DUE PROCESS PROCEDURES

The Board of Control of the Kentucky High School Athletic Association adopted the following Due Process Procedure for appealing decisions of the Commissioner or Board of Control, effective July 1, 1976.

1. Aggrieved Parties May Appeal Decision
If a participant, parent, contest official, coach or member school is dissatisfied with a decision of the Board of Control or the Executive Secretary's interpreting a provision or provisions of the Constitution, By-Laws or rules and regulations of the Association, and such individual or school is an aggrieved and affected party, such a party may within fifteen (15) days of the receipt of the decision, submit in writing by certified mail, return receipt requested, a notice of appeal of the decision and a request for a formal hearing.

2. Investigation
The Executive Secretary or his staff, or such representative of the Association designated by the Board of Control shall investigate all matters upon which the appeal is based. Investigations shall be performed so as to bring the matter to hearing, unless for cause otherwise shown, no later than the next regularly scheduled meeting of the Board.

3. Notice
After completion of the investigation, the Executive Secretary shall notify the appealing party, by certified mail, return receipt requested, of the time and place set for a hearing on the appeal. The notice shall be given at least seven (7) days in advance of the time set for the hearing. The hearing shall be conducted in conjunction with a regularly scheduled meeting of the Board, provided that the matter may be heard at a special meeting of the Board in the event that the appealing party agrees to pay all the costs incidental to such special meeting.

4. Attendance at the hearing
Representatives of member schools, contest officials, students, parents and coaches who are appealing parties are entitled to attend hearings. In the instance of a student submitting the appeal, such student may be represented by the member school that the student attends. Any person entitled to be in attendance at such hearing, may represent themselves. Such persons are also entitled to be represented by counsel, provided that they notify all other parties involved in the appeal of the name, address and telephone number of such counsel at least three (3) days in advance of the hearing.

5. Board of Control to Hear Appeals
The Board of Control of the Association shall hear all appeals brought under the provisions of these rules. The President of the Board of Control may appoint a hearing officer to preside over the hearing or he may act as the hearing officer himself. The hearing officer may, at the beginning of the hearing, ask for statements clarifying the issues involved or upon which factual matters the appealing party will stipulate and agree to. The Executive Secretary shall make available written copies of his investigation, and may give testimony relative thereto. The appealing party shall present its defense and proofs. The parties may offer such evidence, including the testimony of witnesses, as they desire and which is relative to the proceedings. Each party shall have the right to cross examine witnesses of the adverse party. All parties shall be afforded the opportunity to examine all documents introduced.

6. Closing of Hearing
The hearing officer shall specifically inquire of all parties whether they desire evidence. Upon receiving negative replies, the hearing officer shall declare the hearing closed.

7. Hearing in Absence of a Member
The hearing may proceed in the absence of any party, who after it is shown has received due notice thereof, fails to be present or fails to request an adjournment. Adjournments may be requested of the hearing officer upon the request of a party or upon the initiative of the hearing officer. However, a decision shall not be made solely upon the default of a party, but shall be based upon the evidence in the matter before the Board.

8. Decision of Board
The decision of the Board of Control shall be made within seven (7) days of the closing of the hearing. The decision shall be in writing, signed by the Executive Secretary and shall state the findings and conclusions of the Board. It shall be mailed to the appealing party by certified mail, return receipt requested. All decisions of the Board shall be final and nonappealable except as provided by these rules.

THE SPORT OF TABLE TENNIS

The sport of table tennis, on a high competitive level, requires quick reflexes, good eye-hand coordination, fast footwork and top physical condition.

Many people have played a basement game called Ping Pong, which is really the trade mark name for a brand of equipment. I am often asked what the difference is between this game and table tennis. My answer is that table tennis is played under strict rules and requires 10 to 15 feet behind each end of the table, six feet on each side and at least a twelve foot ceiling. In top competition, the ball, weighing a fraction of an ounce, may attain a speed of 50 to 60 miles an hour. It is for this reason that a well lit gymnasium is the best place for table tennis competition.

The requirements of age, weight, and size are such that almost anyone can play this sport. To reach a high degree of skill, one must learn the (Continued on Page Three)

COACHES CORNER

Hey Coach!! This is your Corner. This is the focal spot, the crossroads of news for the coaches. You asked for it!!! Let's make it a successful page!!!

The KHSAA was kind enough to allot us space in the Athlete each month. Let's make good use of this space.

The next issue will be an excellent time to list any open dates that you will have in the future. Mark your calendar for two big and important meetings for our Kentucky High School Coaches Association.

Our first important meeting will be held at the Boys' State Tournament on Thursday morning, March 25th at 9:30. Coffee and doughnuts will be on hand for the early birds.

The meeting will be held in the Executive Inn, West (Probably in the Edinburgh Room.)

The next and second important meeting will be held in the same place on April 16th, at 10:00 A.M., during the KEA Convention.

Your Executive Committee met on February 16, and discussed many problems that must be resolved by the membership.

Take an active part in helping your professional organization grow in stature.

Many problems concerning our all-star games have arisen. We are definitely going to have the games this year but we need your help in putting more enthusiasm in the games — do you have any suggestions on the improvement of the games? If so send your suggestion to "Coaches Corner".

What suggestion do you have for the good of the KHSAA? Don't hesitate! Any idea is worth exploring. Send it in!!!

Al Prewitt, Basketball Coach of Henry Clay High School will be collecting and editing next month's "Coaches Corner." Send all ideas, notes, etc., to him at Henry Clay High School, Lexington, Ky.

— Bob Miller
