IN MEMORIAM

Edgar McNabb

"A country boy who made it out and made good"

The passing of Edgar McNabb unexpectedly on May 4, 1977, brought shock and a great loss to athletics throughout the State of Kentucky. "Mac", born and reared in the southern section of Montgomery and Powell Counties, Kentucky, attended the Montgomery County High School where he had his first taste of school athletics under Coach "Pap" Currie.

From that beginning, he went to Morehead, where Coach Downing left a great influence on his life and probably encouraged "Mac" to become a teacher and coach. After a heroic four years, he started in professional baseball with the New York Yankees as a pitcher. New York was just too big at that early age so "Mac" headed back home to Kentucky and started his teaching and coaching life at Raceland High School in Greenup County, Kentucky. He soon brought renown to the Raceland Rambles and, after some six or seven years, was called to succeed Homer Jackson, who had left Bellevue, Kentucky, for the big Male High School job. "Mac", building on Homer Jackson's foundation, kept the "Tigers" of Bellevue at the top of the Little Eight Conference.

McNabb started officiating basketball and football all over the State and, with his winning smile, and fairness of his decisions, he was soon known as an outstanding student of the game, so much so, that he was selected to work the Sweet Sixteen State Tournament for about ten consecutive years.

After five years at Bellevue, "Mac" resigned and accepted the position of Head Football Coach at Owensboro High School. However, not wishing to move his family, he resigned the Owensboro offer and took a one-year position at Ludlow. At the end of that year, he was asked to become Head Coach of the Beechwood School at Ft. Mitchell, where he soon started football from scratch and led that small school to respectable competition among the schools of the Northern Kentucky Athletic Conference.

"Mac" continued to instruct young men in the art of officiating and represented the Kentucky High School Athletic Association at clinics held throughout the State for nineteen years.

From his role as teacher and leader, he advanced in the field of administration from Coach to Athletic Director, to Principal, and finished up his educational career and retired just a few years ago as Superintendent of the Beechwood School System. Not liking total retirement, he was continuing to lead in the field of education and had taken a part-time position as Director of a Practicum Experience in Teaching Training with Northern Kentucky State University.

"Mac" is survived by his wife, Vestal Mackie, formerly of Mt. Sterling, and two sons: Edgar, Executive Director of the Red Cross of Alliance, Ohio; and Lou, a Baptist Minister of Worthington, Ohio.

To commemorate and honor Coach McNabb's leadership in school activities, the football stadium of Beechwood High School is now named McNabb Field and a Scholarship Fund is being developed at Beechwood in his name.

"Mac" has many friends all over the State and never made an enemy. He will be missed, but not forgotten.—

Tebay Rose, Superintendent
Ludlow City Schools
Ludlow, Kentucky

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.
