He served in the Army Air Corp during World War II.

Mr. Jones and his wife Dortha live in Murray, Kentucky. They have four children.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at Slouffer’s Inn, Louisville, on Friday, January 21, 1977. The meeting was called to order by Vice-President Ray Story at 9:00 A.M. with all Board members, except President George Sauer; Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Jack Burkich.

Prin. C. W. Jones, Farmington High School, was present as a new Board member. Mr. Jones will complete the unexpired term of Mr. Cecil Reid who resigned recently to accept the position of Assistant Superintendent in the Graves County School System.

Norman Passmore moved, seconded by Denval Barriger, that the minutes of the December 18, 1976, meeting of the Board be approved. The motion was carried unanimously.

Prin. Harry Loy and Coach Clyde McConnaughay of Carroll County High School came before the Board to report on their football scheduling problem with district teams. Mr. Loy explained that he has contacted every school within his district but has not been able to schedule the required number of games to qualify for the championship. Mr. Loy stated that he had open dates on August 28, September 2 and September 16. Commissioner Mills assured Prin. Loy that the K.I.S.S.A.A. will assist him with the problem of completing his schedule.

Commissioner Mills reported that the Football Committee which met on January 20, 1977, had the following recommendation concerning the fee for football officials for the 1977 season: “The fee for football referees shall be $22.50 with the remaining members of the crew to receive $27.50. Each crew shall receive a car allowance of 10c per mile for all mileage over 50 miles. The assigning secretaries may use their discretion where it is necessary for more than one car to transport the officials to the game. The schools shall never pay more than three cars for travel expenses. Where all crew members live in the same geographic location there will only be mileage paid for one car.” Norman Passmore moved that the recommendation of the Football Committee be adopted. Paul Trimble seconded the motion and it was approved by a vote of 6-3.

Assistant Commissioner Wise presented the Board the proposal for breaking ties in the football districts. The proposal will read as follows: “If a tie results after a team’s highest points for any four scheduled games have been counted, an additional game will be counted until the tie is broken. Games played between teams who are in a tie for the championship shall not be counted when the tie breaking method is applied.” Paul Trimble moved and seconded by Denval Barriger to accept the proposal for breaking ties for district championship. All members voted Aye.

Denval Barriger made a motion, seconded by Norman Passmore, that the Commissioner and his staff study an alternate plan for the football playoff system. The motion carried unanimously.

Eldon Davidson made a motion, seconded by Joseph McPherson to amend the minutes of the December 18, 1976, meeting pertaining to the assignment of district tournament officials to read “may be assigned” instead of “to be assigned” outside of the district and within the region. The motion carried unanimously.

Commissioner Mills presented the eligibility case of Mark Bentley, Fleming Neon High School, who was ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. After hearing the facts in the case, Paul Trimble moved, seconded by Glendon Ravenscraft, that By-Law 6, Section 1, be waived in this case. All members voted Aye.

Commissioner Mills read a letter from Mr. John “Scoop” Brown, appealing the decision of the Commissioner to suspend him as an official for one year for his failure to report for an assigned basketball game. Mr. Brown requested that the Board reinstate him for the remainder of the (Continued on Page Two)

KAPOS NEWS
STATE TOURNAMENT INFORMATION

Cheerleader and Sponsor Registration: All cheerleading squads and/or sponsors are asked to stop by the KAPOS table in Freedom Hall to:

1. Register your squad
2. Pick up important information and materials for you and your school

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room located in Freedom Hall. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet Sixteen" Cheerleading Squads: Attention Principals! If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor’s name, must be contained in the letter of conformation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid up member of KAPOS in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which will also be included in the packet sent by the K.H.S.A.A. to the winners of the sixteen regions.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning and runner-up cheerleading squads will receive trophies, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come to the floor should they be called for an award.

GOVERNOR CARROLL DECLARES GOOD SPORTSMANSHIP WEEK

While every week should be Good Sportsmanship Week, KAPOS has always tried to put special emphasis on being a good sport at State Tournament time. Being a good sport is part of being a good citizen. We don’t believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Carroll. The Governor’s proclamation is on display at the KAPOS table.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated women who have indicated a willing-

ness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheering a worthwhile educational experience in the State of Kentucky.

State-at-Large Champions

Recognition is now being given to cheerleading squads other than those sixteen fortunate enough to participate in the State Tournament. The winner will receive the Ted Sanford trophy while the runner-up will be awarded the Jane Meyer trophy. Plaques will be given to the third and fourth place squads.

Beginning at the District Tournament games, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the State-At-Large winners will take place at 8:30 A.M. on Saturday, April 2, in the Atherton High School Gymnasium, 3000 Dundee Road, Louisville. The public is invited to this outstanding event. The admission charge of $1.00 per person will go toward the expenses of the KAPOS scholarship award, details of which are supplied below. We are grateful to the administrators of Atherton for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be mindful that they are guests in the "home" of Atherton High School.

At the conclusion of the judging at Atherton, trophies will be awarded to the top four squads, in addition to several special awards.

Stella S. Gilb Scholarship

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Write a KAPOS officer for application forms, or pick them up at the State Tournament KAPOS table.

Summer Cheerleader Clinics

Clinic I: July 3-7
Clinic II: July 10-14

Each year cheerleader clinics are held on the University of Kentucky campus, with classes geared to all interest and ability levels. Brochures giving details of the clinics can be obtained at the State Tournament KAPOS table by contacting Mrs. Billy Rodes, (606) 256-4601, or by writing the College of Education, Business Office, Dickey Hall, University of Kentucky, Lexington, Kentucky 40506.

MAJOR FOOTBALL RULES REVISIONS FOR 1977 SEASON

1-2-3: commercial markings on the field.
1-5-1g: Requires players to wear thigh guards.
2-7: Defines encroachment as a term to indicate a player is illegally in the neutral zone.

An offensive back is in the backfield provided his head does not break the plane of an imaginary line drawn through the waist-line of the nearest teammate who is legally on the line of scrimmage.
2-19-2: Provides the neutral zone may be expanded following the snap, up to a maximum of two yards behind the defensive line of scrimmage in the field of play, during any scrimmage down.
5-1-2c: Provides when the scrimmage down ends with the ball in the field of play or out-of-bounds between the goal line, a series is awarded to the team in possession at the end of the down if there was a chance of team possession during the down or if a receiver were first to touch a scrimmage-kick while it was beyond the line, unless there was a foul during a loose ball and the penalty was accepted.
6-1-3: Defines it as encroachment if any player, other than the kicker or the holder for a place-kick, is beyond his free-kick line after the ball is placed ready for play and until it is kicked.
7-2-2: Exempts 6 and 8-man football teams from the numbering requirement at the time of the snap.

1977 BASEBALL

Early Season Questions

EDITORS NOTE: These interpretations of the rules of the National Federation Baseball Committee do not set aside nor modify any rule. The rulings are approved and apply to the situation for which they are given.

CLIFFORD B. FAGAN, Editor
National Federation Publications

BASEBALL PUBLICATION CORRECTIONS

CASE BOOK
Case Book Play 1 (a) and its ruling should be revised as follows:

1. Play: With all bases occupied and two out, B6 hits a double (a) R1 who was on 1st when play started deliberately throws his head protector to the ground after touching 3rd base.

Ruling: Umpire should signal delayed dead ball when he observes the violation and penalize when the play is completed. If R3 scores, his run counts; however, he is banished from the game. If R3 reached 3rd base and did not score, he is declared out and also banished from the game. Some may contend that this is a double penalty, but there are actually two rule infractions. There is one penalty for deliberately removing the head protector during play action, and there is also an additional penalty which applies when the player, after removing his head protector, deliberately throws it to the ground.

Case Book Play 42 (b) should be revised as follows: S1 steps into the batter's box in place of B1 but his name is not reported to the umpire-in-chief. S1 hits the ball safely and reaches 1st base. Prior to the next pitch, the defensive team appeals to the umpire-in-chief that S1 was not reported into the game properly.

Ruling: S1 is removed from the game for duration and B1 is declared out. There are two rules infractions involved in this play situation. B1 is declared out because S1 is actually an improper batter, and the batting out of order rule and penalty must be applied. S1 is removed from the game for its duration because he was not reported into the game properly. The hit made by S1 is deleted from the record, and the out is recorded as having been made by B1 (the proper batter).

POINTS OF EMPHASIS FOR THE 1977 SEASON

The Baseball Rules Committee believes there are several areas of the game which need to be given special consideration. These are identified as "Points of Emphasis." For the 1977 season, attention is called to: Standing up instead of sliding on close plays; Maliciously crashing into a fielder who is holding the ball waiting to make the tag; taking a tag without the ball; coaches "charging" umpires on judgement calls; and bench and field conduct. When a topic is included as a Point of Emphasis, the action involved has not been administered properly or has been misinterpreted. It is the opinion of the Rules Committee that ad-

Baseball Questions

Standing Up Instead of Sliding or Attempting to Avoid Being Put Out on Close Plays: Teaching base runners how and when to slide is an important part of a coach's responsibility. Players should be instructed to slide or avoid being put out (without violent contact) on any close play at second, third and home, not only to avoid injury to the fielder, but also to prevent him from being the runner. In a double play situation (regardless of whether the play at second is close) players should not be taught to stand up going into second in an attempt to prevent the pivot man from throwing to first base or to cause him to throw wildly. The runner who does not slide risks a severe collision and the chance of being struck in the face by the fielder's throw. The proper technique is for the base runner to make a legal slide in an attempt to break up a double play. If the pivot man has already reached the base and is no longer in the base line, the runner should not go out of the base line in an attempt to make contact with the pivot man; he will be declared out for interference. If such contact is malicious or flagrant, the runner shall be ejected from the game. If, in the opinion of the umpire, the runner's interference also prevented an out on the batter-runner, the umpire shall declare the batter-runner out.

Crashing into a Fielder who is Holding the Ball Waiting to Make a Tag: There have been cases reported in which the base runner, upon seeing the catcher or another infielder who has the ball, is taking for the runner, remains on his feet and deliberately, with great force, crash into the defensive player hoping to jar the infielder so hard he will drop the ball, rather than slide or make an attempt to avoid being tagged out. Severe injury could result from such unnecessary unsportsmanlike tactics. It is the duty of the umpire to declare the runner out, and when the action of the runner is also interpreted as being a flagrant act, the violator shall be disqualified from the game.

Faking a Tag Without the Ball: A growing practice of a fielder faking a tag on a runner when that defensive player does not have the ball must be curtailed. The Rules Committee has changed the rule to provide that when a defensive player fakes a tag when he does not have the ball, the player who executes the fake shall be banished from the game.

Coaches Charging Umpires on Judgement Calls: The Rules Committee is disturbed that there have been reports of umpires being "charged" by coaches and others connected with the team to question a judgement call of the umpire. There is no place for such tactics in amateur baseball. Any player, coach or bench personnel who "charges" an umpire to question a judgement call by an umpire shall be warned to stop this action at once. If the warning is not heeded immediately, the offender shall be banished from the game. If after one warning to a member of a team (coach, player, student, substitute, manager, scorekeeper, etc.) a member of that team "charges" an umpire to question a judgement call, that offender shall be banished for the remainder of the game.

Bench and Field Conduct: The Rules Committee has been apprised of the fact that many coaches and players are guilty of conduct detrimental to the game of baseball. Specifically, the committee has been informed that the practice of beating opponents is on the rise in certain parts of the country. The Code of Ethics for Baseball Players and Coaches states, "The ethics and sportsmanship of players, coaches, officials and others associated with the game must be exemplary and beyond reproach." The penalty for unsportsmanlike conduct (following Rule 3, Section 3) as it pertains to using words or remarks which reflect on opposing players, is disqualification. The Rules Committee sincerely hopes coaches will work with their players to eliminate these unsportsmanlike acts.

1. Play: In the fifth inning the bases are fully occupied by R1, R2 and R3 and none out, S1 comes in to bat for B4 without being reported in to the umpire-in-chief. S1 hits a pitch fair and out of the park. After he and R1, R2, and R3 have scored, F1 is thrown a new baseball by the umpire-in-chief. In (a) prior to the first pitch; or (b) after the first pitch the team in field appeals to the umpire-in-chief that S1 did not report to the umpire-in-chief. Ruling: In (a) S1 is removed from the game for its duration. B4 the proper batter is declared out and R1, R2, and R3 must return to 3rd, 2nd, and 1st bases, respectively. The runs are cancelled and B5 is now the batter. In (b) the runs scored by R1, R2, R3 and S1 count. S1 is removed from the game for its duration. An eligible substitute may replace him by properly reporting to the umpire-in-chief prior to competing.

2. Play: R1, R2 and RA occupy 3rd, 2nd and 1st bases, respectively. There are 2 out when S1 without being reported to the umpire-in-chief takes position in the batter's box. He hits a triple but misses 1st base in running out the hit. Team in the field immediately: (a) appeals to the umpire-in-chief that S1 did not report in properly; or (b) throw the ball to F3 who appeals the fact that S1 did not touch 1st base. Ruling: In each of (a) and (b) no runs score. In (a) B6 is declared out and S1 is banished from the game for its duration. In (b) S1 is declared out, S1 is not removed from the game because no one has challenged his not reporting in properly.

3. Play: B1 appears at bat with an aluminum or magnesium bat which does not have a knob on the handle end of the bat. Ruling: The umpire shall require that the batter procure a legal bat immediately.

4. Play: B1 receives ball 4 and he or a teammate immediately requests time. Ruling: The umpire shall ignore the request and order B1 to go to 1st base, after which a team B player or coach may now request time and umpire shall grant it.

5. Play: Bat of B1 breaks in two pieces as a result of hitting a pitch. The batted ball, bounding on foul territory in direction of 3rd base, then hits the barrel of the bat causing the ball to roll to fair territory in front or 3rd base. F5 fields ball and throws it to F3, who tags 1st base before B1 reaches it. Ruling: This is ruled a foul ball. B1 is not out.
for hitting ball a second time.

6. **Play:** After any or all of the starting players have been withdrawn, how soon may they re-enter the game?

**Ruling:** Immediately, with the exception of the pitcher if he is pitching at the time he is removed from the game. If the starting pitcher's removal from the game is because of excessive defensive team conferences as stated in Rule 3-4-1, he may re-enter but not as the pitcher.

7. **Play:** While on defense, several players exchange position in the field.

**Ruling:** This is legal and it does not constitute withdrawal or re-entry. A player has not been withdrawn until he is removed from the game as an active player, whether a fielder at the time or a batter. Of course, the pitcher, while his team is in the field, exchanges positions with a fielder, he cannot pitch again until the fielder who took over as a pitcher complies with the provisions of Rule 3-1-2.

8. **Play:** May anyone bat in place of the designated hitter?

**Ruling:** Only the starting player for whom the designated hitter bats may pinch hit just once for the designated hitter, but if this happens, the move shall terminate the designated hitter role for the remainder of the game. The use of a pinch runner for the designated hitter also terminates the designated hitter role for the remainder of the game.

**Comments:** It is important for all to understand that when the starting lineups are submitted (and the designated hitter is being used), the designated hitter should be listed in the preferred batting position of the batting order, and the defensive player he is batting for should be listed immediately below the designated hitter. (These two players are locked into that one batting position.)

9. **Play:** During the 1st inning, the coach of the team in the field requests and is granted time to confer with F1. Shortly thereafter F6 collides with F1, who is injured, and the coach or the team attendant comes onto the field to examine the injured player.

**Ruling:** The second conference is not charged. It is justified by an obviously incapacitated player.

10. **Play:** Coach on bench, or in coach's box, or player on offense is granted request for time and coach or his bench representative comes onto the field to confer with the batter and/or base runner.

**Ruling:** Each team when on offensive is allowed only one such conference per inning. Time granted for an obviously incapacitated player shall not constitute a charged offensive conference. After a team has used its one charged offensive team conference in an inning, the umpire shall deny that team's request for subsequent offensive team conferences in that inning.

11. **Play:** In a high school game of 7 innings, how many innings constitute a regulation game if the game is called?

**Ruling:** At least 4½ innings.

12. **Play:** At the end of 4th inning, the score is H1 and V2. There is no score in 1st half of the 5th but in the last half H scores: (a) 1 run; or (b) 2 runs. In either case, game is called for rain when only one or two are out.

**Ruling:** In either case, it is a regulation game. In (a), it is a tie game but all records count. In (b), H is the winner.

13. **Play:** At the end of the 4th inning, the score is H4-V5. In the 5th inning, V does not score and H has scored one run when the game is called because of rain. Does score revert to that at the end of the last completed inning?

**Ruling:** No. It is a regulation tied game.

14. **Play:** Bases are full. B4 hits a long fly to center. F7 and F8 collide trying to make the catch and both are injured. All runners cross home base. Captain requests "time" to prevent last two runs from scoring.

**Ruling:** Ball does not become dead when a player is injured during a batted or thrown ball. Umpire shall not call time until no further play is possible. All four runs score.

15. **Play:** With R1 on 1st, F1 is in pitching position. His overthrow into a stand is: (a) from pitching position; or (b) after he has stepped backward with his pivot foot clearly off the plate.

**Ruling:** In (a), 1 base is awarded. In (b), 2 bases are awarded since F1 has become an infielder. In either case, the award starts at the base occupied at the time the ball left the hand of F1.

16. **Play:** In 1st half of the 1st inning a pinch hitter appears at bat for the starting pitcher.

**Ruling:** This is legal, however, the announced or starting pitcher must return to pitch to the first opposing batter in the last half of the first inning until the batter has been put out or has advanced to 1st base.

17. **Play:** Coach or player on defense requests time which umpire grants and coach or his bench representative conferences with F1 or F4 after which: (a) F1 exchanges position with F8; or (b) F1 continues to pitch; or (c) F1 is removed from the game.

**Ruling:** In (a) and (c) the conference is not charged as one of the 3 allowed per game. In (b) the conference is charged to the team. If the team already has used its quota of charged conferences, F1 must be removed as pitcher for duration of the game.

**Comments:** All concerned will better understand Rule 3-4-1 if they will remember the coach of the fielding team or his bench representative must be involved before a defensive team conference is considered a charged one. It is important to remember that the three defensive team conferences granted to a team are charged only when the pitcher is not removed from the mound. After a team has been charged with its allowed 3 defensive team conferences any additional ones between the fielding team players and their bench personnel will cause the removal of their pitcher as pitcher for the duration of a seven inning game. If the game goes into extra innings each team when on defense is allowed just one charged conference for each extra inning without penalty.
Coaches And Officials Share Responsibility
For Keeping Games Under Control

The KHSAA Office continues to receive complaints from basketball coaches that "the officials lost control of the game". The most common complaint is that the games are not called sufficiently close to eliminate unnecessary rough play. These complaints have persisted through the years and to the best of our knowledge, the KHSAA Office has never received a complaint that a game was called too closely.

School administrators and a great majority of coaches wish to have games called reasonably close and consistently.

However, the responsibility for eliminating rough play in basketball is two-fold. The coach has the responsibility for eliminating it just as much as do the officials and they should share the blame equally.

Players are inclined to play in a game as they play in practice. Coaches who allow players to foul unnecessarily in practice are encouraging unnecessary fouling and rough play in a game. Players are inclined to play the game as a practice for it. Careful attention should be given to this matter in all practices, and intra-squad scrimmage games should be closely officiated. It is unreasonable to expect officials to teach during the game what the coach failed to teach daily in practice.

On the other hand, a foul is a foul regardless of where ever and whenever it occurs. Officials who are inclined not to call fouls because of an excessive number being committed are contributing toward rough play. Games should be called consistently close according to the rules. Players who commit fouls should have them called against them regardless of the number. Failing to call fouls will give the player who commits unnecessary fouls an advantage over those who are taught to play within the rules.

Failure to call fouls also stimulates unsportsmanlike conduct and misconduct at basketball games. Rough play arouses emotions of spectators and has an adverse affect. Both coaches and officials share the responsibility of preventing this from happening. This is particularly important at a time when there is considerable questioning of the educational and recreational values of interscholastic athletics.
