THE FORT CAMPBELL HIGH SCHOOL
1971 CHAMPIONSHIP WRESTLING TEAM

(Left to Right) Front Row: Ronnie Chapman, Mike Cassity, Alan Boyd. Second Row: Herman Harris, Sonny Ignacio, Ron Southers, Gene Southers, Tony Green. Third Row: Ass’t Coach Rocky Cobb, Mike Soares, Mitch Waters, Ray Cimbalnik, Leo White, Coach Marshall Patterson.
Modern Ides of March

The gym lights gleam like a beacon beam
And a million motors hum
In a good will flight on a Friday night:
For basketball beckons, "Come!"

A sharp-shooting mite is king tonight.
The Madness of March is running.
The winged feet fly, the ball sails high
And field goal hunters are gunning.

The colors clash as silk suits flash
And race on a shimmering floor.
Repressions die, and partisans vie
In a goal acclaiming roar.

On Championship Trail toward a holy grail,
All fans are birds of a feather.
It's fiesta night and cares lie light
When the air is full of leather.

Since time began, the instincts of man
Prove cave and current men kin.
On tournament night the sage and the wight
Are relatives under the skin.

It's festival time,—sans reason or rhyme
But with nationwide appeal.
In a world of hate, our ship of state
Rides high on an even keel.

With war nerves tense, the final defense
Is the courage, strength and will
In a million lives where freedom thrives
And liberty lingers still.

Let commies clash and empires crash
'Neath the wreck of a victory arch!
Let our boys tread where hate is dead,—
In this happy Madness of March!

—H. V. Porter.
I BELIEVE IN YOU
by James Jeffrey, Executive Director
Fellowship of Christian Athletes

EDITOR'S NOTE: James Jeffrey made the following presentation to the Lawrence, Kansas High School assembly in April, 1970. It expresses in Mr. Jeffrey's inimitable style a philosophy which everyone who is involved with students through academics, activities, or athletics must have.

What would you say is the greatest compliment that you have ever received: Would you think life's highest praise would be terms like you're the most beautiful or most handsome? You're the greatest athlete or intellect? I think the greatest compliment that a person can bestow upon another human being is to say sincerely, "I Believe In You!" To place one's faith in another is to transfer part of one's life to that person! Why? Because faith is the foundation of all reality; it is the bedrock of life. All knowledge, religion, philosophy, and science is ultimately grounded upon some kind of faith! Without faith governments fall, banks close, teams lose, and people commit suicide! With faith the weak became strong, the ignorant become learned, the failures succeed, and mankind rises to new heights.

I want to pass to you, the youth of America, the greatest compliment I know: I want to say with all the sincerity of my being that I Believe In You! This is not cheap easy flattery, for flattery insults. I say this out of years of working with thousands of young athletes throughout America. In fact I Believe In You so much that I have given my life, twenty-four hours of every day to serve, challenge, and motivate the youth of America. In reality I have bet my life on you. In the six and a half years that I have worked as Executive Director of the Fellowship of Christian Athletes, I would estimate that I have appeared before hundreds of thousands of the finest high school, college, and professional athletes from all over the United States. I have talked personally to multitudes of them. In addition to these athletes, I have spoken to or worked with students in public and private schools who were not athletes. Based upon experience and acknowledging that some youth like some adults are bad, I still have to say, "I Believe In You!"

Why do I believe in the youth of America when so many adults seem to have given it up as hopeless or "gone to the dogs"? Let me try to tell you why.

First, I believe in youth because of its spirit of enthusiasm. I have seen young people by the thousands become enthusiastic for the good and the wholesome. We often only see or hear the news about the small minority which catches attention by doing the unusual. But keep in mind that news is by its very nature the unusual! If it were the usual, it would not be news. A small percentage of America's youth may span the spectrum from draft card burning to paraphrasing in the nude, from school house burning to sex perversion, from shooting acid to rioting in the streets, but I happen to know that the great majority of America's youth do not engage in these activities. I have seen thousands find their thrills and get their kicks from wholesome athletic competition and good clean fun.

I truly believe we can capture the spirit of adventure and enthusiasm so innate to youth and channel it for constructive rather than destructive ends. And if we will do this, the future of our land is as bright as the promises of God.

Our problems are great; our times filled with tension; there is so much hatred where there ought to be love, that we must enlist the enormous energy released by enthusiasm if we are to improve our world. Ralph Waldo Emerson once said: "Every great and commanding movement in the annals of the world is the triumph of enthusiasm . . . nothing great was ever achieved without it." The young people of America have enthusiasm, and I for one dare to believe that it can be challenged to bless and not to blight mankind. Their great energy can be the hope of the world . . . for the word "enthusiasm" actually comes from two Greek words meaning "in" and "God" or "God in us." Enthusiasm then is basically a spiritual or religious quality, rooted and grounded in faith! True lasting, constructive enthusiasm must come from God Almighty, the Creator of all things.

Another reason why I believe in youth is its idealism. This seems to be just about as innate as their enthusiasm. They want a challenge! They like a dare! They dream for the perfect and hope for the best. They are impatient for the better! All these qualities are necessary and right if we are to improve life. However, in youthful idealism, many can be unrealistic and become disillusioned. But if idealism does not have to be blindly unrealistic. It can set a high goal and inspire one to achieve it!

The desire to be and to do the best is a special quality about great athletes. Without strong motivations one does not become a world champion. I know of men who have overcome handicaps to become champions.

One such person is Raymond Berry, the former all-pro receiver for the Baltimore Colts. Raymond had some handicaps. He was not blessed with great speed. His eyes were weak, one leg was shorter than the other. Yet with real determination and dedication Raymond Berry, while playing with the Colts distinguished himself as the greatest pass receiver in the history of professional football.

Idealism does not deny problems . . . it admits them but believes there is hope and is willing to work to correct them. Idealism becomes unrealistic if it denies the reality of problems or if it offers naive, over-simplified solutions.

(Continued on Page Seven)
Spring Meets

Tentative dates have been set for the various spring meets and tournaments in rifle marksmanship, baseball, track, golf and tennis. They are as follows:

April 24, State Rifle Championship
May 10, regional golf tournaments (sites given below)
May 15, regional track meets (sites given in the February issue of the ATHLETE)
May 18-19, state golf tournaments
May 18-21, district baseball tournaments (sites given below)
May 22, state track meets
May 25-26, Boys' Individual State Golf Tournament
May 27-29, regional baseball tournaments (sites given below)
June 4-5, regional tennis tournaments (sites given below)
June 8-10, State Baseball Tournament
June 11-12, State Tennis Tournament

Attention, Principals!

Under the requirements of K.H.S.A.A. By-Law 29-3, head baseball coaches and registered baseball officials are required to attend at least one rules interpretation clinic. Baseball coaches, more than any other group percentage wise, have been careless in attending the first clinics conducted by K.H.S.A.A. area baseball representatives, making it necessary for additional make-up clinics to be held. In a few instances there has been no compliance with By-Law 29-3, this violation of the rule resulting in warnings being issued to the schools involved.

The schedule for the baseball clinics is given below. Principals of member schools sponsoring baseball teams should not allow their teams to begin their 1971 schedules unless they have been compliance with the rule mentioned.

Clinic Schedule
March 21, Durrett High School, 2:00 P.M.
March 22, 7:00 P.M.
Mayfield H. S. Transylvania College
Hopkinsville Community-Shelby County H. S.
Frankfort H. S. Washington County H. S.

Elmo C. Head

Elmo C. Head, 53, president of the Farmers and Traders Bank of Shelbyville and a former University of Kentucky basketball player, died of a heart attack at his home in Shelbyville on January 8.

A native of Stamping Ground, Elmo Head was graduated from the University of Kentucky in 1938. He served as principal and basketball coach at the Irvine High School from 1938 to 1942. He was principal and coach at the Shelbyville High School during the 1943-1959 period, later serving for ten years on the Shelby County Board of Education.

During World War II Mr. Head served in a special athletic unit of the Marine Corps, in 1945 being voted the outstanding athlete on the West Coast while playing basketball with the Marines. He was a former Commissioner of the Kentucky Interscholastic Athletic Conference. For many years he was the head statistician for the Kentucky High School Athletic Association at the State High School Basketball Tournament.

Mr. Head was a member of the First Christian Church at Shelbyville. His survivors are his wife, Mrs. Thelma Renfro Head; two sons, Elmo Head, Jr., Fort Campbell and Randy Head, Shelbyville; and a brother, James E. Head, Lexington.

Lee County District — Hazel Green Academy, Lee County, Powell County, Wolfe County

Lexington Region — Anderson County, Bryan
AAU National Tournament

President Lawrence Kuhl of the Laurel County Boosters Club states that the Laurel County High School gymnasmum at London, Kentucky, has been selected as the site of the 1971 Basketball Tournament finals of the National Amateur Athletic Union. The dates are March 29-30. The tournament will be managed by Mr. Kuhl.

In a special sports release, Mr. Kuhl writes: "We are proud to have been selected by the AAU Committee to host the finals of the National AAU Basketball Tournament. The Tournament will include the best six of the 16 Amateur Teams throughout the entire United States. "Some teams, as well as individuals, will be selected from this Tournament for the U.S. Olympic Team tryouts, International Tournaments and 'Good Will Tours' overseas.

"We hope everyone in Kentucky will support this National Event by attending all eight (8) sessions, (two games per session), Friday, Saturday, and Sunday sessions, March 29, 27, 26, will start at 1:00 P.M. and 7:00 P.M.

"Admission will be $1.50 per session at the gate, or $8.00 for an advance ticket to all eight sessions (a savings of $4.00). Anyone may purchase an advance ticket by mailing an $8.00 money order to the Laurel County High School."

Track and Field Today

TRACK AND FIELD TODAY is the title of a motion picture to be produced by Official Sports Films, Inc. to illustrate proper techniques and procedures of high school track and field athletics. It is scheduled for release on July 1, 1971. Prints will be distributed through the various state high school associations as well as film libraries throughout the United States and Canada.

TRACK AND FIELD TODAY will be produced under the sanction and supervision of the National Federation of State High School Associations and allied groups. This film is the 30th in the series of official rules films and the second track and field film. It is made possible through the sponsorship of Desenex Foot Care Products and Wilson Sporting Goods Company.

TRACK AND FIELD TODAY will be filmed during the week of April 5, 1971 in Ontario, California. Team personnel will be chosen from Chaffey High School in Ontario and will be under the direction of Coach Carl Skvarna. To insure the authenticity of situations to be illustrated on film, National Federation has selected a technical staff consisting of representatives of National Alliance Track and Field Rules and Records Committee, as well as rules experts of national prominence. Outstanding track officials from California will also participate in the film.

TRACK AND FIELD TODAY is intended to present guidelines which will aid the fans as well as coaches, officials, and participants in better understanding the bases upon which judgment decisions are made. It will provide a thorough examination of the rules and officiating procedures.

TRACK AND FIELD is probably man's oldest form of athletic competition, but is no less exciting now than it has been for centuries. The thrill of winning under fair and equitable circumstances is appropriate at any time. Athletic administrators acknowledge that without proper officiating it is not possible to have equitable competition. Therefore, the National Federation has authorized the production of TRACK AND FIELD TODAY in the hope that it will serve to improve this very important aspect of sports.

Letterman Celebrates Birthday

Wheaton, Illinois — LETTERMAN Magazine celebrated its first birthday in February with a gift to its readers: monthly publication.

With publishing offices based in this Chicago suburb, LETTERMAN is the only publication which is covering high school sports on a nationwide basis. What's more, it is written and edited for a prestige audience — high school athletes.

LETTERMAN is sent free of charge to the homes of more than 500,000 high school athletes throughout the United States. The potential circulation exceeds two million. Publishing costs are covered by advertising.

Paul D. Nyberg, publisher of LETTERMAN, launched the idea in 1969. Nyberg, for 11 years editor of the Christian Service Brigade publication, Venture, envisioned a magazine designed for high school athletes while working on his M.A. in Journalism at the University of California at Berkeley in 1968.

LETTERMAN began publication in February of 1970. The first issue featured a cover story on Tom McMillen, the controversial cager who prepped in Pennsylvania.

McMillen, measuring 6-11, was the most recruited prepster in the nation last season. He first announced he was attending North Carolina but later changed his mind and enrolled at Maryland. The October-November issue of LETTERMAN featured Orrin Olsen, a senior at Orem, High School in Utah. Olsen should make a big name in football just like his two brothers, Merlin, the all-pro veteran with the Los Angeles Rams, and Phil a collegiate all-American last year and the No. 1 draft pick of the Boston Patriots.

The same edition was a story about the greatest prep passing combination in the nation. Playing for Bishop Amat High School in LaPuente, California, are quarterback Pat Haden and split end John McKay, Jr. If the name McKay sounds familiar, it should. John's father is head football coach at the University of Southern California.

Sports covered by LETTERMAN in its first four issues are basketball, football, wrestling, swimming, track and field, rifle shooting, cross country, tennis, baseball, gymnastics, rugby, soccer and golf. The February 1971 edition includes articles on two lesser-known sports, interscholastic skiing and water polo.

Among the more popular features in LETTERMAN are a question and answer column written by a high school coach, special "how-to" features which instruct athletes, training tips and brief
notes following the progress of top prep athletes all over the country.

Featured in the February issue were John Garrett of Peru, Indiana, and Les Cason of East New Rutherford, New Jersey. Both are cagers hovering around the seven-foot mark. Both will dominate the future college scene.

LETTERMAN’s mailing list has been compiled with the help of high school coaches throughout the nation who returned roster sheets with names and addresses of their athletes.

KAPOS NEWS

ATTENTION:
Principals and Cheerleader Sponsors!
Is your school a paid-up member of KAPOS? If you are, and your school is the winner of your region, your cheerleader squad will be eligible to compete for the top award: Outstanding Cheerleader Squad in the State Tournament.

Included in the packet that will be given (by the K.H.S.A.A.) to each winner in the regional tournament finals will be a letter pertaining to cheerleaders. The letter will contain the information concerning the basis of selecting outstanding cheerleader squads, and will request that the principal send written confirmation that the cheerleaders of his school are being chaperoned by a well-qualified, school-approved adult. The name on the sponsor should be included in this confirmation letter. This letter must be in the hands of the officially appointed KAPOS Board Member prior to the time that your cheerleaders take the floor for their first cheer. The KAPOS desk will be located in Freedom Hall on the main floor. There will always be some one there to take your letter and to counsel with you.

Registration for Cheerleaders
Please stop by the KAPOS desk in Freedom Hall to:
1. Register your squad
2. Pick up your envelope which contains the KAPOS handbook and other tournament information.

Along with a KAPOS board member there will be high school cheerleaders on hand to assist you. They can be indentified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you or your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides can not locate the desired person in time for the interview.

Hospitality Room
May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room, located in Freedom Hall. Besides the opportunity to socialize with friends, exchange ideas, and perhaps get help with your problems, you can have free refreshments. Be sure to register when you come to the Hospitality Room.

State-at-Large and State Tournament Champions
Beginning with the District Tournaments, all squads that are paid up members of KAPOS are eligible to compete for the honor of representing that District in their Region. The winner from each Region is eligible to compete for the title of Champion-of-the-State-at-Large.

Judging for the State-at-Large winners will take place at 8:30 A.M. Friday in the Atherton High School gymnasium. This school is centrally located at 3000 Dundee Road, Louisville. We are grateful to the administrators for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be reminded that they are guests in the “home” of Atherton School. Dressing rooms and corridors should be kept in impeccable condition.

It is possible for the winner of the State Tournament to be also the winner of the State-at-Large. The judging instrument to be used for the State-at-Large competition will be identical to the one used in the region. The instrument to be used for the State Tournament will be enclosed in the packet given out by the K.H.S.A.A. officials to the respective winners of the sixteen regions.

Governor Nunn Declares Sportsmanship Week
While every week should be Good Sportsmanship Week, KAPOS has always tried to put special emphasis on being a good sport at State Tournament time. But being a good sport is part of being a good citizen. KAPOS doesn’t believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games, and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Nunn.

Sportsmanship
There is more talk, more favorable publicity, and more recognition being given to the cheerleaders now than ever before. This is good, and as it should be, as their job is not an easy one. Their practice hours are long and strenuous. However, they should keep in mind that the fans come primarily to see the team perform. They are the “Big Show.” The cheerleaders are only the “Barkers.”

As with everything, there is a time and place for cheering. It is up to the cheerleader to develop a sensitivity as to when that time arrives. Many cheerleaders feel that unless cheerleaders learn to adhere to the rules of propriety and respect for the rights of others, they are in danger of losing the interest and cooperation of both coaches and fans.

The following is offered in the hope that, in learning to spell “Courtesy”, cheerleaders will learn also to exhibit it.

C — is for COURTESY, which for the host school should imply a welcome cheer, one that says Hello, Welcome, Hi!
O — is for ONE, meaning one group on the floor at a time; you had your turn, now it is mine.
U — is for UNITY, all cheerleaders doing the same; be ready, alert, don’t call the game.
R — is for RUSH, hurry to get on the floor, there is but time for one yell, no more.
T — is for TIME-OUT, the referee has the ball, give a yell, be quick, don’t stall.
E — is to ERR on the choice of your yell; if long and complicated it will delay the timer’s bell.
S — is for SHARING every other time to give a cheer; adhere to this rule or else you will be unpopular, I fear.

Y — is to say YES, a pledge I will gladly make ever COURTEOUS to be, even though the championship may be at stake!

Junior High — Senior High Clinic
(Clinic I, July 11-15)  
(Clinic II, July 18-22)

Both clinics will be held on the University of Kentucky campus. The two groups will be housed separately. Classes and lectures will be geared to the interest and ability of the respective groups.

Brochures giving details of the clinic can be obtained at the State Tournament KAPOS booth or by contacting Mrs. Grace Fragstein (Lafayette High School), Mrs. Milly Rodes (Transylvania College), and Mrs. Stella S. Gilb (University of Kentucky), all addressed to University Station, Box 850, University of Kentucky, Lexington, Ky. 40506.

Note to all Administrators

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively. Again, we need judges, motel chaperones, and personnel to man booths at the motel and at Freedom Hall. This involves at least 12 to 16 people. It is also backbreaking, tiresome work. However, we have many dedicated women who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

Awarding of Trophies

State Champion-at-Large: The winner will receive the Ted Sanford trophy while the runner-up will receive the Jane Meyer trophy. Ribbons will be given for honorable mention. These awards will be given during the halftime of the first game Friday afternoon.

State Tournament: Winner, first place trophy; runner-up, second place trophy; honorable mention, ribbon. These awards will be given at the close of the final game on Saturday night. All cheerleaders are asked to wear their uniforms and to assemble in the KAPOS Hospitality Room during the half-time of the final game. All Cheerleaders will be moved to one of the end entrances where the winners will have easy access to the playing floor.

Sponsors of the competing 16 cheerleader groups are asked to come to the floor with their squads. Besides getting the recognition you so well deserve, it is another way of letting the public know that cheerleading is important enough in the school's curriculum to merit a well-qualified “sponsor-coach-chaperon.”

Reminder

It is time to send in credentials for scholarship candidates. You too, may have a potential scholarship winner. Get your applications in early. Write our President, Mrs. John Compton, Bryan Station High School, Lexington, Kentucky, 40505, for application forms, or pick them up at the KAPOS booth in Freedom Hall.

Stella S. Gilb
Executive Secretary-Treasurer

ANNUAL MEETING SPEAKER

Bernie Saggau

Speaker at the dinner meeting of the Kentucky High School Athletic Association, scheduled to be held in the Ballroom of the Seelbach Hotel, Louisville, on Thursday evening, April 15, 1971, will be Executive Secretary Bernie Saggau of the Iowa High School Athletic Association. The title of Mr. Saggau's speech will be "How Many Lists Are You On."

Bernie Saggau was born in Denison, Iowa. He received his early education in that community, graduating from high school there in 1946. He attended Buena Vista College and received his BA Degree in 1949. He received a MA degree in Education from the University of Montana. He taught school and had eight years as a teacher, coach and principal before entering into private business.

Mr. Saggau joined the Iowa H.S.A.A. staff in 1963 and was appointed Executive Secretary in 1967. Prior to that time, he had achieved an enviable reputation of skill and competency as an outstanding basketball and football official on the high school and college level. He is presently on the Basketball Rules Committee.

Mr. Saggau's continuous personal effort his left little doubt in school men's minds as to the importance of the interscholastic athletic program and the roll it plays in the secondary education of schools today. He is a dynamic speaker, as those who have heard him in national meetings will attest.

I Believe In You

(Continued from Page One)

There is a saying that “hope springs eternal” from the human heart. But hope itself must come from a deeper source than man alone. I believe we can have hope in our day because I believe that God is still at work in the world. I know there is a widespread feeling of hopelessness and despair in our world, but I have personally seen thousands of young athletes discover a power, catch a vision, and find a faith that changed their lives for the best! Because of what I have seen, I can say, “I BELIEVE IN YOU!”

—National Federation Press
Minutes of Meeting

K.H.S.A.A. Gymnastics Committee
Lexington, Kentucky, January 26, 1971

The Kentucky High School Athletic Association Gymnastics Committee met at the KHSAA Building, Lexington, Kentucky, on January 26, 1971. The meeting was called to order by the Chairman, Bernard "Skeeter" Johnson at 8:30 p.m. Present at the meeting were James "Cap" Caudill, George Jefferson, Bernard Johnson, Dick Jones, Sheila Kuhlman, Jim Nance, Ted Sanford, and Bill Wise.

After a brief discussion, the following facts were established:
1. The State Gymnastics Meet will be held at Bryan Station High School February 20, 1971.
2. Jim Nance was appointed meet manager.
3. Meet will start at 10 a.m. with practice starting at 9 a.m.
4. There will be a coaches' meeting at 9 a.m.
5. Boys' and girls' events will be conducted at the same time.
6. Tumbling, Trampoline, and All-Around will be Special Events. (These events will not be included in team points. There is no team championship for the Special Events.)
7. Fred Reece and Bill Wise will handle tickets for the meet.
8. Each participant must have represented his school in at least one interscholastic gymnastics meet during the year to be eligible to enter the State Gymnastics Meet.

Mr. Sanford informed the committee that the National Federation of State High School Athletic Associations has established a set of Gymnastics Federation Rules for both boys and girls. Rule books were passed out for review with the idea of study for the possibility of adoption next year.

The meeting adjourned at 8:10 p.m.
Respectfully submitted,
Bernard M. Johnson

The "Good Guy"

According to the current accepted philosophy, everybody is striving to outdo the rest of the population in being the "good guy." From the cradle to the grave, some have never been told "no" in a way that could be understood. It is doubtful that the youth who was an alcoholic at 10, a drug addict at 11, and a corpse at 12 had ever been told "no" by someone who would stand up and back it.

Police are "pigs" in some areas until they are needed, like the area where a maniac killer has promised to carry out his threat to "wipe out" a bus load of school children by shooting out the front tire of the bus then picking off the youngsters as they come bouncing out. You can bet that the parents and the school children, with police riding the bus to protect them, will recognize the importance of the policeman. To them the baton will not be considered a pacifier; the badge, not something to spit at; the handcuffs, a cruel and inhuman device; and the gun, not an unnecessary show of police power. To them, the police will be the ones who, unhesitatingly, expose themselves to all the hazards of the job that has to be done because somewhere down the line, nobody wanted to say "no" in a way that could not be misinterpreted.

Never make the mistake of thinking that the younger generation is stupid, because they certainly are not. When they are allowed to grow without respect for their parents, schools, and our rules of society, they certainly will not, all of a sudden, develop respect for authority of any kind. In other words, someone has to be the "bad guy" and say "no" with firmness. We cannot tolerate driving that is hazardous to every other user of our thoroughfares; we cannot tolerate school behavior that is detrimental to every other student; we cannot permit psychic social tendencies to destroy society, and foster the breakdown of meaningful law enforcement. Someone must say "no" and take the chance of being a "bad guy". A study of history or a look into the future will show the validity of the statement that "everybody cannot be the "Good Guy."" —Capt. Fred Feaker
