Louisville, Ky.
July 9, 1971

Mr. Theodore A. Sanford, Secretary and Treasurer
Kentucky High School Athletic Association
Lexington, Kentucky

Dear Sir:

In accordance to instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSN' for the period from July 1, 1970, to June 30, 1971. In addition, we have prepared and attached hereto statements of the Receipts and Disbursements which, in our opinion, reflect the true financial condition of the Association for the year ending June 30, 1971.

The Cash Funds on Hand and U. S. Savings Bonds and the Building and Loan Associations savings accounts were found to be correct and verified by generally accepted auditing procedures.

We find the records presented to us for the purpose of audit to be in agreement and in good condition. Respectfully submitted,

Attention, Principals!

Each principal of a K.H.S.A.A. member school will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association—This will introduce (name of principal), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these administrators hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Football Examination

Part II of the National Federation Football Examination for officials will be given in Kentucky on Monday, September 29. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the Approved rating in football are required to make a minimum percentage grade of 80 in order to maintain this rating from year to year. After an official has received the Certified rating, he continues to receive this rating each year provided that he attends the clinic for that year and has worked in at least six first team high school football games during the previous year.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Thursday morning, June 10, 1971. The meeting was called to order by President Don Davis at 9:30, with all Board members, Commissioners T. E. Sanford and Assistant Commissioner J. B. Mansfield present. The invocation was given by W. H. Crowds.

W. H. Crowds moved, seconded Roy L. Winchester, that the reading of the minutes of the April 15th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Chairman Tom Mills of the Building Committee reported that on April 29, 1971, his committee, with Board members W. H. Crowds and Roy L. Winchester also present, had accepted the low bid of the Richard Horn Construction Company on the New Office Building, this bid being in the amount of $209,299.00. Seven construction firms had submitted bids on the building. Board members had reviewed previously New Office Building reports at the following Board meeting. Mr. Mills reported that construction of the building was well under way. It was suggested at this time that the Board go into executive session for discussion of salaries. James T. Dotson moved, seconded by C. A. Cantrell, that Commissioner Theo. A. Sanford be re-elected for a period of one year, beginning July 1, 1971. The Commissioner was then asked to return to the meeting. Richard Vincent moved, seconded by W. H. Crowds, that the 1971-72 salary of the Commissioner of the Board be set at $25,000.00. The motion was carried unanimously. James T. Dotson moved, seconded by W. H. Crowds, that the 1971-72 salary of J. B. Mansfield be set at $15,000.00. The motion was carried unanimously. Morton Combs moved, seconded by Tom Mills, that the 1971-72 salary of Billy V. Wise be set at $14,500.00. The motion was carried unanimously.

Chairman Richard Vincent of the Budget Committee presented the recommended 1971-72 budget on behalf of his committee. There was a general discussion of numerous items in the budget. The estimated receipts are $248,725.00, and estimated disbursements are $248,650.00. Richard Vincent moved, seconded by James T. Dotson, that the 1971-72 budget as presented be adopted. The motion was carried unanimously.

The Commissioner reported that, prior to receiving from the University of Kentucky the sale price of the present K.H.S.A.A. building, and prior to receiving certain estimated receipts during the fiscal year, it might be necessary to make certain short term loans. Following this statement and after discussion, Roy L. Winchester moved, seconded by James T. Dotson, that the following resolution be adopted: "Be it resolved that Theo. A. Sanford, Secretary-Treasurer of the Kentucky High School Athletic Association, be authorized to negotiate short term loans for the Association on behalf of the Board of Control acting in its own capacity or as trustees of Association property, for the purpose of underwriting payments on the new office building or Association budget items, prior to receiving from the University of Kentucky the sale price of the present K.H.S.A.A. building and/or anticipated budget receipts in any one fiscal year, pledging whatever collateral is required by the lending institution." The motion on the resolution was carried unanimously.

The Board set September 25 as the date for its fall meeting.

J. C. Cantrell submitted two proposals con-
cerning increasing the Board of Control to nine members, asking that these proposals be sent out by referendum. Richard Vincent seconded the motion. After a general discussion, Richard Vincent moved, seconded by James T. Dotson, that Mr. Cantrell’s motion be tabled. The motion was carried.

James T. Dotson moved, seconded by Roy L. Winchester, that all bills of the Association for the period beginning April 1, 1971, and ending May 31, 1971, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that is it properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our Cooperative Football Plan and Student Insurance provide excellent coverage, service and economy.
