MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Thursday morning, April 12, 1973. The meeting was called to order by President Richard Vincent at 9:30, with all Board members, Commissioner B. W. Wheeler and Assistant Commissioner Tom Mills present. The invocation was given by J. C. Cantrell.

W. P. Wheeler moved, seconded by Bill Doan, that reading of the minutes of the previous meeting be waived since members of the Board had received copies of these minutes. All members voted aye.

The Commissioner stated that the attendance at the 1973 State Basketball Tournament for the eight sessions was 120,525, this being approximately 6,000 less than the attendance for 1972. He reported, however, that the receipts had held up well due to the increase in the price of tickets. The total ticket sales for 1973 was $282,000.00. The Commissioner estimated tournament expenses of approximately $83,000.00. He stated that a complete record of all receipts and disbursements will appear in the annual audit.

The Commissioner reported the need for basketball redistricting in certain areas. After a discussion concerning redistricting requests, Jack Fultz made the motion that Fairview be moved from District 64 to District 63 to balance out these two districts to four teams each. Louie Martin seconded the motion and all members voted aye.

J. C. Cantrell presented a request from Principal Irvin Brooks, Southern High School, that his school be placed in a basketball district with schools with which Southern has a closer relationship and natural rivalry. The Board could not see a solution and requested Mr. Cantrell to contact Mr. Brooks for his recommendation which the Board would consider.

Upon a motion by Roy Winchester and a second by J. C. Cantrell, the Board voted unanimously in favor of the Kentucky High School Athletic Association sponsoring a state play-off in fencing.

Frank Simpson and W. P. Wheeler were named delegate and alternate respectively to the forthcoming annual meeting of the National Federation.

Roy Winchester moved, seconded by Louie Martin, that all bills of the Association beginning March 1, 1973 and ending March 31, 1973 be allowed. The motion was carried unanimously.

There being no further business the meeting adjourned.

1972-73 Annual Report
(Presented to Delegate Assembly)

Three hundred thirty-four schools have joined the Association during the 1972-73 school year. This number compares with 344 members last year.

Financial reports filed by the sixteen regional basketball tournament managers show total receipts of $273,255.80 with attendance of 200,076. The district tournaments grossed $308,029.02 with an attendance of 339,154.

Attendance at the State Tournament for the eight sessions was 120,525, an average of 15,066 as compared to 128,352, an average of 16,048. This represents an average decrease of about 1,000 people per session. However, an adjustment in the ticket prices compensated for the decrease in attendance as the gross receipts was $282,000. After the expenses are deducted the profit will be about what over last year and that integration in the 1972-73 budget. A complete record of all receipts and disbursements will appear in the August issue of the Association magazine.

One thousand six hundred eighty-one basketball officials, 772 football officials and 63 wrestling officials have registered with the Association. Thirteen football rules clinics for coaches and officials were held by Assistant Commissioner Billy V. Wise. One hundred sixty officials took the National Federation examination. Of this number forty were added to the Certified list and there were ninety-one on the Approved list. Mr. Wise conducted eighteen basketball rules clinics throughout the state, one hundred ninety-four basketball officials took the examination for the higher ratings with thirty-nine being added to the Certified list and 128 received the Approved rating.

Assistant Commissioner Louis Stout conducted a school for twenty area baseball clinic directors who will assist in assigning umpires. Mr. Stout also conducted thirteen statewide baseball rules clinics for coaches and umpires. For 1971-72 fifty-eight officials took the examination for the higher ratings with seven being added to the Certified list and thirty-nine to the Approved list.

Assistant Commissioners Tom Mills, Wise and Stout held meetings throughout the state with principals and coaches to set up area associations.
to assist in the selection of officials. These resulted in fourteen and eleven assigning secretaries being selected in basketball and football respectively. These men were selected by boards elected by the schools involved. The results of the assignment plans for the most part was successful. An effort will be made to eliminate the unforeseen difficulties that arose during the year. The assigning secretaries are to be commended for their untiring efforts in getting this program started.

The Commissioner and the Assistants deeply appreciate the cooperation, assistance and suggestions of the administrators and coaches of the member schools. We are all at your service at anytime. It is your Association and the kind of job we do in carrying on the work will depend very much on your giving us your ideas and assistance in solving problems as they arise.

The number of schools maintaining sports sponsored by the Association for 1972-73 are: boys' basketball, 320; baseball, 285; football, 195; boys' track, 213; girls' track, 160; boys' golf, 160; girls' golf, 63; cross country, 122; boys' tennis, 96; girls' tennis, 77; wrestling, 58; boys' swimming, 37; girls' swimming, 32; boys' gymnastics, 13; girls' gymnastics, 21; rifle, 14. The first Association sponsored tournament in soccer was held with 10 teams taking part.

The Association has paid out so far this year through the catastrophic insurance policy claims in the amount of $10,103.40. The Kentucky High School Coaches Association contributed $1,000.00 toward the premium costs of this policy.

Approved and Certified Baseball Officials

Some sixty-four K.H.S.A.A. officials registered in baseball took the National Federation examination for the higher ratings on April 18, 1973.

The Kentucky School Athletic Association gave its highest award to an individual on the evening of April 12 when Charlie Vettiner, who originated the Game Guy Award, presented Sol Dudley of the Henderson High School the 1973 Game Guy Award. The presentation was made during the dinner meeting of the Association.

In nominating Sol Dudley for the award, Coach Bill Dawson said:

"I would like to nominate one of my football players for the Game Guy Award. He is Sol Dudley, senior from Henderson High School. Sol was recognized as one of the best defense players in Region 1 going into the 1971 football season. He suffered a broken neck in his team's second game of the 1971 season, Sol was flat on his back on his hospital bed for three months, with his neck in traction. The specialist performed an operation by taking a piece of the bone from his hip and grafting it to the vertebrae in his neck. Sol missed the first semester of school. In fact it was touch and go for a while as to whether he would ever walk again. He did walk and later ran, and this year he was among the leading tacklers of the defensive unit from his outside linebacker in the end position. He served as a team captain and was considered by all as a good competitor.

Dudley's senior season was capped off by his election to the Kentucky all-state team selected by the Associated Press and its nearly thirty sports departments over the state. He joined an illustrious group of footballers from across the state in the first defensive unit and they were joined by only ten other players from Kentucky's three football classes."

**Score Calculations**: Each team's total points are calculated by summing the points for each event. The points for each event are determined by the team's rank in that event. The higher the rank, the more points awarded. The total points for each team are then summed to determine the final rankings.

Kentucky High School Coaches Association Annual Meeting

The annual business meeting of the Kentucky High School Coaches Association met at the Seelbach Hotel in Louisville on April 12, 1973, with 60 members present.

Bowman Davenport, the in-coming president called on Don Morris, basketball coach at East Hardin for the invocation.

As the minutes of the Association are published in the Athlete, Goodman, of Meade County moved and Wallace of Trigg Co, seconded that the minutes be approved and the minutes be dispensed with. Motion carried.

Treasurer Joe Ohr read the financial report of the All-Star account and the Kentucky High School Coaches Association account. The report was accepted.

The feature speaker, Coach T. W. Alley, football mentor of the University of Louisville was introduced by Coach Irv Spencer of Valley High School. Coach Alley remarked that he represented 96% of the college coaches—"stepping up from an assistant to a head position—it is privilege to coach because parents turn their children over to you for full and total development—athletes are above the average student, we develop the traits instilled in them by their parents—the role of the coach takes you into administration, you are an intergal, part of the educational process, you have the most direct contact with the students—we as coaches have a role to play in discipline; students respect the coach more than any teacher. More coaches are in the administrative field because they have not been afraid to discipline the youth under their guidance—the leadership of the coach sets the tempo of the school-coaches probably understand the youth better and as coaches one must maintain an image and be above reproach". Alley stated that he wanted as many Kentucky boys as possible on his Louisville team and in selecting an assistant coach that he certainly wanted a high school coach from Kentucky on his staff. Jim Kennedy of Trinity High School was selected for this position.

He was the first time in honoring the "Coaches of the Year" in football and basketball, the coaches were from the same school—Roy Walton, football coach and Nolan Barger, basketball coach of Tates Creek High School, Lexington, Kentucky were elected by their fellow coaches. Phil Green, assistant football coach at Tates Creek, accepted the awards for both.

Bowman Davenport, president of the K.H.S.C.A. presented a plaque to Coach Garnis Martin, of Bardstown High School, as the out-going president.

Ty Holland, former football coach of Murray High School was presented a plaque on behalf of the association for his 42 years of coaching and service to the youth of Kentucky. Holland is a former member of the Board of Control.

In the election of officers, Joe Ohr, of Irvine was reelected as secretary-treasurer and Pat Dale, football coach of Danville High School was elected sergeant-at-arms.

In accordance with new rules governing the All-Star games—the team members were made public to the press and to members present. A printed list of players and votes received was released by Games Director Eck Brahm.

Meeting adjourned at 11:50 A.M.
