1972 Annual Meeting

The business meeting of the K.H.S.A.A. will be held on Thursday, April 13, at 3:00 P.M., in the Louisville Royal Room, Seelbach Hotel, Louisville. The dinner meeting will be held at 6:30 P.M. in the Ballroom of the hotel.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following changes in the Constitution and By-Laws will be acted upon by the Delegate Assembly:

Proposal I

The Board of Control proposes that the third sentence of Article IV, Section 2-a, of the K.H.S.A.A. Constitution be amended to read as follows: "To be eligible for membership on the Board of Control, one must be an administrator, faculty member, or coach of an accredited K.H.S.A.A. member school in the region he is to represent and must remain in a similar capacity in that region during his tenure in office." (The intent of this rule is to make qualifications for membership on the Board of Control similar to those now in effect for members of the Delegate Assembly.)

Proposal II

Prin. Bobby Snider (Fulton High School) and the First District Secondary Principals Association propose that the following be added to Article IV, Section 3-d-8, of the K.H.S.A.A. Constitution: "However, neither the Commissioner nor the Board of Control shall have the authority to assess receipts of district and/or regional tournaments in all sports including football play-offs other than the final championship game or tournament for each classification."

Proposal III

Prin. Robert L. Biddle (Maysville High School) proposes that "twenty-six" be substituted for "twenty-four" in the second sentence of K.H.S.A.A. By-Law 21.

Proposal IV

Prin. Irvin Brooks (Southern High School) proposes that K.H.S.A.A. By-Law 4 be amended by adding the following: "A student will be eligible to play any sport during his senior year provided he does not reach his twentieth birthday until after the season is completed for that particular sport."

Proposal V

Prin. Kenneth Pfister (Newport Catholic High School) proposes the following parenthetical amendment to K.H.S.A.A. By-Law 42: "In the case of an all-boys high school, girl cheerleaders from affiliated neighboring girls schools would be permitted."

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Thursday morning, March 16, 1972. The meeting was called to order by President Morton Combs at 9:00, with all Board members, Commissioner Theo, A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by James T. Dotson.

W. P. Wheeler moved, seconded by Roy L. Winchester, that the reading of the minutes of the January 22nd Board meeting be waived since the members of the Board had received copies of these minutes. The motion was carried unanimously.

Representatives of the Woodford County High School (Prin. Charles O. Dawson, Supt. Joe D. Gormley, and Coach Donald Lane) appeared before the Board requesting that certain changes be made in the classifying of schools maintaining football teams. After considerable discussion, the Board advised that the recommendations made by the Woodford County group would be given due consideration.

The Commissioner reported the results of the recent ballots for Board membership for Sections 7 and 8. In Section 7 the votes were as follows: Louie Martin, 29; William L. Crisellis, Jr., 17. Andrew J. Fultz received 36 votes in Section 8. He was the only candidate in that Section.

There was a discussion of possible Board proposals to be submitted to the forthcoming Delegate Assembly of the Association. William C. Doan moved, seconded by Arthur R. Hawkins, that the following proposals be submitted to the Delegate Assembly as a Board proposal, this being an amendment to Article IV, Section 2-a of the K.H.S.A.A. Constitution: "To be eligible for membership on the Board of Control, one must be an administrator, faculty member or coach of an accredited K.H.S.A.A. member school in the region he is to represent and must remain in a similar capacity in that region during his tenure in office." The motion was carried unanimously.

The Commissioner stated that the Association is attempting to establish the fact that it should be exempt from the payment of Federal income tax, and one of the qualifications for such exemption is that the assets of the Association must be dedicated to an exempt purpose in the event the Association should dissolve. He stated that the Internal Revenue Service had urged the K.H.S.A.A. Constitution be amended to include certain dis-

solution wording, and that because of the time element involved he recommended that the Board of Control authorize the Commissioner to submit to K.H.S.A.A. members a proposed amendment vote immediately, without waiting for Delegate Assembly action, a proposal recommended by the Internal Revenue Service, the proposal to read as follows: "Upon the dissolution of the Association, the Board of Control shall, after paying or making provision for the payment of all the liabilities of the Association, dispose of all of the assets of the Association exclusively for the benefit of the member schools of the Association that shall at that time qualify as exempt under section 501 (c) (3) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United States Internal Revenue Law), and the Board of Control shall determine which such assets so disposed of shall be disposed of by the Court of Common Pleas of the county in which the principal office of the Association is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for educational purposes." James T. Dotson moved, seconded by Frank B. Simpson, that the Commissioner be directed to send out the referendum which he had presented, said amendment to the K.H.S.A.A. Constitution being considered Article XI. The motion was carried unanimously.

The Board then considered the recommendations concerning the possible football re-classification made by the Woodford County representatives. The Board thought that the suggestions made certainly had merit, but did not think that any possible re-classification should be done in the middle of the four-year period set up in the football regulations. Any action on possible football re-classification was therefore deferred.

The Commissioner stated that, as all Board members knew and as the press had already reported, he would be retiring on June 30. At this time Mr. Mansfield was asked to absent himself from the meeting. Chairman Richard Vincent of the Personnel and Policy Committee stated that his committee had given considerable thought over a long period of time concerning the successor to Commissioner Sanford. He moved, seconded by W. P. Wheeler, that J. B. Mansfield be elected Commissioner of the Kentucky High School Athletic Association for a period of four years, beginning July 1, 1972, the annual salary to be set at a later date. The motion was carried unanimously. The Commissioner stated that he was very pleased on the Board action, Mr. Mansfield having been a very valuable member of the Association staff since 1968.

The Commissioner was authorized to accept for the Board of Control applications for the position to be vacated by Mr. Mansfield.

William C. Doan moved, seconded by Roy L. Winchester, that all bills of the Association for the period beginning January 1, 1972, and ending February 29, 1972, be allowed. The motion carried unanimously.

There being no further business, the meeting adjourned.

**MEDICAL SEMINAR**

Eastern Kentucky University will host a one-day "Medical Aspects of Sports" seminar Thursday, May 18, Dr. Wilbur R. Houston, director of the EKU Student Health Center, has announced. The clinic will be jointly sponsored by the Kentucky Medical Association, the Kentucky High School Athletic Association, and the Department of Health Education at Eastern.

The day's activities will include lectures, demonstrations, and consultations especially designed for physicians, school administrators, teachers, coaches, trainers, and student managers or trainers.

Presiding at the seminar will be Dr. Robert McLeod of Somerset, chairman of the KMA Committee on School Health and Medical Aspects of Sports.

Clinicians will be physicians, university instructors, university and high school athletic trainers, and coaches. Specific consultation booths will be available for football, basketball, track, baseball, swimming, wrestling, golf, tennis, gymnastics, and the Fellowship of Christian Athletes.

A sampling of the topics includes taping, girls and women in sports, heat illness and nutrition, drugs, equipment, specific injuries, and resuscitation.

Baseball Questions

EDITOR'S NOTE: These interpretations of the 1972 National Alliance Baseball Rules do not set aside nor modify any rule. The rulings are made and published by the National Federation of State High School Associations in response to situations presented.

CLIFFORD B. FAGAN, Editor
National Federation Publications

1. Play: While F1 uses a windup, R1, who is on 1st, reaches 2nd base before B2 hits ground ball which goes to F5. F5 throws the ball into the dugout.

   Ruling: R1 is awarded home base and B2 is awarded 2nd base unless B2 already has touched 1st base before the ball left the hand of F5. If the ball did not leave the hand of F5 until after B2 touches 1st base, B2 will be awarded 3rd base.

2. Play: On long fly ball by B3, R1 fails to touch-up at 3rd base after the ball is caught by F7, but advances to home. To prevent his return, F5 requests "time". He then receives the ball at 3rd base and appeals the infraction of R1.

   Ruling: Under such circumstances, the umpire should not grant time, but if he does, the ball cannot become alive until it is held by the pitcher on his plate and the umpire has called "play ball" and beckoned the pitcher to pitch. R1 might try to return by way of home base after the ball becomes alive, but not before.

3. Play: B1 hits a ground ball which bounces on foul ground along the 3rd base side of the field, and the ball jumps over a small portion of 3rd base which, although fastened, is protruding 5 or 6 inches onto foul ground. The batted ball, at no time, is on or over fair territory.

   Ruling: This is ruled a foul ball.

4. Play: R1 is on 3rd base and starts to break for home. As a result, F1 hurries his wind-up motion. F1 does not alter or interrupt the windup pitching motion in any way except to hurry through it in attempt to conserve time prior to delivering the ball to F2.

   Ruling: As described, there has been no balk committed, since F1 did not interrupt or alter his motion in any way except to hurry through it.

5. Play: After B6, who bats right handed, hits safely, the umpire observes that his head protector is equipped with an extended ear flap which protects only his left ear and temple area, but none for the right side of his protector. How shall the umpire proceed?

   Ruling: During the 1972 season, the wearing of an extended ear flap on one or both sides is not required, but strongly recommended. However, starting in 1973, the batter must wear a head protector with extended earflaps on both sides which do cover the ears and the temples. For any batter or base runner failing to do so, the umpire shall order him to secure proper equipment. Anyone failing to comply shall be removed from the game and replaced.

6. Play: Team appears on the field wearing uniforms which have one notch at the end of each sleeve and there is piping forming a border around the bottom of the sleeve and the notch. Are the uniforms legal?
Ruling: Yes. Rule 1-1-5 does prohibit sleeves from being frayed or slit, but it is not intended to prohibit notched sleeves. The purpose of the restriction of the rule is to prohibit players from having sleeves which are tattered and torn. Pitchers have worn such sleeves in an attempt to distract the batter's attention.

1. Play: With 2 out, S1 replaces batter B6. Before S1 finishes his time at bat, a runner is out to end the inning. Since S1 is not charged with a time at bat, may B6 now return to the field instead of S1? 
   Ruling: Not unless the modified re-entry rule is in use and B6 was a starting player who had not previously re-entered the game. S1 became a player as soon as he was announced by the umpire.

2. Play: After the lineup has been announced, but before the 1st pitch, coach of team at bat substitutes S1 for B1.
   Ruling: This is legal provided B1 is not listed as the pitcher. If B1 is withdrawn, he has been in the game even though he has not participated.

9. Play: With the re-entry plan in use, it is announced that substitute Smith will pinch-hit for the starting catcher Brown, who is in the 6th place in the batting order and has played the entire game. When may Brown re-enter?
   Ruling: Immediately, and Brown must return to the 6th place in the batting order. Only the 9 starting players may re-enter the game once the re-entry rule and whenever any starter re-enters his one time, he must always bat in the same position in which he was listed to bat in the original batting order.

10. Play: In the 2nd inning, S1 pinch-hits for B6 (batting in 6th place). After S1 is in the batter's box, he is replaced by B6. Later in the game, S1 intends to enter again to pinch-hit for B6.
   Ruling: This is not legal. S1 was in the game during the 2nd inning and, therefore, cannot return as a player.

11. Play: R1 is on 1st and he is the pitcher. S1 runs for him. After a 3rd out, the pitcher re-enters.
   Ruling: This is legal provided the re-entry plan is being used and R1 is the starting pitcher, who is re-entering for the first time.

12. Play: With runners on each base, F1 takes his position on the pitcher's plate in the windup position and starts to pump when an opponent calls "time" causing F1 to interrupt his delivery.
   Ruling: As soon as the offender commits his unsportsmanlike act, the umpire should call "time" and give the immediate dead ball signal. In case there is a pitch, it and all ensuing action are disregarded. The umpire will then order the offender banished from the field.

13. Play: R1, R2 and R3 are on 3rd, 2nd and 1st bases, respectively, with 1 out. B5 hits ball on ground to F6, who throws to home base. The ball caroms off the catcher's mitt and then lodges behind the umpire's chest protector. The ball cannot be recovered until R1, R2, R3 and B5 have each crossed home plate.
   Ruling: The umpire should declare the ball dead and award 2 bases to each runner, including the batter-runner (B5). R1 and R2 score, R3 is
awarded 3rd base, and B5 is awarded 2nd base.

14. Play: B1 avoids pitch which hits his bat and finger simultaneously.
Ruling: It is a fair hit, or a foul hit, or a foul tip.

15. Play: B1 has 2 strikes. The next pitch touches the ground in front of home base and bounces through the strike zone. B1 swings at the pitch and F2 secures the ball in his mitt after the first bounce. B1 advances to 1st base while F2 holds the ball.
Ruling: B1 is not out. The only time B1 would be out in such situation would be when 1st base was occupied with less than 2 out.

16. Play: If F1 is touching the pitcher's plate when his overthrow becomes dead, does this always result in the awarding of one base instead of two?
Ruling: It does, provided F1 is touching his plate in a normal pitching situation. If F1 has fielded a batted ball or has fielded the throw and is in contact with his plate when he overthrows a base, he is then regarded the same as any infielder. In such cases, F1 is touching his pitching plate, but he is not in his pitching position and any overthrow he would make into a dead ball area would result in each base runner being awarded two bases from where he was at the time the throw left the hand of F1.

17. Play: With 1 out, R1 is on 2nd and R2 on 1st when B4 hits an infield fly ball. The base runners are of the opinion that 2 are out and they start advancing as soon as the ball is hit. F4 fails to catch the infield fly and both runners cross home base.
Ruling: B4 is out for hitting an infield fly ball with less than 2 out and 1st and 2nd bases occupied, however, the runs scored by R1 and R2 count since runners may advance at their own risk.

18. Play: R1 is on 3rd, and R2 on 1st, with none out when F1 assumes a set position on the pitcher's plate. As he stretches, R1 advances toward 2nd base. F1 realizes the advance is occurring, but he does not throw to 2nd, for fear that R1 will break for home and score. F1 completes his stretch, coming to a pause with the ball in both hands in front of his body. R2 reaches 2nd and rounds it after which F1 delivers the pitch to B3, who fouls it into the stand.
Ruling: R2 is ordered to remain on 2nd base. He was there prior to “time of the pitch”. The definition of the “time of the pitch” determines the base to which R1 is entitled.

19. Play: Do appeal plays include the following: batting out of order; intentionally dropping a fair fly or fair line drive; running too far out of the base line to avoid being tagged; interfering with a batted ball; obstructing a runner; or interfering with a batted ball with detached player equipment?
Ruling: No. In these cases, the umpire calls the infraction even though no opponent calls his attention to it.

20. Play: With R1 on 1st, the pitcher delivers a quick pitch without either a wind-up, or a stretch and stop.
Ruling: This is a balk and the ball becomes dead immediately provided the penalty is not ignored. If the batter and each runner advance a minimum of one base because of a hit or an error, or a 4th ball on the batter, or he is hit by a pitch, or the catcher or any other fielder interferes, or provided 2 are out and a wild pitch occurs on the 3rd strike, the balk is ignored. Otherwise, the balk is penalized, in which case the pitch is neither a strike nor a ball nor a hit batter, since the ball became dead at the time the balk occurred.

21. Play: With R1 on base, the pitcher commits a balk and the pitch is delivered and strikes B2.
Ruling: If R1 is on 1st, the balk is ignored since the advance of B2 to 1st results in the force advancement by R1 to 2nd. However, if R1 is on any other base, the penalty for the balk is enforced, since 1st base is open. Because the ball became retroactively dead at the time of the balk, the hitting of the batter is ignored.

22. Play: With 1 out and R1 on 1st, B3 hits a fly ball. F4 or F3 gets the ball in his hands but intentionally drops it for an attempted double play.
Ruling: If the ball was over fair territory when the fielder got his hands on it, the umpire should immediately announce that B3 is out. R1 may hold 1st or he may advance toward 2nd at his own risk without having to retouch 1st.

A PRAYER

It is my joy in life to find
At every turning of the road,
The strong arm of a comrade kind
To help me onward with my load,
And since I have no gold to give,
And love alone must make amends,
My only prayer is, while I live—
God make me worthy of my friends!
