Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, on Saturday, December 21, 1974. The meeting was called to order by President W. P. Wheeler at 9:30 A.M. with all Board members, Commissioner J. B. Mansfield, and Assistant Commissioners Tom Mills, Billy Wise and Louis Stout present. Conley Manning was present representing the State Department of Education. The invocation was given by Frank Simpson.

Ray Story moved, seconded by Arthur Hawkins, that the reading of the minutes of the September meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

President Wheeler introduced Mr. Eldon Davidson, new Board member representing Section 6. Mr. Davidson replaced Jim Williams who resigned his membership on the Board when he accepted a new position with the Somerset Board of Education.

Mr. Eldon Davidson presented the eligibility case of Rick Barnes, a student at Monticello High School. Rick is ineligible under By-Law 6, Section 1, Transfer Rule. Following comments by Mr. Davidson, Rick’s mother spoke before the Board on Rick’s behalf. President Wheeler thanked Mrs. Barnes and assured her that her comments would be taken into consideration and that she would be informed of the decision of the Board. After a discussion of the case, Mr. Davidson made the motion that the eligibility of Rick Barnes be restored. The motion failed for lack of a second.

Prin. Wilbur Jamerson and Coach Frankie Francis of Wheelwright High School came before the Board to present the eligibility case of Michael B. King. Michael is ineligible under By-Law 6, Section 1, Transfer Rule. Michael is currently living with his grandparents in the Wheelwright school district. He came to them from Madison, Ohio, when his parents separated and he could no longer have a home with either. The Board restored his eligibility in that his grandparents were standing in place of his parents. The motion was made by Louie Martin and seconded by Jack Fultz. It carried unanimously.

Commissioner Mansfield presented the following eligibility cases to the Board of Control for consideration, all of whom are ineligible under By-Law 6, Section 1, Transfer Rule:
- Richard Scott Lacy, Pleasure Ridge Park High School
- David Allen Gray, Maysville High School
- Stacy Stuart, Henry Clay High School
- Chris Kastien, Barren County High School
- Eddie Raymer, Webster County High School

After hearing the facts in the above cases, the Board failed to take the necessary action to restore their eligibility.

Mr. Mansfield then presented the case of Claude Hensley, a student at duPont Manual High School, who is ineligible under By-Law 4, Age. After hearing the case the Board failed to take the necessary action to restore his eligibility.

The case of Randy Hager, a student at Phelps High School, who is ineligible under By-Law 5, Section 3, Enrollment, was then presented. Randy has not been in attendance for the required three months this semester. No action was taken to restore his eligibility.

The Commissioner presented the case of Rick Stockstill, a student at Georgetown High School, who is ineligible under By-Law 5, Section 3, Enrollment. Rick was unable to attend school the first semester of this school year because of an injury sustained in a football scrimmage. Upon a motion by Ray Story and a second by Arthur Hawkins, the Board voted unanimously to restore the eligibility of Rick Stockstill.

The next case presented was on behalf of John Stone, a student at Henry Clay High School. John is ineligible under By-Law 5, Section 3, Enrollment. After hearing the facts in the case and upon a motion by Louie Martin and a second by Ray Story, the Board voted unanimously to restore the eligibility of John Stone at Henry Clay High School.

Mr. Hendree Milward, representing the Powell-Walton-Milward Insurance Company, came before the Board to explain and offer a liability policy for Board members and executive officers. After he completed his presentation, members of the Board asked several questions pertaining to situations which would or would not be covered under this policy. President Wheeler then thanked Mr. Milward and he departed. After considerable discussion, George Sauer made the motion that the Board purchase the liability policy from the Powell-Walton-Milward Insurance Company in the amount of one million dollars ($1,000,000.00) at a three year premium rate of $2,739.00. Fairce Woods seconded the motion and all members voted aye.

Prin. Harold Storm and Ath. Dir. Hobart Hodges, of Laurel County High School, came before the Board requesting that Laurel County High School be changed from Class AAAA, Region III, District 2, to Class AAA, Region III, District 2, in football. Mr. Storm explained that the reason for the request was based upon several things. He explained that the football program at Laurel County was only five years old and had not advanced to the level of other Class AAAA schools. For financial reasons he did not think his school could travel the required distance to compete with those schools in the district his school had been assigned. He presented letters from the principal of each of the schools in the lower class stating that they did not object to the move. After answering questions from Board members they thanked the Board for their time and departed. Following a lengthy discussion, during which it

INFORMATION

STATE HIGH SCHOOL BASKETBALL TOURNAMENTS

(Boys and Girls)

The 1975 State High School Boys and Girls Basketball Tournaments will be held in Freedom Hall, Louisville, on March 19-22 and at Eastern Kentucky University, Richmond, on March 26-29, respectively. The first session of the tournament is scheduled for Wednesday afternoon. There are two sessions for each of the days, Wednesday, Thursday, Friday, and Saturday, February 1-5, 1975. K.H.S. Boys' State Tournament, P. O. Box 7502, Lexington, Kentuck 40502 will accept mail orders for complete sets of tickets for the tournament. The orders for the boys' tournament will be filled after the schools have received the tickets allotted to them under the plan of distribution set up by the K.H.S.A.A. Board of Control. The orders from the 300 member schools will take all the box seats on the sides, all the chair seats below the boxes and chair seats in the center section. For the past several years those remaining have been in the corner and end sections.

The prices of tickets per set (8 sessions) for the boys' tournament are as follows: end box seats, $32.00; side balcony chair seats, $32.00; end balcony chair seats, $20.00. Each order must include a remittance of 25 cents for postage and insurance on the tickets, and checks should be made payable to K.H.S. Boys' State Tournament. Orders for individual session tickets will be accepted during the February 10-28 period, and should not be included with orders for complete sets of tickets mailed prior to that time. Tickets available for individual session tickets will be side balcony seat at $4.00 a session and end balcony chair seats at $2.50. All seats in Freedom Hall are chairs. An over-the-counter sale will begin at Freedom Hall on March 11 and continue through the tournament.

The prices of tickets per set (8 sessions) for the girls' tournament are as follows: side chair seats, $32.00; the side bleacher seats are $24.00 and the end bleacher seats are $16.00. Only complete sets of tickets may be ordered by mail. Checks or money orders should be made payable to Girls' State Tournament Ticket Sales. Mail orders will be accepted on or after February 1. Tickets for individual sessions may be purchased at the tournament site any time during the tournament.

Attention, Swimming Coaches!

The events for the State Swimming Meets for 1975 will be the same as those listed in the K.H.S.A.A. Constitution and By-Laws, Swimming Regulations on pages 50-59. The only difference being the 400 Yard Freestyle which is 500 yards in the National Federation Rules, The National Federation Rules will be used beginning in 1975.

The Class AAA Meets will be held at the Plantation Club in Louisville on February 21-22. The Class AA will be held at Eastern Kentucky University on April 4-5. The following schools have indicated they will have teams.

BOARD MINUTES
(Continued from Page One)
was pointed out that many other schools were faced with the same problem and to approve this request could start a trend which would destroy the classification systems, the Board refused to approve this request.

A request was received from Cumberland High School, requesting that they be permitted to change from Class AA to Class A. The Board did not take action on this request.

Requests were received from Henderson High School and Corbin High School that they be allowed to move from a lower to a higher class and assigned to a new district and region. Since this has been the policy of the Board in the past, George Sauer moved, seconded by Fairless Woods, that the request be granted. All members voted aye.

No action was taken on requests from Carroll County High School, Fleming County High School and Madisonville North Hopkins High School to change to other districts or regions within their present Class.

The Commissioner recommended that the following regulations concerning the fees for districts, regional and state basketball tournament officials shall receive a fee of $30.00 per game, the regional tournament officials shall receive a fee of $35.00 per game and the State Tournament officials shall receive $40.00 per game. The transportation allowance shall be $10.00 per mile for all necessary travel. In the event that is necessary for the official to remain over night at the tournament site, he or she shall be paid an additional $200.00 per day for lodging and meals. The same rates shall apply to boys' and girls' tournament officials. Cecil Reid moved, seconded by Frank Simpson, that the regulations recommended by the Commissioner be adopted. The motion was carried unanimously.

Coach Rondel Dunavent of Owen County High School; Larry McMillan, Oldham County High School; George Schneider of Catholic High School; Jim Conner of Boone County High School; Bill Crumbaugh and John Peterson of Franklin County High School came before the Board to present a recommendation on proposed changes in the present playoff method in basketball. Coach Dunavent informed the Board that much study and effort had been given to their proposal and that many other members of the group had contacted baseball coaches throughout the state and found almost all coaches in favor of the recommended change. Following a question and answer period, President Watts thanked the coaches for coming and assured them that a complete study would be made and a decision rendered by the Board as soon as possible. Coach Dunavent and his group thanked the Board for the time and departure. The Board then directed Assistant Commissioner Louis Stout to work with this group in drawing up a proposal to be forwarded to all schools with the results being presented to the Board during their January meeting.

Assistant Commissioner Tom Mills reported that the football championship playoffs conducted by the schools involved. The receipts for Class A and AA final games held in Louisville were slightly lower this year than the comparable figures for 1973. After a discussion concerning an additional amount to be allotted to each team taking part in the final games, Frank Simpson moved, seconded by Fairless Woods, that each of the six teams involved shall receive an additional amount of $500.00. The motion carried unanimously.

Mr. Mansfield stated that after receiving several requests to change golf to a fall sport that he had conducted a survey of the schools involved. The results were 100 schools favored leaving golf a spring sport while 86 stated they would prefer it be changed to a fall sport. No action was taken by the Board to make this change.

Mr. Mansfield presented the request of Judy Morris, President of the Kentucky Girls Sports'
Association that the organization be allowed a voting member on the Delegate Assembly and that the district basketball manager withhold $3.00 from district receipts to pay for two coaches' membership for each school. The Board ordered the Commissioner to submit a referendum to the principals to permit the president of the group to be a voting member at the Delegate Assembly. Ray Strow moved, seconded by Frank Simpson that this request be granted. All members voted aye.

Mr. Mansfield reported that it was deemed advisable to have a different firm to audit the books of the K.I.S.S.A. He recommended that the firm of Monroe and Associates of Lexington be employed. Cecil Reid moved, seconded by Louie Martin, that the recommendation of the Commissioner be approved. All members voted aye.

Fairce Woods reported that many schools in his area were having a problem with officials not reporting for their assigned games in basketball. Other members of the Board reported the same problem. Following a discussion of the situation, Commissioner Mansfield was instructed to inform all assigning secretaries that failure to show up for a game by an official, unless a satisfactory explanation that he could not attend because of suspension for a one year period does not take place in Educational Television where it could be viewed throughout Kentucky. Fairce Woods moved, seconded by Jack Fultz, that this change be approved. All members voted aye.

President Wheeler appointed George Sauer, Arthur Hawkins and Louie Martin to serve on a Committee to study and make recommendations on athletic insurance coverage for member schools. This Committee is to report its findings to the Board at the January meeting.

Jack Fultz moved, seconded by Fairce Woods, that all bills of the Association for the period beginning September 1, 1974, and ending November 30, 1974, be allowed. The motion was carried unanimously.

The next meeting date for the Board was scheduled for January 24, 1975, at 9:30 A.M., at Stouffer's Inn in Louisville.

There being no further business, the meeting was adjourned at 2:30 P.M.

1974-75 WRESTLING
EARLY SEASON QUESTIONS
INSTALLMENT I

EDITOR'S NOTE: These interpretations of the 1974-75 National Federation Wrestling Rules do not set aside but interpret the rules. They are made and published by the National Federation of State High Schools in response to situations presented.

Clifford B. Fagan,
Editor, National Federation Publications

1. Situation: Wrestlers of Team A report for competition in: (a) one-piece uniforms commonly used for international competition; or (b) two-piece uniforms consisting of bermuda length shorts and properly cut shirt; or (c) full-length tights over which is worn a one-piece uniform with a shirt cut so the front and back are level with the arm pits but is worn so the arm is cut below the mid-point between the wrestler's waist and arm pit.

Ruling: The uniforms in (a), (b), and (c) are illegal. Wrestlers will be given a maximum of three minutes to comply with the rules. Failure to comply with the required uniform shall result in a forfeit.

2. Situation: In a multiple school tournament being conducted in one day, there are: (a) eight schools invited, and it is announced four places will be scored; or (b) 16 teams are invited, and it is announced six places will be scored.

Ruling: Wrestlers are limited to no more than four full-length matches during a day. Full-length matches are those for which the time limit is specified by rule and are six minutes in length for championship or five minutes in length for consolation. In (a) it would be possible for a school to conduct an eight team tournament wrestling back to four places because this would consist of a maximum of four matches for any wrestler. In (b) it would not be possible for a wrestler to wrestle back because of the four-match limitation.

Comment: The purpose of the rule change is to protect the health of wrestlers. When wrestlers are permitted to compete in more than stipulated by rule, there is a greater possibility they will sustain injury. This should be avoided. In adopting the rule change, the committee was aware there are takedown tournaments being conducted in various areas. These tournaments usually consist of two-minute matches and because they involve only a single skill are not included in the limitations.

3. Situation: During the third period, B1 is successful in executing a stand up and escapes. This maneuver puts B1 one point ahead of A1, and he is content to avoid A1. When the wrestlers do tie up, B1 makes no attempt to take A1 down and blocks attempts by A1 to secure a takedown.

Ruling: The referee will stop the match and warn B1 for stalling if he has not previously been warned or penalized. Whenever it is necessary to warn a wrestler for stalling in the neutral position or to penalize a wrestler, the match shall be stopped and the warning or penalty clearly indicated and wrestling resumed as following an out-of-bounds.

4. Situation: In the second period of a match, A1 who is ahead 2 to 1 is successful in applying the figure-4 scissors to the body of B1. A1 flattens B1 to the mat but does not attempt to turn B1.

Ruling: When it is apparent A1 is not working to turn B1, a stalemate will be declared. The match will be stopped and restarted as following an out-of-bounds. If this tactic is repeated, A1 will be warned or penalized as is stalling. If B1 is warned, the match will be stopped for warning. However, if he has been warned, the match will be stopped when penalizing.

5. Situation: From the starting position on the mat, B1 is successful in executing a stand up and just as he is about to escape A1 locks both hands around the ankle of B1. B1 turns and attempts to control A1 by grabbing his leg.

Ruling: After it is obvious neither wrestler can improve his position, the referee shall declare a stalemate. The fact that A1 is around the leg of B1 to prevent him from scoring results in a stalemate situation when neither wrestler is able to improve his position.

6. Situation: From a neutral position, A1 attempts the double leg but is successful in grasping only one leg of B1. A1 counters by applying a crossface and is able to move around so he is hip-to-hip with A1 and has him off his base and picks up the far ankle.

Ruling: B1 has earned a takedown and shall be awarded 2 points. This rule is true, except B1 maintains hands locked high around one leg of B1.

7. Situation: From a starting position on the mat, B1 attempts a single switch. In order to counter this move, A1 locks his hands around the leg of B1. Another wrestler can improve his position.

Ruling: A stalemate shall be declared as soon as it is obvious B1 cannot complete his move because A1 has locked his hands around the leg. If this act is repeated by A1, he will be warned or penalized for stalling.

Comment: It is a stalemate when either competitor has his hands locked around one leg of his opponent in order to prevent him from scoring. The revision is an expansion of the provision previously contained in the rule which specified locking the hands around one leg of his opponent to prevent an escape was a stalemate. When it is apparent the wrestler locking his hands around one leg of an opponent has prevented his opponent from scoring, a stalemate shall be declared, and the match restarted as following an out-of-bounds. The referee will allow only minimal time to see whether wrestlers can improve their positions. If they cannot, a stalemate will be declared or the offender penalized for stalling.

8. Situation: A1 has his opponent in a pinning situation near the edge of the mat. As A1 turns the torso of B1 away from the boundary, B1 moves so the lower part of his body is outside the wrestling area. The supporting parts of A1 remain in-bounds as do the shoulders of B1.

Ruling: Wrestling shall continue as long as the shoulders of B1 are not in-bounds. Near-fall points may be earned in this situation.

9. Situation: A1 is successful in getting a grapevine on the leg of B1 and grasping the arm on the same side, thereby, turning the shoulders of B1 toward the mat. Wrestling is near the edge of the mat and in an attempt to avoid a fall B1 bridges so that his head touches outside the boundary line and the rest of his body is within the wrestling area. The shoulders of B1 are within one inch of the mat for several seconds.

Ruling: Wrestling will continue even though the head of B1 is touching out-of-bounds. Because the shoulders of B1 are over the wrestling area, A1 may earn points for a near-fall.
