A Simple Word Called "Respect"

Perhaps this is being shown with shocking reality in regards to officials and coaches, not only the professional level, but on the interscholastic level as well. Too little respect is shown the game official today by members of the coaching profession. However, by the same token the official no longer seems to have the confidence in the coach that he once held. Just a short time ago, the official and coach gave each other the benefit of the doubt concerning their ability to perform the duties that each was being hired and paid to do. Now it seems that each has already been judged by the other before he steps foot on the field or floor to perform that duty. That's a shame, because each has a duty and a responsibility not only to themselves, and to each other, but to the young men with whom they come in contact.

The word "respect" has to mean something. Perhaps it has been forgotten by both parties before the athletic contest even begins.

Neither has an easy job. Yet both must be capable of handling the job they have undertaken or they should not have accepted the responsibility of the position.

Perhaps some of this lack of respect for the other comes from the fact that one of the parties has never been as the saying goes "On the other side of the fence." The official may have never coached and the coach may have never officiated.

An athletic coach is a special breed of man. He must be, for he deals with many problems that will never arise for the ordinary man in his lifetime. The coach deals with the emotions of human beings. He comes in close contact with the lives of the young men who have been placed in his trust. His job is a big one. Some coaches meet the challenge, some never quite make it.

A coach must marry inside of each youth and see what makes him tick. He must attempt to help him overcome his faults and shortcomings. He must help him accept responsibility. He must teach him how to lose as well as how to win. Not everyone can win, but everybody can be a winner.

On top of all the emotional problems that may confront him, the coach must teach the young man the basic fundamentals of the sport involved. He must attempt to get his team ready for at least one game a week and, perhaps, more during the season. He must teach them the little things that win games. The blocking and tackling, the hitting and fielding, etc. These are the things that turn defeat into victory.

First of all however, he must take that young man before a game and attempt to fire him up to the point that he will perform to the best of his ability. Here again he deals with a tricky problem, the emotions of human beings. The coach must know the capabilities of his players, his team and himself. He must know what they can do and what they cannot do. Perhaps in this lies the secret of coaching in interscholastics.

The official must also know his capabilities. He must be ready and able to work each athletic contest as if it were for the state championship. He must be "up" for each game, because his decisions, his split second judgment calls will have a bearing on the athletic contest that is unfolding before him.

Just as a coach is a basic part of each athletic contest, so is the official who must uphold the rules of the game. In a strange way, they need each other. A team cannot play without a coach. Just as a game could not be played without officials.

It makes you wonder why they do not respect each other. Perhaps, as we mentioned earlier, it is because each does not really understand how hard the job is that the other is doing.

An official must at all times be in position to make the proper calls in an athletic contest that he works. An official must earn the respect of the coach and the young men who he has under his protection. This can be attained only by being in good physical shape, having a good knowledge of the rules that govern the sport involved and then applying this knowledge to each individual game to the best of his ability.

Too many officials forget what it means to have pride in something you do. Proper mechanics are often termed as "old fashioned" by some officials, yet proper mechanics can do much toward maintaining complete control of a basketball, football, or baseball game.

An official should have pride in himself from the time he walks into the school until the time he leaves. Pride is not being self-centered or stuck-up. Pride is having the knowledge to do a job and then having the courage and confidence to do that job to the best of your ability. A little pride never hurt anyone. It goes a long way toward earning respect.

An official should never be late for a contest. He should be early, and he should be ready for the job that he has been hired for. It's not an easy task. Let's face reality. Many officials have spent their day working hard at a job that is perhaps far from officiating as it can be. Then they must rush home, grab a bite to eat and take off for the site of the game. Maybe they spend the better part of an hour or two driving to that site. Then they must hurry up and dress and be ready by the time they must be on the floor. This compares with the coach, who has spent his day teaching classes, then he must either take another two hours of his time and perform his duty as a coach through practice sessions or he must rush home the night of the game and like the official, grab a quick snack and be on his way back to the gym in time for the Junior varsity game.

Both are not as relaxed as they could be had they had the entire day to think about what would be going on that evening. Had they been able to perhaps rest a couple of hours that afternoon before the game. But this is part of it. Each one must reach back in his hip pocket and come up with that extra strength to perform his duty as well as he is capable of doing so. If not, each should find another profession.

For this reason, it is the responsibility of the other, the coach and official should respect each other. Each has

The Game Guy Award

The K.H.S.A.A. will continue to give the Game Guy Award. School representatives and registered officials may make nominations for the award. The eligible person should be a pupil at the junior or senior high school level who has overcome great physical handicap in order to take part in athletics. Letters of recommendation should be addressed to “Game Guy Committee, K.H.S.A.A., P. O. Box 7502, Lexington, Kentucky 40502.” Deadline for the 1973 nominations is April 1.

Minutes of K.H.S.A.A. Wrestling Committee

The State Wrestling Committee met in the K.H.S.A.A. Office Building on October 21, 1972, at 9:30 A.M. Chairman Orville Williams, state tournament manager presided. Present were the managers of the eight regional tournaments, Assistant Commissioner Louis Stout and Commissioner J. B. Mansfield.

The following business was conducted:

1. The use of a certified scale is strongly urged for the 1972-73 season. It will be mandatory beginning with the 1973-74 season.
2. Beginning with the current year 1972-73, the heavy weight class will be limited to 250 pounds. (The committee passed this last year and it failed to get changed in the K.H.S.A.A. booklet). The committee requested the Association to adopt regulations to the effect that each head wrestling coach and officials be required to attend at least one clinic each year.
3. Will Evans was selected as vice-chairman of the committee for 1972-73.
4. A boy may be certified he may wrestle only in that class and the one above. However, he may re-certify up at any time but never down.
5. The seedling criteria for regional tournaments was re-stated. It if two boys have met during the season the victor will be seeded ahead of the loser. Also, a boy must have wrestled at least four (4) matches in his certified weight class. At least three of the four matches must be in his region and against different opponents.
6. A boy may be certified in December. After January 1 the first match the wrestler will be his certification. A boy may not be certified in a regional tournament unless his name appears on a certification sheet, not on a scoreboard. However, he may be entered if he makes base weight at weigh-in time at the regional site, provided he has not wrestled in January. Penalty: If a boy wrestles after January 1 without certifying, the signed scoreboard will serve to certify him but to one weight class up from the class in which he wrestled in that meet. In addition to this, the match in that meet will result in a forfeit.
Minutes of Board Meeting

The Board of Control of the K.H.S.A.A. met at the K.H.S.A.A. Building on Saturday morning, October 8, 1972. The meeting was called to order by President Richard Vincent at 9:30. Present were Board members Zeb Blankenship, J. C. Cantrell, William C. Doan, Jack Fultz, Arthur R. Hawkins, Louie Martin, Frank B. Stovall of Wheeler, Roy L. Winchester; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise. Mr. Wilbur Smith represented the State Department of Education.

The invocation was conducted by J. C. Cantrell.

Roy L. Winchester moved, seconded by William C. Doan, that the reading of the minutes of the July 27-28 meeting be waived, since members of the Board had received copies of these minutes. The motion carried unanimously.

Mr. Webb Young, Principal of Paul G. Blazer High School, came before the Board to request that the Board consider placing his school in a central Kentucky district for 1973 and 1974. Mr. Webb explained the reasons for this request was due to the problems they were having in scheduling games. Mr. Vincent thanked Mr. Young for bringing his problem before the Board and assured him that his request would be considered.

On a motion by Jack Fultz and seconded by Frank B. Simpson, the report of the Trophy Committee on the trophy bids was approved as presented by Arthur R. Hawkins and Assistant Commissioner Tom Mills. The names of the companies supplied with bid forms, and the bids received, and the contracts awarded were read to the Board. The report was accepted unanimously.

Mr. William C. Doan reported to the Board the results of the Football Committee meeting held on September 23, 1972. Mr. Doan explained that the Committee met for approximately two hours but came up with no recommendations. He stated that the Committee seemed to be a true representation of the state and that their expressed opinion was that most schools were satisfied with the present classifications.

Following a discussion of the present football classifications, Roy L. Winchester moved, seconded by Zeb Blankenship, that Class A schools be maintained with an enrollment of less than 550 and Class AA those schools with 550 or more in grades 10-12. This will be for the 1973 and 1974 seasons. The motion was passed unanimously. (See Page 4).

The Commissioner asked that the dates for the Class AAA football finals to be played in Louisville on November 17, 1972, and the Class A and AA football finals to be played in Lexington on November 24, 1972, be approved. W. P. Wheeler made the motion that these dates be approved, Arthur R. Hawkins seconded the motion and it passed unanimously.

Commissioner Mansfield presented the report of the Cross Country Committee stating that a new class had been added this year upon the recommendation of this Committee. Following his report Frank B. Simpson moved, seconded by Jack Fultz, that the report be approved. The motion carried.

Mr. Mansfield reported that the State Swimming Committee had scheduled the Class AA meet tentatively for Eastern Kentucky University and the Class AAA for the Plantation Club in Louisville. The dates are February 23 and 24 for the Class AAA and March 30-31 for the Class AA.

The Commissioner presented the rules and regulations as drawn up by the Soccer Committee for the State Soccer Playoff. They University and seconded by

Expense Allowances for Minor Sports

The Board of Control revised the amounts and the formula to be used in determining the expense allowances paid toward mileage and local entertainment for the so-called minor sports. The allowance will be paid for each member of the regional winning team and a coach; to the regional winning individual and a coach. Other teams and individuals that qualify for state finals will not receive any allowance as in the past. The allowance for each person will be 1½ cents for a round trip, $1.50 per meal and $4.00 a night for lodging. The number of meals and nights allowed will be based on the distance of the school from the site of the tournament or meet and the number of days required to hold it.

In swimming the allowance will be paid to individuals qualifying for the finals. In gymnastics a percentage will be paid to each entry.

The formula will increase the amounts most schools would have received previously, especially those located longer distances away. Although the increase was not as much as the Board hoped to provide, it will raise the total cost by several thousand dollars. There were a number of reasons why the increase was not greater. An additional class established in Cross Country resulting in providing trophies and medals for seven more regions and trophies and medals for another state meet. Medals will be given in the track regionals instead of ribbons. The trophies for all sports at all levels will be of the more expensive silver tone. The sport of soccer has been adopted and this will result in some expense to the Association. As of July 1 under a new law, the Association is required to pay Federal and State Unemployment Tax. There will be an increase in travel by the commissioner for the setting up and directing of the officials associations and meeting with assigning secretaries.

In view of these additional expenditures and the rising costs for everything in general, the Board feels this increase was all that could be justified at this time,
Jack Fultz and the aye vote of all members, Roy L. Winchester moved, seconded by W. P. Wheeler, that in Class AAA, Region II, District 3, be changed to District 2 and that District 2 be changed to District 3. All members voted aye.

The Commissioner presented to the Board the correspondence in the eligibility of Jeffery Joe Wilson. This was done at the request of Prin. Barney Thweatt, Mayfield High School, Jeffery's parents have moved into the Mayfield School District from the Graves County District. He is ineligible for thirty-six weeks under the rules as the principal of the school he is leaving has not asked that the penalty be waived. After considerable discussion no action was taken for lack of a motion to restore his eligibility.

The Board of Control set the next meeting date for December 13, 1972, at 1:00 P.M. at the K.H.S.A.A. Building in Lexington.

William C. Doan moved, seconded by Zeb Blankenship, that all bills of the Association for the period beginning July 1, 1972, and ending September 30, 1972, be allowed. The motion was carried unanimously.

CHAMPIONSHIP SWIMMING: PERFECTING TECHNIQUE, e-j-s-c-a, 2 reels, (19 min.), color, $5.50
Outlines briefly the program and training methods used by the Santa Clara Swim Club that may be used by anyone to train swimmers. The techniques illustrated, such as weight, training, circle training, pace clocks, bench and stroke work, and interval training, when properly applied in the appropriate circumstances, will all prove beneficial in perfecting swimming style.
CRAWL STROKE, e-j-s-c-a, 1 reel, $2.00
The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This film also includes slow motion shots under water.
DIVING FUNDAMENTALS, j-s-c-a, 1 reel, $2.00
After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.
DOLPHIN KICK, e-j-s-c-a, 1 reel, $2.00
An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming techniques known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speed kick.
DROWN PROOFING, j-s-c-a, 1 reel (9 min.), color, $4.50
Shows how to stay afloat and travel in water even if you have never learned to swim. Ninety-nine percent (99%) of all men and about ninety-nine point nine per cent (99.9%) of all women can remain on the surface in fresh water without moving, as can nearly all children.
I'M NO FOOL IN WATER, p-e-j-a, 1 reel (8 min.), color, $3.50
Jimmy Cricket illustrates the "do's" and "don'ts" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when it is too cold, never swim alone, and dive only when you know the water is deep enough.
SPRINT CRAWL, e-j-s-c-a, 1 1/4 reels (14 min.), $3.00
Underwater photography plus animation demonstrate the dynamics of moving solid bodies through water and the resistance factors that must be overcome. SWIM AND LIVE, j-s-c-a, 2 reels, $2.00
Men of the Army Air Force at Miami are taught to swim from floating to swimming through burning oil. The film is useful for pre-induction instruction and for safety classes as well as for general programs.
SWIMMING BY THE RULES, e-j-s-c-a, 1 1/2 reels, (18 min.), color, $1.00
This film was ever produced to demonstrate the interpretation of the rules of swimming. Official procedures for starting, stroke judging, turn judging, finish judging and timing are illustrated. Divers in action show numerous faults and how much each fault lowers the diver's score. (KHSAA)

Wrestling
JIU JITSU, j-s-c-a, 1 reel (13 min.), $1.00
Demonstrates the effective, dangerous Jiu Jitsu defenses against knife, gun, club and mugging attacks.

WRESTLING OFFICIATING ILLUSTRATED, j-s-c-a, 2 reels, color, $1.00
Interpretations given in Wrestling Officiating Illustrated have been made by the National Federation members of the Joint Rules Committee. The film covers takedowns, reversals, escapes, leaving the mat, stalling, scoring and illegal holds such as body slam, bar arm, full nelson and chicken wing. Guidelines for officiating and interpreting the rules are provided. In all there are sixty separate scenes of wrestling. This film will provide the much needed guidance and proper interpretations for interscholastic competition.

"RESPECT"
(Continued from Page One)
his job to do and each must do it. Each has pressure on him, how he reacts to this pressure is what makes a good coach, a great one and an adequate official, an outstanding one.
Each must remember that a group of young men have been placed at their disposal for a learning phase of their life that can be taught nowhere else. No place else can this athlete perform against other young men of equal ability in a game of strength, stamina, and skill. No place else can he face the competition that he will face on an athletic field. How well he adjusts from all this may well go back to what he learns from his coach or the officials he comes in contact with.
There was a time when a coach felt he had only to score more points to beat a team. Now many of them feel they must not only do this, but also must overcome the calls of the officials as well. "Looks like we're up against seven of them again tonight," is a statement often heard before a basketball game.
Not so long ago, the official felt that a coach would have complete control of the young men at his command. Now he feels that he must control 12 people instead of 10 in a basketball game. It's a shame that men fail to respect each other in this game of life. It could make everyone's job so much easier.

SINCE WE PROVIDE COVERAGE FOR ABOUT 50% OF THE SCHOOLS IN THE STATE, WE DO HAVE A COMMERCIAL INTEREST IN THE ACADEMIC AND ATHLETIC PROGRAMS OF ALL OUR SCHOOLS.

BUT OUR REAL INTEREST IS MUCH DEEPER. WE ARE VITALLY CONCERNED THAT GOOD CITIZENSHIP, A SPIRIT OF FAIR PLAY, AND A REAL SENSE OF PERSONAL RESPONSIBILITY BE INSTILLED IN THE YOUTH OF OUR DAY.

WE BELIEVE THESE ARE THE QUALITIES THAT HAVE MADE AMERICA GREAT, AND ARE THANKFUL FOR OUR SCHOOLS AS THEY WORK TO CONTINUE THAT GREATNESS.
