MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Saturday morning, May 15, 1976. The meeting was called to order by President Louis Martin at 9:00, with Board members Arthur Hawkins, Denval Barriger, Eldon Davidson, Jack Fultz, Cecil Reid, George Sauer, Gene Sell, Frank Simpson and Ray Story; Acting Commissioner Tom Mills and Assistant Commissioners Louis Stout and Billy V. Wise present. Also in attendance were Dr. Conley Manning of the State Department of Education, Darrell Wells of the State School Boards Association and Board attorney Calvert T. Roszell. The invocation was given by Frank Simpson.

Ray Story moved, seconded by Arthur Hawkins that the reading of the minutes of the April 15th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Prin. Pat Crawford and Ath. Dir. Jim Ruether came before the Board to request that Ballard High School be given permission to invite two out-of-state basketball teams to participate against Ballard High School and another Kentucky team, to be named later, in Freedom Hall, Louisville on December 21, 1976. These games would be known as the Stewart Kentucky Basketball Classic. Following their presentation and a discussion by members of the Board, George Sauer moved, seconded by Denval Barriger that approval of the Stewart Kentucky Basketball Classic be given on a one year basis, contingent upon the complete approval of the National Federation of State High School Associations. In the event that approval of the National Federation is received, permission to have future Stewart Kentucky Basketball Classics must be submitted to the Kentucky High School Athletic Association for approval or disapproval. The action carried unanimously.

Prin. Warren Featherston, Tate Creek High School, came before the Board to request that they consider K.H.S.A.A. sponsored competition in table tennis. Mr. Featherston presented results of a recent tournament held at Corbin High School and explained that many high schools were represented. Accompanying Mr. Featherston were several students who participated in this tournament and each one spoke in favor of the request. Following the presentation, Mr. Mills was instructed to poll the member schools to determine the amount of interest in this sport. President Martin informed Mr. Featherston that if sufficient interest were shown, the Board would consider sponsoring the sport.

Mr. Mills requested that the Board consider setting a financial allowance for those schools participating in the Girls' State Basketball Tournament. Following a financial report on the Tournament, Gene Sell moved, seconded by George Sauer, that each participating school receive an allowance of $200.00 each. All members voted aye.

Mr. Mills reported to the Board that the football (Continued on Page Five)

From the Commissioner's Office

Attention, Principals and Superintendents!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to be ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting
June 11, 1976

The Board of Control of the Kentucky High School Athletic Association met in Louisville, Kentucky, on Friday, June 11, 1976. The meeting was called to order at 2:00 P.M. by President Louie Martin. Present were Board members Denval Barriger, Eldon Davidson, Andrew J. Fultz, Cecil Reid, George Sauer, Gene Sell, Frank B. Simpson, Ray Story and Arthur Hawkins. Mr. David V. Wise was present representing the State School Boards Association. The invocation was given by George Sauer.

Jack Fultz moved, seconded by Eldon Davidson, that the reading of the minutes of the May meeting be waived since members of the Board had received copies in the mail. The motion was carried unanimously.

A delegation of football coaches came before the Board to discuss the recent change in By-Law 27, which eliminated spring football practice. Following the presentation by Coach Wilson Sears and a lengthy discussion, it was requested that the group present their suggestions on regulations and restrictions of off-season football programming to the Commissioner prior to the July Board Meeting. President Martin assured the group that the topic will be discussed at the next Board meeting and that guidelines will be formulated at that time.

The Board then heard a request from Principal Arturer K. Draut, Waggener High School and Principal Irvin Rice, Westport High School, that the Board reconsider their decision to change soccer from a spring to a fall sport. Following their presentation, it was pointed out that of the twenty-four schools sponsoring a soccer team, twelve of these requested soccer be changed to a fall sport and twelve requested that it remain a spring sport. At this point Ray Story, seconded by Eldon Davidson, that the K.H.S.A.A. not sponsor a state championship playoff in soccer but schools be given the option of conducting the during the 1976-77 school year and that the member schools be given the option of conducting the sport in either season. The motion carried unanimously.

Mr. Mills presented the results of the recent opinion poll on the classification of basketball. He stated that of those responding to the poll, 128 members favored the present plan while 114 members were in favor of classification into either 2, 3 or 4 classes. Eighty-one member schools did not respond to the poll. The results were turned over to the Basketball Committee for study and recommendations.

President Martin requested that the Board go into executive session for discussion of salaries for the administrative staff and secretaries. At the conclusion of the session, Frank Simpson moved, seconded by Gene Sell that the salary of Commissioner Tom Mills be set at $27,000.00; that the salaries of Assistant Commissioner Wise and Stout be set respectively at $22,000.00 and $19,500.00; and the secretaries receive an eight percent increase in their salaries. The motion passed unanimously.

The next item on the agenda was the consideration of applicants for an additional member of the K.H.S.A.A. administrative staff, this to be a person who would assume on July 1, 1976, the duties of Assistant Commissioner. Commissioner Mills reviewed with the members of the Board the qualifications of thirteen persons who had applied for the position. After a considerable discussion concerning the qualifications of the applicants, Ray Story moved, seconded by Gene Sell, that Dianne Caines be elected to the position of Assistant Commissioner for a two year period, beginning July 1, 1976, her annual salary to be $17,000.00. The motion carried by a vote of 9-1.

Jack Fultz moved, seconded by Cecil Reid, that all bills of the Association for the period beginning May 1, 1976, and ending May 31, 1976 be allowed. The motion was carried unanimously.

The Board set July 30, 1976, as the date for its next meeting.

There being no further business, the meeting was adjourned.

on leave of absence with full compensation effective December 1, 1975, through November 30, 1976. In the event that during this time Mr. Mansfield's health improves to the point where he is able to assume all of the duties of the Commissioner, he be re-assigned to this position. Further, the Committee recommends that the Board of Control act on naming a new Commissioner immediately. Mr. Story moved that the recommendation of the Committee be adopted. Gene Sell seconded the motion and it passed unanimously.

Gene Sell made the motion that effective May 15, 1976, Tom Mills be employed as Commissioner of the Kentucky High School Athletic Association for a period of four years with the provision that if Mr. Mansfield's health improves during the period of his approved leave of absence to the point where he is able to assume all of the duties of the Commissioner, he will return to this position and Mr. Mills would become the Administrative Assistant. The salary shall be the present salary of the Commissioner as shown on the 1976-77 salary schedule, prorated over the period of May 15 through June 30, 1976. Arthur Hawkins seconded the motion and it passed unanimously.

President Martin stated that the business of the executive meeting was over and requested that Mr. Mills, Mr. Stout and Mr. Wise return to the meeting. Mr. Mills was informed of the decision of the Board and he accepted the provisions of the contract.

Assistant Commissioner Wise presented the results of the opinion poll taken on the standardization of officials fees in football, basketball and baseball for the 1976-77 school year. Based upon the information presented by Mr. Wise, George Sauer made the motion that the fee of $25.00 be set for varsity football and basketball officials with a 10¢ travel allowance per crew in football for all mileage over 50 miles and a 10¢ travel allowance per team in basketball for all mileage over 50 miles unless both officials are forced to drive because of their location. The fee for baseball officials shall be $15.00 per game for official for single games and $22.50 per official for double headers. The fee for travel shall be the same as for basketball officials. The fee for junior varsity officials in football and basketball shall be a maximum of $12.50 for official per game. The motion was seconded by Denval Barriger. Seven members voted in favor of the motion with Cecil Reid and Jack Fultz opposing it and Ray Story abstaining.
Following a discussion of the date and site for the 1976 football championship games, Jack Fultz moved, seconded by Gene Sell that the finals of Class A and AA be played on November 26, the AAA on November 27, and the AAAA on December 4, and that all be played in Lexington. The motion passed unanimously.

Ray Story moved that Evangel High School be placed in Basketball District 21, Region 6, for the 1976-77 school year. George Sauer seconded the motion and all members voted aye.

Mr. Mills reported that several principals of member schools who sponsor soccer had requested that it be changed from a spring to a fall sport. Following a lengthy discussion, George Sauer made the motion that the request be approved. Denval Barriger seconded the motion and it passed unanimously.

Mr. Mills presented a letter from Bowling Green High School requesting that By-Law 4, Age, be waived in the case of Tim Riggs. Tim will not be eligible to participate in spring sports during his senior year since he will become 19 years of age in January. After hearing the facts, Cecil Reid moved that By-Law 4 not be waived in this case. Eldon Davidson seconded the motion and it passed by a vote of 5-1. Denval Barriger opposed the motion.

The next meeting date for the Board was scheduled for 2:00 P.M., Friday, June 11, 1976, at Stouffer’s Inn, Louisville.

Jack Fultz moved, seconded by Arthur Hawkins, that all bills of the Association for the period of May 1, 1976, through May 31, 1976, be approved. All members voted aye.

There being no further business, the meeting adjourned.

There are three Saving Accounts under Kentucky High School Coaches Association heading totaling $20,000.00 and these are shown on the schedule of Savings Accounts of the East-West All Star accounts.

The bank balance of $7,237.33 has been verified as being in the Union Bank & Trust Company, Irvine, Kentucky as of March 28, 1976.

In my opinion, this letter and the attached schedule properly reflect the status of this account for the period stated.

Yours very truly,

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.
