty-eight minutes, sound film in color) have been secured by the K.H.S.A.A. and placed on loan with the Film Library, College of Education, University of Kentucky.

The film is designed to provide the viewer with a better understanding of the rules and a finer appreciation of basketball as played at the interscholastic and intercollegiate levels. Through the use of slow-motion photography, stop action and instant replay, colorful play situations illustrate the guidelines used by officials in making these tough judgment decisions that constantly occur in basketball.

BASKETBALL BY THE RULES presents the more pertinent areas of the rules code in an entertaining and informative manner. The screening principles are explained in scenes showing the blind, visual, and moving screens. A blocked field goal, the closely guarded player and the mid-court restrictions are shown as each applies to a held ball situation.

BASKETBALL BY THE RULES shows the action covered by the center division line such as a legal return to the back court, a return following a jump ball or a throw-in, and the floor position of player in the air. The jump ball restrictions in regard to the jumping circles, the jumpers and the nonjumpers are illustrated.

The film explains legal and illegal contact between players by showing incidental contact and pointing out the player responsible for illegal contact. Violations of the free throw rule by the defense and offense are explained along with the boundary lane and space restrictions. Illustrated in the film are situations involved in timing such as the status of the ball when the clock stops and starts, when the ball becomes alive and dead, and when there is a try-in-flight as a period ends.

A portion of the picture is devoted to the mechanics of officiating. The positions of the lead and trail officials are outlined. The signals for violations and fouls are given along with other information to help the referees and enlighten the fans.

Correction

Attention, Football Officials!

Assistant Commissioner Billy Wise in his Pineville and Hazard football clinics gave an incorrect interpretation of Rule 4-2-2a, based on information which came from the National Federation office prior to the clinics. A bulletin correcting the interpretation reached the K.H.S.A.A. office in time for the correct interpretation to be given at the subsequent clinics.

William B. Fagan is stated in the first two clinics that, on an extra point attempt, if the holder fumbles the ball while his knee is on the ground, upon regaining possession he may still hold for a kick, or he may stand up and run or pass the ball. The correct interpretation by National Federation Secretary Clifford B. Fagan is that, if the holder fumbles the ball while his knee is on the ground, upon regaining possession he may still hold for a kick but he may not get up and legally advance.

BOARD MINUTES

(Continued from Page One)

70 year. Copies of the audit, recently prepared by Huet L. Johnson, Certified Public Accountant, were presented to members of the Board.

The Commissioner, speaking for the Building Committee, stated that Attorney Calvert T. Roszell had filed with the Fayette County City-County Planning Commission an application for a zoning change which would allow the K.H.S.A.A. to construct its proposed new building on Cooper Drive.

Messrs. Davis and Sanford reported on the recent National Federation Annual Meeting which had been attended by the K.H.S.A.A. administrative staff and most Board members. Mr. Davis stated that most of the program had been very good, and that the speakers at the general sessions had been quite outstanding. The Commissioner reported on the business meeting of the National Council.

The Commissioner stated that several high school competitors who probably might have represented K.H.S.A.A. member schools in one or more athletic contests had been engaged in the United States Youth games, either at the state, regional, or national level. He asked that he be given delegated authority by the Board of Control to restore to eligibility any participant who may have made himself or herself ineligible by taking part in the United States Youth games.

James T. Dotson moved, seconded by W. H. Crow dus, that the request of the Commissioner be granted. The motion was carried unanimously.

President Davis announced the personnel of four committees, stating that the membership of the Swimming and Gymnastics committees would be determined at a later date. The committees as announced for 1970-71 are as follows:

Personnel and Policy—Chairman Richard Vincent; James T. Dotson, Roy L. Winchester (The President and the Commissioner are ex-officio members of this committee.)

Building—Chairman Tom Mills, J. C. Cantrell, J. B. Mansfield (The President and Commissioner are ex-officio members of this committee.)

Trophy—Chairman J. B. Mansfield, Theo. A. Sanford, Billy V. Wise (The President is an ex-officio member of this committee.)

Retirement—Chairman W. H. Crow dus, Morton Combs (The President is an ex-officio member of this committee.)

James T. Dotson moved, seconded by Richard Vincent, that all bills of the Association for the period beginning June 1, 1970, and ending June 30, 1970, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.
